The purpose of this handbook is to help students and parents become better acquainted with the policies and procedures of Jerusalem Elementary School and Oregon City Schools. We ask that you familiarize yourself with the handbook and should any questions arise, please contact the school office for clarification.

We can all be successful when we work as a team of parents, guardians, students, and staff.

Sincerely,

Paul Gibbs, Principal

E. DIRECTORY INFORMATION

We get many requests from universities and private schools to provide them with our student directory. Oregon City Schools will not provide this for profit-making organizations.

In accordance with the Family Education Rights and Privacy Act, and the Ohio Revised Code, the Oregon City Schools have designated the following personally identifiable information contained in a student's education record as directory information:

1. student's name
2. student's address
3. student's date of birth
4. student's extracurricular participation
5. student's achievement awards or honors
6. student's weight and height, if a member of an athletic team.

Parents of eligible students have two weeks from the start of school in which to advise the district, in writing, of any or all items they refuse to permit as directory information about the student. Notification may be sent to the building principal or the Assistant Superintendent of Oregon City Schools.

SECTION II: POLICIES CONCERNING ATTENDANCE, ABSENCE, ARRIVAL/DEPARTURE, AND MAKE-UP HOMEWORK

A. ATTENDANCE POLICY

One of the major aims of the Oregon City Schools is to teach students to assume responsibility. Requiring students to be regular in attendance and punctual in reporting to classes is one way of developing responsibility.

All absences from school are two kinds - **excused** and **unexcused**, as stated below. Cases of truancy will be grounds for referral to the superintendent or designee for action covered under Sections 3321.18 through 3321.22 of the Ohio Revised Code.

1. EXCUSED ABSENCES:

- a. **Personal illness** - Parent determines the student is unable to attend school due to illness.
 - * Requires notification from parent/guardian
 - * **Phone call to school on day of absence before 9:15 a.m.**
 - * Written note from parent/guardian when student returns to school
 - * Not to exceed 3 days per quarter
- b. **Medical Excuse**- Student has been seen by a doctor and the doctor determines dates that the student is unable to attend school due to illness.
 - * Requires written excuse from doctor
 - * Parent phone call to school on day of absence
 - * Written note when student returns to school
- c. **Illness in the immediate family**
 - *Requires notification procedures as outlined for Personal Illness
- d. **Quarantine**
 - *Requires notification procedures as outlined for Personal Illness
- e. **Death in the family**
 - *Requires notification procedures as outlined for Personal Illness
- f. **Religious observances**
 - *Requires notification procedures as outlined for Personal Illness
- g. **An emergency or set of circumstances which in the judgment of the school, constitutes good and sufficient cause for absence from school.**
 - * Requires notification procedures as outlined for Personal Illness
- h. **Family Vacations:** The following regulations must be met to insure uniform handling of family vacation situations:
 - * A student must request a Family Vacation Form from the attendance office
 - * The student and parent will complete the form **prior** to a family vacation
If approval is not obtained, the absence will be unexcused and no work will be made up
 - * The student will present the completed form to all teachers.
 - * The completed form **must be** submitted to the school office prior to the family vacation.
 - * Homework missed from a pre-approved family vacation absence will be given to the student upon their return to school.
 - * The days count as absences, but are not calculated in the total for the attendance policy previously listed

- * Only 1 family vacation will be granted each school year
- * Students with excessive absences may be denied family vacation
- * Students will be allowed to make up work if the vacation is approved
- * ***Please avoid October, March, and May testing dates when planning vacation***

2. TYPES OF UNEXCUSED ABSENCES:

- * More than **3** personal illnesses per quarter **without** a doctor's excuse.
- * Oversleeping
- * Car trouble
- * Missing the bus
- * Shopping
- * Haircut, beauty shop appointments
- * Baby-sitting
- * Out of school suspension
- * Truancy - purposefully skipping school
- * Family errands
- * Hunting
- * Family trips NOT receiving prior approval from the principal
- * Child care issues
- * Non-school sponsored activities or sports events
- * Non-treatment of head lice
- * Other absences not listed as excused
- * Failure to contact the school in accordance with A.1.a

3. PARTIAL SCHOOL DAY ABSENCES

a. Tardies/Early Dismissals

A tardy/early dismissal will be issued when a student is:

- * 1 hour late for school
- * Leaves 1 hour before school dismissal time
- * Notification from the parent is required for all early dismissals and tardies
- * Tardies and early dismissals will be classified as excused and unexcused according to the procedures for excused and unexcused absences.

b. Half Day Absences

- * All partial absences that are not considered an early dismissal or tardy will count as a 1/2 day absence.
- * Half days will be classified as excused and unexcused absences according to the procedures for excused and unexcused absences.
- * A student must have written notification whenever they miss a partial day and must sign in and out of the office.
- * All elementary students must be accompanied by an adult to the office and must be signed in or out by an adult
- * Half-day absences will convert at the rate of 2 = 1 full day for truancy purposes.

