By applying the knowledge in core subject areas, and manufacturing a project, this will enhance learning throughout the district. Academic Eligibility

- All cheerleaders must be eligible academically. Since the grading period will not end until after tryouts, only a preliminary check can be done before tryouts. If

someone is selected who is determined to be ineligible, the cheerleader will be removed from the team and the candidate with the next highest score will be invited to join the team.

Scoring the candidates

- A small percentage of the tryout score will be based on the "coach's score". Coach's score includes observed teamwork, spirit, attendance/commitment, attitude, and leadership based on last year's cheer experience. If the candidate does not have cheer experience it will not count against her.
- The remaining tryout score is the "performance score" and is comprised of individual and group performance score during tryouts.

CLAY CHEERLEADING RULES

1. The use of drugs, alcohol, or tobacco will not be tolerated. Violations will be dealt with by the Athletic Department according to the Clay High School Student Athlete Handbook.

2. All cheerleaders must attend every practice on time. Excuses will only be accepted in case of illness, injury, death of a family member, or a paid college visit. In such cases, the coach must be contacted in advance or it will be considered an unexcused absence and will result in a one game suspension, attendance at the game is required. Two unexcused missed practices/games will result in expulsion from the team. Anyone late for practice or leaving early will have consequences as deemed appropriate per coach discretion on a case by case basis. Any cheerleader who is removed or decides to quit the team after the allowable timeframe has the potential of facing consequences or not being considered for the following year's try-out dependent upon the given circumstances.

3. All cheerleaders must be fully dressed and ready to participate at a minimum of 5 minutes prior to the scheduled meeting time for practices and games. Coming to practice without the proper attire will result in being benched for one quarter of the next game (per infraction). Cheerleaders must have a doctor's note to be excused from a practice or a game for medical reasons (this includes conditioning).

4. All cheerleaders must attend every game on time. Cheerleaders are to report a half an hour prior to home games – game ready. An inexcusable tardy will result in the cheerleader sitting for one quarter. An inexcusable absence will result in an additional game suspension (attendance at the game is required). Two inexcusable absences will result in expulsion from the team. Cheerleaders are to come to the bus or school on game days "Game Ready" which includes having full uniform on including shoes and hair/make-up done. There will be no primping in public (any "fixes" need to be in private including lotion and hair/make up).

5. All jewelry and tattoos must be removed or not visible for practices and games. Two studs are permitted per ear at maximum. Hair color must be of a natural human hair color. All clothing (including uniform) must cover the midriff, cleavage, and buttocks. Uniform must be worn properly and cannot be altered (zippers zipped and buttons buttoned). Nails cannot be painted except for clear or French Manicure and cannot be too lengthy. Girls who do not have the appropriate appearance will not be able to participate and will be unexcused until the appearance is acceptable. All accessories, glitter, spirit wear, and make-up must be approved by the coach. Anything questionable is left to the determination of the coach. All cell phones turned off or on silent mode during games and practices, and permitted for use only with granted permission.

6. Appropriate language and attitude is expected at all times. Any cheerleader who decides to be distasteful or disrespectful to anyone else (including but not limited to; teammates, coach, parents, and other teams) can be removed from the squad. A minor violation will result in a verbal warning and a parent contact. Repeating minor infractions will be considered a major violation. Any major violation can result in being removed from practice or game and it being considered an unexcused absence in addition to a parent contact. In extreme cases, a cheerleader can be removed from the team immediately. There is zero tolerance for disrespect.

7. Athletic eligibility is checked by the athletic office. Each athlete must pass at least five classes in the previous quarter to be eligible for the next quarter. You must pass five classes at minimum at all times. Periodic checks are done throughout each quarter.

8. Detention/extended day must be served on the assigned date. All cheerleaders must notify their coach at least 2 days prior to the assigned detention, serve the detention, and complete the penalty for being late to practice. Any cheerleader who misses a practice or a game due to an Extended Day will be suspended for the next game.

9. Cheerleaders may participate in other organized activities or work during the season, under the following conditions:
   Clay H.S. cheerleading obligations must be the first priority (you are in a cut sport).
   Cheerleaders must attend all games and practices in their entirety.
   Cheerleaders must make their coach aware of the other commitments and conflicts.

10. Any Cheerleader who misses a portion of the season due to a vacation, band trip, etc. will serve the following consecutive penalty: One half game suspension for every game missed and one quarter game suspension for every practice missed.

11. Please keep in mind that you are being issued a uniform/equipment which is property of Clay High School. Consequences for misuse or damage to the property will be strictly enforced. Uniforms/equipment are to be used for school events only and are not permitted to be worn by others or for non related school functions.

12. The coach has the right to add or change rules as deemed necessary. Please see your coach if you have any problems or questions.

BGSU | the Arts
BOWLING GREEN STATE UNIVERSITY

Announcing our NEW **Summer Art Studio** grade 7-12!!!

The BGSU School of Art would like to share an exciting new summer studio we are offering this summer for grades 7th – 12th

We are offering a 10 day Summer Studio Art Camp that will focus on TAB style teaching (Teaching Artistic Behaviors) or student center teaching rather than the traditional teacher centered. This is a fairly new concept in art education that is producing wonderful results with students. In a TAB style studio setting the students have a lot more say in the media and style they want to learn more about. The teachers roll is then to provide artistic inspiration, teach individuals technical skills in their media of choice and provide mini lesson that would introduce students to design and related materials they may not have experienced before. Students will also have the opportunity to learn more about portfolio development and art school admission.

- Our dates are: **Wed. June 5th – Wed. June 19th**
- Our times to meet: **(Mon-Fri.) 12:30 – 3:30**
- Our location: **BGSU Fine Art Center**
- Our cost for the 30hrs of instruction is only: **$150** (payable by check only for this first year)

Being that this is our pilot summer we will be keeping the number small. If you as a 7th-12th grade is interested and/or you know of a friend that you would like to invite, please feel free to send them this invite.

Parents to register your son or daughter you may contact me directly and I can send you the registration forms. You can also simply register online at:
