BE PART OF OUR SCHOOL-WIDE BOOK CLUB, PLEASE READ BELOW!

April 27th, 2018

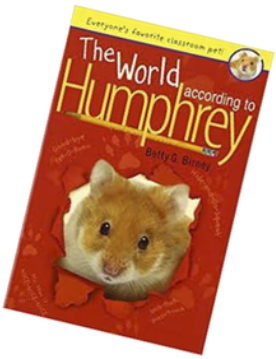
Dear Coy Parents and Families,

You are invited to participate in a school-wide book club at Coy Elementary School! On Monday, April 30th each classroom will begin reading a book by Betty G. Birney titled *The World According to Humphrey*! Every student in the school will receive a copy of the book, and students will participate in daily discussions and activities surrounding the book's events and characters. Also, students will get to answer daily trivia questions shared over the announcements for a chance to win a cool prize!

Parents and families can participate by reading the story at home with your child, or by having daily discussions of what was read in school. In school, we will be reading one chapter a day from April 30th through May 21st. Please make the time to fit this book club into your family's routine. Reading together can be a fun, worthwhile activity, while also helping to prepare your child to be a more effective reader.

There will also be community involvement with this book club. Not only are the entire Coy Elementary staff and students going to be reading together, but special district and community members will be coming in and reading with us, too! Another way that the community will be involved is through the use of raffle tickets. If you stop at a participating Oregon business, your child can say the word "Humphrey" to earn a ticket! That raffle ticket can be filled out and turned in at school for a chance to win a grand prize!

We will even have a *special guest* joining us here at Coy throughout this book project, so keep your eyes open for more details!



As you can imagine, we are very excited to be embarking on this book adventure with our students, and we hope that you can join us and enjoy it, too!

Thanks,

The Coy Elementary Staff

Coy Elementary School

FROM THE COUNSELOR...

May is "Career Education Month". The focus of the lessons will be to introduce your students a variety of career choices and ideas. I have scheduled several activities throughout the month for the students to enjoy.

"What's My Job?" The students may wear a CAREER RELATED hat throughout the day. The purpose of this activity is to have others guess what their job interests are as demonstrated by the hat they are wearing.

We will have five guest speakers. Each grade level will have the opportunity to talk with the speakers about their career. The speakers will discuss the training and education that is needed for their specific career.

Clay High School Career Tech Students will be presenting to the fourth grade information about the programs that are offered to at the High School.

The display case outside of the cafeteria will be used by the teacher's and the staff of Coy Elementary to display memorabilia from their college/university or training they have achieved to qualify them to do their chosen career.

The teacher's will reinforce Career Education in their daily curriculum lessons.
May is going to be filled with fun activities that will encourage many conversations.
This would be the perfect time to discuss with your students what their interests are and what training prepared you for your career choice.

BE AWARE OF UPCOMING TESTING DATES

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

Upcoming Testing Dates:
May
9 & 15 2nd Grade MAP Testing
14 3rd Grade Star Alternate Star Assessment

64TH VIP DAY (FORMERLY DAD'S DAY) INFORMATION

Our 64th VIP Day (formerly Dad's Day), Friday, May 18th, is fast approaching. As a VIP committee, we have met throughout the school year to transform our day into a fun, more meaningful day. Please review the specifics below so that you have an understanding of how the new structure of the day will flow as it is very different from years' past.

VIP Day Quick Facts:
-Dad's Day was converted to VIP Day to ensure all student involvement as everyone has a very important person in their life.
-The day was shortened so that parents that have more than one child could be part of multiple grade level activities.

-A variety of field events and carnival type activities have been included in our day to make it fun for all.
-VIP t-shirts are on sale now! See flyer attached to this newsletter.
-We will still issue "years of participation" certificates for those that have attended 5 years or more. Those can be picked up in the office on VIP Day.
-VIPs will arrive 15 minutes before their child's scheduled start time. If you arrive earlier than the scheduled start time, we ask that you wait in our gym until released. Once released, VIPs will go to their child's classroom for the instructions for the day and to get lunch tickets. The Toledo Refining Company is sponsoring our VIP lunches again this year. Students are expected to pay for or pack their lunch for the day.
-We will still have a bus shuttle from the Wal-Mart parking lot to Coy. It will begin running at 8:45.
-After each child's scheduled VIP time, students are expected to remain at school and resume their normal school day activities. Student removal from school after the scheduled time is over will count against the student's attendance record.
-If you have questions or are able to help during any part of the day, please contact the school office 419-693-0624.

ATTENTION ALL 4TH GRADE PARENTS...

EISENHOWER INTERMEDIATE SCHOOL

331 South North Curtice Road Oregon, OH 43616
Telephone: 419.836.8498

Principal: Tim Holcombe
Curriculum Coach: Tabatha Nadolny

Welcome to Eisenhower Intermediate School!

Dear Parents/Guardians of Incoming Eisenhower 5th Graders:

It is with great excitement that we welcome you to Eisenhower Intermediate School! Over the past five school years, we have worked to develop a brand new Intermediate School with new procedures, policies and traditions. In addition, our staff has worked to create a welcoming, nurturing yet challenging and positive environment.

We are now looking forward to including your child and your family in the Eisenhower experience. This process will begin on May 9 when 4th grade students throughout the district will come to Eisenhower for a visit. A presentation will be held from 10:00—11:00 in the auditorium. Students will be bussed from their elementary schools to Eisenhower. The visits will include information for students concerning what they can look forward to as an EIS student. Mr. Ralph, our guidance counselor, and Mr. Holcombe will speak and students will be given a tour of the building.

We are also looking forward to sharing information with parents as we prepare to work together in transitioning your students from elementary education to secondary education. We will hold a parent meeting for parents of incoming 5th graders on Wednesday, May 9th from 6:00—7:00 in the Eisenhower auditorium. We value this time to share our vision of the intermediate school experience and answer as many questions as possible through our presentation. We hope to see you there!