B. ATTENDANCE CODING GUIDELINES

Any student arriving at school after 9:05 a.m. is considered tardy and should report to the office for an admit slip to class. Otherwise, the teacher will send the student to the office for a slip.

1. Arrival
 - a. Tardy until 10:05 a.m.
 - b. Arrival after 10:05 a.m. and until 2:35 p.m. = ½ day a.m.
2. Departure
 - a. Leave at 2:35 p.m. or before = ½ day p.m.
 - b. Leave before 10:05 a.m. = a full day absence

*4 or more unexcused tardies and/or early dismissals will disqualify a student from receiving a perfect attendance award.

C. ATTENDANCE NOTIFICATION PROCESS

Each child is allowed 3 parent excused absences per quarter. Any absence beyond the 3 parent excused must have a doctor's note. Should your child go beyond 5 absences, the following attendance notification process will occur. Be sure when visiting the doctor to secure and send to school any excusal notices you may receive.

1. 5 unexcused absences = letter with print-out of attendance
2. 10 unexcused absences = letter with print-out of attendance. May result in request for conference or referral to diversion board.
3. 15 unexcused absences = letter with print-out of attendance. May result in request for conference, referral to diversion board, or recommendation for truancy charges to be filed against parent/guardian.

*A parent may be called in at any time should the student reach 5 or more tardies in a quarter.

When your student is absent from school, parents/guardians are expected to call the school the morning of the absence. Upon returning to school, students should present a note from the parents/guardians explaining the reason and date of absence. Please include the student's last name when writing the note. When a parent/guardian does not contact the school regarding the absence, the absence is considered unexcused.

An automated phone system calls parents/guardians of students who are marked absent. The system will generate a call even if:

- You have called the school informing us that your child will be absent/late.
- Your child arrives late to school.

The automated system works entirely from the attendance input by your child's teacher. If you have notified the school that your child would be absent or are aware that your child is tardy/absent, please consider the call as informational.

D. EARLY DEPARTURE FROM SCHOOL

The policy for releasing students to a parent during the school day in cases of emergency, dental or doctor appointments are as follows:

1. Parents/guardians are asked to write a note explaining why a student will be leaving school. The note should be given to the child's teacher at the beginning of the school day.
2. When the parent/guardian comes to pick up the child, he/she must report to the office to sign the child out of school prior to the student leaving the building.
3. Children will be released only to the custodial parent or guardian or to an adult designated by the custodial parent or guardian on the emergency medical card completed in the Fall.

E. DROP-OFF / PICK-UP POLICIES

Student drop-off is at the main entrance no earlier than 9:00 AM. When dropping off children you must follow the flow of traffic.

When dropping off a tardy student, after 9:15 AM, please escort your child into the main office to sign him/her into school.

When picking up your child from school at the end of the day, you must park your car and wait in the lobby for the dismissal bell. Students are not to exit the building into the parking lot without an adult. Students should leave for home promptly at 3:30 PM

SECTION III: STUDENT CONDUCT

A. DISCIPLINE

Each child is expected to be a good citizen, accept responsibility for his/her actions, and respect other persons and their rights and property (including school and public property).

School discipline procedures are set forth in school board policies as well as within each school building. The Oregon Board of Education will not tolerate violent, disruptive behavior or inappropriate behavior by its students. No weapons, lasers, or articles resembling weapons will be allowed. Students will receive disciplinary action for any safe school violation. Violation on the part of a student for any one or more of the school rules while on school property (both during school hours and after school hours) or while under the jurisdiction of the school may result in disciplinary action including detentions, emergency removal, in-school suspensions, out-of-school suspensions, referral to diversion, and/or expulsion or other alternatives deemed appropriate by the administration. Oregon City Schools maintains a working relationship with local law enforcement agencies and may request assistance from these agencies when deemed necessary.

Individual teachers have different expectations and standards within the school's general rules of conduct. The cooperation of parents, students, and staff is essential in creating an environment that fosters learning.

