CALLING ALL 4TH GRADERS....

OCS STEM Academy – Coy Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this seven-week session, with students collaborating to complete various projects. We are now registering students for our winter session (we will also offer a spring session). You can sign up for as many sessions as you want this year, but space is limited to 24 fourth grade students each session. The fun begins immediately after school from 3:30 - 5:00 p.m., and a snack and drink will be provided. The specific dates for this session are:

Wednesday, January 29
Wednesday, February 5
Wednesday, February 12
Wednesday, February 19
Wednesday, February 26

If your child is interested in programming Lego models, please complete the online registration at https://tinyurl.com/OCSSTEMWinter2020 no later than **Tuesday, January 21**. You can also access the registration form by scanning the QR to the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation!

It is a nice one-stop shop for parents.

Turn Markers Into Energy!

Dear Parents,

We are excited to tell you about a very special program we are coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around Coy Elementary School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house- even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker—*ColorCycle it!*

Sincerely,
Coy Elementary School Student Council
