The Jerusalem Elementary School *Student of the Month* program is for those students who continuously do the right thing. The program is based on qualities such as character, leadership, and citizenship. This is not based solely on academics. The student of the month is a diligent student, completes his/her assignments on time, shows a strong effort to learn subjects to the best of their ability, is prepared for class, and has good classroom participation.

The student of the month demonstrates excellent behavior in and out of the classroom, is well mannered, and respectful to both peers and adults. The student of the month displays excellent citizenship by working together with classmates in a cooperative attitude. Lastly, the student of the month demonstrates character through his/her compassion, honesty, trustworthiness, responsibility, optimism, and loyalty by helping to create a positive school environment.

Each classroom will acknowledge one student per month to be the Student of the Month. Nominations will be done by the classroom teacher(s) and other staff members within the building. Teachers are encouraged to use the following guidelines:

### **RESPECTFUL**

- Honest, trustworthy, and respectful
- Polite and respectful towards other students, staff, volunteers and all guests and visitors.
- Uses kind and positive words
- Listens to the speaker (teacher or peer)
- Be respectful to themselves, each other, their school and their community

### **RESPONSIBLE**

- Follows directions and gives 100% of their best effort in class.
- Student is a positive role model by example.
- They are actively engaged in their learning.
- Student follows class and school rules.

### **READY**

- Comes to school prepared and ready to learn.
- Uses class time wisely and completes class work in a timely manner.
- Student participates and puts forth good effort in all areas
- Student arrives to school daily and on time

Each nominated student will be acknowledged at the end of the month by enjoying pizza and pop with Mr. Straka, and a special prize will be given. Also, look for the names of these students to be displayed on our Student of the Month bulletin board! Acknowledgement days will take place on the last Friday of the month, unless otherwise specified.