In-School Suspension: An in-school suspension is an alternate setting within the school building. Students will be provided work to complete. During in-school suspension, students do not participate in school or classroom activities.

Out-of-School Suspension: A student will only be allowed to complete homework assignments while on suspension. Credit will not be given to the student for any tests and classroom activities which occurred during days missed for any out of school suspension.

Diversion: Students will be recommended for diversion for chronic truancy or excessive attendance issues, for chronic behavioral issues as a "last chance" prior to expulsion, or by the assistant superintendent in lieu of expulsion.

B. DISCIPLINE CODE AND ZERO TOLERANCE

Regardless of where violations occur, a student may be suspended or expelled if the misconduct is directed at an Oregon City Schools official or employee or the property of an Oregon City School's official or employee. A student may be suspended or expelled if the student's misconduct occurs off of property that is owned or controlled by the school district, but is connected to activities or incidents that have occurred on property that is owned or controlled by Oregon City Schools.

C. SCHOOL-WIDE MANAGEMENT PLAN

The most important ingredients for success are a positive attitude and appropriate school behavior. Above all students are expected to be RESPECTFUL and RESPONSIBLE in their everyday actions. Students at Jerusalem Elementary are to behave with respect for themselves, respect for others, and respect for their surroundings. Every student deserves a quality educational experience and no student has the right to prevent a teacher from teaching or students from learning.

Students are expected to behave at all times in a manner that will bring credit to themselves, their school, family and community. It is important for students to recognize that they are responsible for their behavior on the way to and from school, during school hours, on the bus and at all school events.

School-Wide Principles

- J – Just be polite
- E – Excellence
- T – Teamwork
- S – Safety

School-Wide Rules/Procedures

1. Respect yourself and others.
2. Keep hands, feet, and objects to yourself at all times.
3. Use appropriate language with both students and adults.
4. Follow all directions the first time they are given.
5. Always allow learning to happen.

Hallway/Stairwell Rules/Procedures

1. Walk at all times.
2. Remain in a single file line.
3. Stay to the right. (Except during weather emergencies)
4. One step at a time when going up and down the stairs.
5. Move silently, respecting working classrooms.

Restroom/Drinking Fountain Rules/Procedures

1. Take turns.
2. Ask permission.
3. Remain in single file line while waiting.
4. Place all waste in garbage cans.
5. Flush toilets and urinals.

Bus Line-Up Rules/Procedures

1. Sit quietly in line.
2. Bus lines with a large number of students will form 2 lines.
3. Sit in line with your class.
4. Keep hands and book bags to self.
5. Face forward.
6. Load bus in a single file, straight line.

Behavior Consequences

In every discipline plan there is a need for consequences. If a student does not follow the rules/expectations, he or she will be required to “turn/pull their card” from one color to the next. Each infraction requires a card change. The colors and associated consequences are listed below.

Green - All students start here

Blue - Warning

Yellow - 15 minute recess detention in the classroom

Orange - Student writes letter to parent regarding color changes. The letter is sent home to be signed by the parent and returned to school the following day. The classroom teacher contacts the parent regarding the behavior for the day. (The letter will be written in the office and the student will talk with the principal or designee before returning to class.)

Red - Referral to office (A minimum of before school detention will be assigned and a phone call will be made to the parent by the principal or designee.)

Minor behavior infractions will require a single card pull while **major** behavior infractions will require the student to go to an automatic red card.

Minor/Major Offense Chart

Minor Behavior Infraction (Card Pull)

Inappropriate Language – Name calling, insults, inappropriate slang, disrespectful remarks i.e. crap, shut-up, sucks..

Physical Contact – Inappropriate contact with another student

Property Misuse – Tampering with another person’s/school’s property or purposely breaking own materials.

Dishonest/Lying – Not telling the truth

Disruption - Talking while staff member is talking, shouting out, slamming items or throwing items, intentionally not following directions.

Major Behavior Infraction (Automatic Red)

Inappropriate Language/Communication - Any type of profanity or abusive and/or demeaning vulgar language. Any communication viewed as threatening, bullying, harassing, demeaning or insinuating physical harm.

Obscene Gestures - Any gesture that is viewed as demeaning and or vulgar.

Fighting/ Physical Aggression - Inappropriate contact with intent to hurt another student or purposeful personal invasion.

Intimidation or Threats - This includes any verbal or written threat to the safety of a student, staff member, or other person. This includes HOAX THREATS.

