MESSAGE FROM THE PRINCIPAL...

The discussion has come up about students wearing smart watches to school that allow talking, texting and internet access. According to our OCS Elementary District Handbook, "cell phones and other electronic devices MUST NOT be in the possession of students during the school day." The complete policy is outlined below. Smart watches fall under the guideline of an "electronic device." Please make sure that your child does not wear a smart watch to school. Should your child wear a device as such, he/she will be asked to remove it and place it turned off in their book bag. Note that the school/district assumes no liability for electronic devices that are brought to school if they are broken, lost or stolen. Thank you for your cooperation in abiding by our district policy.

Elementary District Handbook Electronic Device Policy

ELECTRONICS

Cellular phones and other electronic devices (including, but not limited to: iPods and handheld video games, etc.) can be disruptive to the educational process in many ways including, but not limited to: communicating during instruction via text or call, cheating, sexting, eliciting panic, making plans in conflict with established school rules, taking or disseminating or sharing obscene or inappropriate images, etc. For these reasons cell phones and other electronic devices MUST NOT be in the possession of students during the school day. When students enter the building, all electronic devices must be placed in the off position and kept in the student's bookbag for the entire school day through the dismissal bell. Students are to go to the office to make phone calls home. Parents are encouraged to call the school office when needed. The school office staff is excellent at relaying messages from parents to students. Emergency phone calls can always be made in the main office during school hours; therefore cellular phones are not needed during school hours. The principal reserves the right to confiscate any items that are being used or are making noise that are determined to interfere with the learning process.

First Offense

** The student will be given a warning and asked to put the electronic device in their book bag.*

Second Offense

** The electronic device will be confiscated and the parent will be called by the principal or designee. It will be required that the parent pick-up the electronic device in the office.*

Third Offense

** Consequences will be issued according to the school's discipline policy.*

Teachers may use electronic devices (IPods, IPads, e-readers, cell phones) for educational purposes with-in their classrooms. The students will be told when it is acceptable to use such devices in the classroom. If a student is found to misuse this policy, they will no longer be permitted to use the device for educational purposes.

Please note that the District assumes no liability for electronic devices that are brought to school if they are broken, lost or stolen. Administrative time will not be used to search for or investigate events surrounding lost or stolen items.
