Testing Tips for Parents: 3rd & 4th Grade Ohio State Testing coming soon!

On the day of the test, make sure your child is rested, eats a good breakfast, and arrives to school on time. Know testing dates, and be sure to not schedule any sort of appointment for those days. The night before, make sure that your child gets to bed early enough and gets a good night sleep. Adequate rest does make a difference! If your child is a restless sleeper, take them to do something active earlier in the day. Nutrition also influences how well children do on a test -make sure your child gets a good meal, but not too heavy of a meal. Send them off to school wearing comfortable clothing for long test-taking periods.

Complimentary Breakfast provided on Testing Days for 3rd & 4th graders...Coming Soon!!