Cheating- Presenting someone else's work as one's own in order to obtain a grade or credit is considered to be cheating. This includes, but is not limited to copying others assignments, quiz, or test answers, and plagiarism. Students who copy others work or give work to another student to copy will receive zero credit for the assignment.

Insubordination- Temper tantrums, exposure of private body parts, throwing items with intent to hurt, back talk to staff member, overt defiance.

Weapons(real or fake) - Weapon or any resemblance of a weapon real/fake including but not limited to: Guns, knives, lighters or any type of explosive material.

Tobacco and/or Drug Products - Any type of tobacco/drug including but not limited to: chewing tobacco, cigarettes, or marked/unmarked drug product.

Vandalism, theft, or property damage - Intentionally destroying or stealing someone else's property.

If a student receives three red cards within **60 school days**, a parent conference will be set-up with the administrator and the teachers involved to discuss the behavior concerns. If additional red cards are earned after the parent conference, the following consequences may be assigned as a progressive discipline plan to manage the student's behavior.

- * One day in-school suspension
- * One day out-of-school suspension
- * Three days out-of-school suspension
- * Five days out-of-school suspension and referral to the district diversion board
- * Seven days out-of-school suspension
- * Ten days out-of-school suspension and referral to the expulsion board

In the case of a serious offense involving physical injury, weapons, or drugs, the principal or designee will take immediate action, which could include emergency removal and suspension.

Should a student be suspended from school, the student and parent will be notified of the suspension and given a "notice of intent to suspend." The notification and discussion about the suspension will act as an informal hearing. A letter will be sent via mail as follow-up documentation.

D. STUDENT CONDUCT ON SCHOOL BUSES

20. No gang related paraphernalia is allowed to be displayed on the bus.

E. RECESS POLICY & PLAYGROUND PROCEDURES

1. Recess Policy

Students are given recess each day. Decisions to have outside recess during cold weather depend upon the temperature and the wind chill factor. Shorter outside recess times may be scheduled on very cold days. Always assume there will be outside recess and dress your child accordingly. All students must be on the playground during outside recess. **Only students with medical excuses will be allowed to remain in the building during scheduled outside breaks.**

Students will have supervised inside recess on days when inclement weather prevents outside recess.

2. Weather Chart

The chart that Oregon City Schools uses to determine when the weather is appropriate to send students out for recess can be reviewed at <http://www.oregoncityschools.org>.

3. Playground Rules / Procedures

Walk in a single file line from the cafeteria to the playground. When the siren is blown, immediately line up to go inside. (Lining up should take no longer than two minutes.) Students are to get quiet while in line before the count of 3 after the quiet signal. When students arrive late to recess the students are to bring a pass to a monitor before beginning any activity. Students who wear a coat to recess must keep their coat with them at all times. Students will not be permitted to place their coat on the ground if they become warm. Students are encouraged to tie their coat around their waist if they choose to take their coat off during recess. Students may be removed from an activity if they engage in play that compromises the safety of themselves or others. *This restriction may be imposed in addition to having the student(s) pull a card in accordance with the school-wide management plan. Indoor recess will take place in the gym, music room, library, or multi-purpose room. Students must wear proper shoes for indoor recess. Students without proper shoes will remain on the stage during indoor recess.

4. District-Wide Recess Procedures

When several hundred students use the playgrounds every day, rules must be established, understood, and practiced. Perhaps even more important than the rules is that each student respect other students while playing on our playgrounds. Playing cannot be fun when students act in a disrespectful or aggressive manner. Children should be encouraged to care about themselves and the health and safety of others while on the playgrounds.

Swings

1. Sit in the center of the swing; never stand or kneel.
2. Hold on with both hands.
3. Stop the swing before getting off.
4. Walk around the swing – not too close to the front or the back.
5. Never push anyone else in the swing or allow others to push them.
6. Have one person in one swing at one time.
7. Avoid swinging empty swings, and never twist swing chains.
8. Never put head or feet through exercise rings on the swing set.

Slides

1. Only one student on top platform at a time.
2. Hold on with both hands as you go up the steps of the slide, taking one step at a time; never go up the sliding surface or frame.
3. Slide down feet first, always sitting up, one at a time.
4. Be sure no one is in front of the slide before sliding down.

5. Be patient, avoid pushing or shoving, and wait your turn.
6. Leave the bottom of the slide after you have taken your turn.

Ball-type Games

1. Stay behind backstop when not batting in softball.
2. Do not play tackle football.
3. Baseballs are not to be used during recess.
4. Do not kick balls against building.

Climbers

1. Get on and off climbers in a proper manner.
2. Only stand or walk on the parts of the climbers designed for such activity.
3. Always hold on to the climber with your hands.

Common sense and courtesy will provide for a safe and healthy playground environment.

The playgrounds are open for student use during school hours only. Any persons using school grounds, including playgrounds, during other times of the day or week do so at their own risk.

F. ELEMENTARY DRESS CODE POLICY

The students and staff of Oregon City Schools take pride in their appearance. Students who feel good about themselves also tend to feel good about their learning. Uniforms are not required however; we do insist that our students do not bring undesirable attention to themselves by immodest appearance, unkempt appearance or any other form of exaggerated clothing, hairdos or hair color (color must be a natural human hair color). Other examples might include: "Talk to the hand," "I hear you talking, but I'm not listening," "I'm with stupid," "Speak no homework, see no homework, do no homework," etc. The principal will have the final discretion with other clothing containing slogans or wording deemed to be negative/offensive in nature or promoting inappropriate school themes.

G. ELEMENTARY DRESS CODE VIOLATION PROTOCOL

All staff will promptly report any dress code violation at the onset of the school day. Should a dress code violation be reported, the following protocol will be enforced:

1. First Offense

*Parent will be called immediately and a change of clothing/shoes will be requested. The parent will receive a letter documenting the offense.

2. Second Offense

*Parent will be called immediately and a change of clothing/shoes will be requested. The parent will receive a letter documenting the offense of possible future dress code violation consequences. A consequence may be given at the principal's discretion, in accordance with the building discipline policy.

3. Third Offense

*Parent will be called immediately and a change of clothing/shoes will be requested. The parent will receive a letter documenting the offense. The third offense will be handled according to the building's discipline policy at the discretion of the principal.

*With parental permission, a student may be asked to turn his/her shirt inside/out or to change into another clothing garment in order to meet the expectations of our dress code policy.

*If the parent can not come to school with a change of clothes/shoes, the student may need to remain in the office if deemed inappropriate and a change of clothes is not available. Any missed classroom work while student is in office will be made up and count toward the student's grade.

H. ELECTRONICS

Cellular phones and other electronic devices (including, but not limited to: iPods and handheld video games, etc.) can be disruptive to the educational process in many ways including, but not limited to: communicating during instruction via text or call, cheating, sexting, eliciting panic, making plans in conflict with established school rules, taking or disseminating or sharing obscene or inappropriate images, etc. For these reasons cell phones and other electronic devices MUST NOT be in the possession of students during the school day. When students enter the building, all electronic devices must be placed in the off position and kept in the student's bookbag for the entire school day through the dismissal bell. Students are to go to the office to make phone calls home. Parents are encouraged to call the school office when needed. The school office staff is excellent at relaying messages from parents to students. Emergency phone calls can always be made in the main office during school hours; therefore cellular phones are not needed during school hours. The principal reserves the right to confiscate any items that are being used or are making noise that are determined to interfere with the learning process.

First Offense

- * The student will be given a warning and asked to put the electronic device in their book bag.

Second Offense

- * The electronic device will be confiscated and the parent will be called by the principal or designee. It will be required that the parent pick-up the electronic device in the office.

Third Offense

- * Consequences will be issued according to the school's discipline policy.

Teachers may use electronic devices (ipods, ipads, e-readers, cell phones) for educational purposes with-in their classrooms. The students will be told when it is acceptable to use such devices in the classroom. If a student is found to misuse this policy, they will no longer be permitted to use the device for educational purposes.

Please note that the District assumes no liability for electronic devices that are brought to school if they are broken, lost or stolen. Administrative time will not be used to search for or investigate events surrounding lost or stolen items.

I. SEXTING

The taking, disseminating, transferring or sharing of obscene, pornographic, lewd or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, emailing or sexting, etc.) may constitute a crime under State and/or Federal law. Any person taking, disseminating or sharing obscene, pornographic, lewd or otherwise illegal images or photographs may be punished under this code of conduct and will be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution and lifetime inclusion on sexual offender registries.

SECTION IV: ACADEMIC POLICIES, COMMUNICATION AND VISITATION

A. HOMEWORK POLICY

1. Definition of Homework

Homework is an assignment to be completed by the student to enrich, extend, stimulate or strengthen concepts directly related to the academic content standards. The four key elements of homework are appropriateness, consistency, purpose, and time.

2. Appropriateness

Homework assignments will reflect the students' needs as students strive to master the academic content standards.

3. Consistency

All Jerusalem students in grades 2 – 4 use an agenda book daily to record their homework assignments and behavior card color.. This book is a useful teaching tool and will provide effective communication to support academic improvement. Kindergarten and first grade will utilize an assignment sheet to record assignments. All grade levels will consistently check for a parent signature to ensure communication between school and home.

4. Purpose

The assigning of homework will reflect the need to establish life-long learning skills. It will serve as a valid learning tool to promote individual growth in confidence, responsibility, and mastery of the academic content standards. Home study assignments also afford a way for parents to acquaint themselves with the school program and their own student's educational progress. Homework assignments will be reasonable and pertinent in order to reinforce the content standards that have been taught in the classroom.

5. Time

Our school urges each student every day to spend unassigned time reading for pleasure or interest. Homework assignments will not be given over Christmas and Spring Vacation with the exception of extended time special projects. Homework assigned over the weekend will adhere to stated time parameters and be used as a tool to promote continuity of a lesson or concept. The time assignments for the "average" student should be:

Kindergarten – Grade 1 approximately 10 minutes per night

Grade 2-3 approximately 25 minutes per night

Grade 4 approximately 40 minutes per night

There may be exceptions to these time frames depending on individual student needs and/or programs such as Title I Reading, Gifted/Enrichment, and Special Education Programs in which a student may participate.

Special Note:

Assigned homework generally is an outgrowth or continuation of a lesson taught during the school day. The amount of work at home will vary according to the child's concentration and use of available time in the classroom. However, drill and practice of the "basics", including vocabulary words and math facts, along with finishing incomplete work, are often necessary. Children are expected to complete homework assignments and turn them in on time. When homework is turned in late, the grade/credit may be reduced.

Work missed due to absence will likely need to be made up as homework. When a student is absent due to illness and the parent would like to request homework, please do so by 11:00 AM. **Homework, class work and tests missed due to pre-approved family vacations will be given upon the student's return to school.** Students returning from a family vacation or illness will be given the same number of school days to make up the work as the number of days they missed for the vacation or illness. Children have the responsibility of taking home and bringing back the necessary books and materials to complete their homework. Parents may need to help students prioritize and organize their time at home.

B. DISTRICT GRADING SCALE

A=	95—100%
A--	= 93—94%
B+	= 91—92%
B=	87—90%
B-	= 85—86%

C--	= 75—76%
D+	= 73—74%
D=	69—72%
D--	= 67—68%
F=	66 and below

C. Positive Support for Student Success

Recognizing students' positive traits and achievements stimulates them to succeed. To that end the following awards are given on a quarterly or annual basis.

Honor Roll: Students in grade 4 are eligible for the Honor Roll. Honor Roll consists of students with a grade point average of 3.0 – 4.0. A quarterly certificate is given by teachers, with an Honor Recognition Assembly at the end of the year.

All Green Ice Cream: Quarterly ice cream treat for all students who stay on green for the entire quarter.

Homework STARS: Quarterly recognition for students who complete all homework assignments on time. DG's ice cream and Homework STARS t-shirt for all students who complete all homework on time for the entire year.

D. TESTING

Testing takes place at each grade level.

Kindergarten:	The Kindergarten Readiness Assessment (KRA)
1 st Grade:	Reading, Writing and Math Diagnostic testing.
2 nd Grade:	Reading, Writing and Math Diagnostic testing.
3 rd Grade:	Ohio State Test - English/Language Arts Test, Ohio State Test- Mathematics, Writing Diagnostic and Otis-Lennon School Ability Test
4 th Grade:	Ohio State Test – English/Language Arts, Ohio State Test – Mathematics, Ohio State Test – Social Studies and Stanford

In addition, students will be assessed three times per school year using the STAR Assessment System in order to improve student achievement in the areas of reading and math. There are four assessment tools: STAR Early Literacy, STAR Reading, STAR Math, and Accelerated Reader. Students in kindergarten will take the early literacy assessment only. Students in first grade will take the early literacy, reading and math assessments and students in grades 2-4 will take the reading and math assessment. All students in grades K-4 will have access to Accelerated Reader.

*Testing schedule is subject to change.

E. PROMOTION & RETENTION

Oregon Elementary Schools adheres to the Board adopted policy regarding promotion and retention. The promotion of each student is determined individually. The decision to promote a student or to retain a student in a grade is made on the basis of the following factors: reading ability, cognitive ability, age, physical maturity, emotional and social development, social issues, home conditions and grade average.

A student may also be “placed” into the next grade level. Placement is the assigning of a student to a particular grade level or course based on specific factors such as previous retentions, IEPs, medical reasons, etc.

Truancy: Any student who is truant for more than 10% of the required attendance days of the current school year and has failed two or more of the required curriculum subject areas in the current grade is retained, unless the student’s principal and the teachers of the failed subject areas agree that the student is academically prepared to be placed to the next grade level.

“Academically prepared” as used in this policy, means that the principal, in consultation with the student’s teacher(s) has reviewed the student’s work and records and has concluded that, in his/her judgment as a professional educator, the student is capable of progressing through and successfully completing work at the next grade level.

If retention is being considered for your child, you will be notified via a “Possible Retention Notification” letter toward the latter part of February. Final decisions for retention will be made in May. If your child is being retained, a final retention letter will be mailed to confirm the retention.

F. REPORT CARDS / MID-TERM REPORTS

Kindergarten through third grade use a scale of 1-4 to indicate progress towards grade-level, academic standards in all four quarters. Students in grade four receive letter grades of A, B, C, D, and F. Children are also evaluated in the areas of achievement, effort, work habits, and social development (citizenship).

Mid-Term Progress Reports for K and 1 are sent home before the end of the first six weeks of any quarter, notifying parents of unsatisfactory progress, behavior, and for special success.

For grades 2-4, grades will be posted in PowerSchool at least 3 times per quarter. Midterm reports will not be sent out for grades 2-4 during the school year.

Grade reports will be made available to parents following each quarter. Grades will be able to be viewed online by logging in to your child’s PowerSchool account. If you have any questions regarding this system or need a username and password, please feel free to contact Linda Toth at ParentPortal@oregoncs.org or 419-693-0661 x.3273.

Parents are encouraged to make an appointment to confer with school personnel whenever the need arises.

G. PARENT / TEACHER CONFERENCES

Parent / teacher communication is vital to student success. Parent / teacher conferences can be scheduled with any teacher at any time of the year. However, it is imperative that an appointment is made ahead of time. Drop-in conferences often run over and interfere with class time or with daily planning, so please plan ahead for conferencing. By making an appointment, your child's teacher will be better prepared to discuss whatever issue there may be and find a solution that is agreeable for all parties.

There are two scheduled times for conferences throughout the school year. The first scheduled conference is after the end of the first nine weeks, as listed on the district calendar. There will be one additional evening in November, to be determined. The second scheduled parent / teacher conference will take place at the end of the third nine weeks, as listed on the district calendar. The second scheduled parent/teacher conference is on an as needed basis.

H. EDUCATIONAL FIELD TRIPS

1. Field Trip Policy

Field trips are correlated with the district's adopted curriculum. A parent's written permission is required for a child to go on a field trip with his/her class. Children will not be permitted to attend a field trip without parental permission. It is expected that all students will ride the school bus to and from the field trip location.

Parents may be invited to accompany groups on trips. Children not in the class are not permitted to accompany chaperones on field trips.

Field Trips are a privilege. Behavior is a concern when taking students away from school. Any student who is placed on a behavior contract and fails to comply with the stipulations of the contract will not be allowed to go on a field trip.

2. Chaperone Guidelines

- a. Chaperones will support and abide by the policies and procedures established by the classroom teachers. The role of the chaperone is to carry out the tour as planned by the teachers.
- b. Chaperones will not smoke or consume alcoholic beverages at any time.
- c. Students and chaperones must travel to and from the field trip with the school group using school transportation unless other arrangements are made in advance and approved by the principal.
- d. If questions arise about specific situations, the classroom teachers will be contacted.
- e. Chaperones will dress according to the school dress code.
- f. Chaperones will remain with their designated groups at all times.
- g. Chaperones will speak with students in an appropriate manner, using appropriate language.
- h. Siblings or other children will not be permitted on field trips.
- i. Chaperones will not purchase additional items or food to be distributed only to their group.
- j. Chaperones will supervise and assist their group in completing the activities assigned on the field trip.

I. VISITORS

All visitors must first report to the school office before contacting students or talking with the teachers. A visitor's pass will be issued.

OCR #3313.20 requires that all persons shall upon entering any public school building, report immediately to the office of the principal.

Visitation by children from other schools is normally not permitted. Children under school age are not permitted to visit the school or attend parties unless accompanied by parents.

J. JERUSALEM PARENTS GROUP

The Jerusalem Parents' Group exists for the purpose of promoting the welfare of children attending Jerusalem School. The members sponsor educational opportunities and family activities for the Jerusalem community. The group also provides equipment and support for the staff.

All Jerusalem parents and guardians are urged to attend the group's meetings and become active participants.

JERUSALEM PARENTS GROUP OFFICERS:

President	Rachel Lohner
Vice President	Vivian Stuller
Treasurer	Rebecca Halbur
Corresponding Secretary	Jodie Mason
Recording Secretary	Stephanie Franke
Sergent-at-Arms	Aimee Kaminski

K. COMPUTER USAGE

Signed computer usage permission slips are completed at the beginning of each school year stating each child is permitted / not permitted to utilize the computer on / off line. Students are not to tamper with other students' on-line school accounts. Should this situation occur, parents will be contacted at once and the situation will be dealt with in accordance with our school disciplinary code of conduct.

L. TELEPHONES

The school telephones are primarily business phones. Students are discouraged from calling home except in emergencies.

M. RESPONSIBILITY FOR BOOKS

Children may take books home for study and homework. They are responsible for proper care of books both in and out of school. Fines will be levied for damage beyond normal wear and payment must be made for lost books. Grade cards may be held until outstanding fees/fines are paid.

N. SCHOOL FEES

School Fees are necessary to supplement the education of our students. Fees cover a portion of the cost of workbooks and supplies that are consumed by individual students. The fee for the upcoming school year is \$45.00. Waivers are available those who qualify for free and reduced lunches. Families who qualify for reduced lunches will pay 50% of the fee. Checks are paid payable to the individual school. Grade cards may be held until outstanding fees/fines are paid.

SECTION V: HEALTH, SAFETY, & SECURITY

A. ILLNESS

We have nursing personnel in our buildings only for two hours per day (during recess hours). Children who become ill at school can be better cared for at home. Ultimately, the care of sick children is the responsibility of the parent. **It is of utmost importance that parents provide (and update when changes occur) emergency telephone numbers and the names of people to contact in case the school is unable to reach the parent.**

Children should not attend school if they have an illness that prevents them from participating comfortably in routine activities, or if they need more care than can be given without neglecting the health and safety of other children. Children should also stay home if they have symptoms of possibly severe illnesses that they might be able to spread to other children. This includes fever, difficulty breathing, spreading rash, weepy sores that cannot be covered, and severe vomiting or diarrhea or vomiting blood.

- Chicken Pox/ Varicella: Children may return with a parent note once all the sores and blisters are dried and there are no new sores.
- Diarrhea: Children should stay home until diarrhea stops or doctor clears child to return to school. Parent note is acceptable if no blood or mucus is present.
- Students who can use the restroom or whose stools are contained in diaper style underwear do not need to be excluded if not contagious or antibiotics have been completed.
- Diarrhea from Campylobacter, E. Coli, Giardia, Rotavirus or Salmonella: After diarrhea stops (Doctor note required for E. Coli, Salmonella and Shingella).

Upon return to school, child should be accompanied by an adult and stop in the school office/nurses office prior to going to class. Child will be reexamined for any remaining lice and/or nits. Child should be checked at home for 2 – 3 weeks to assure that there are no untreated cases.
- Hepatitis A: May return with a Medical Note one week after start of jaundice.
- Hib: Students must be out of school for at least 24 hours after they complete antibiotics and Medical Note is required

- Whooping Cough/ Pertussis: Students with Whooping cough can return to school with a Medical note after 5 days of prescribed antibiotics.

B. MEDICATION

For safety reasons, medicine, both prescription and over-the-counter (ex: cough drops), should be administered at home. If your physician requires the administration of a prescription medication during school hours, state law requires that a Medicine Dispensing Form be on file. This form must be completed by the physician, signed by the parent, and be on file in the school office. The form may be obtained in the main office. When the physician completes the form, have her/him give some flexibility regarding the time for dispensing the medicine, as it is impossible to dispense medicine at an exact time due to the large number of requests. In addition, the following requirements should be noted:

1. Children are not allowed to carry medication (prescription or non-prescription) on or with themselves at any time. The exception to this is an asthma inhaler or epinephrine pen that have written physician and parent approval on the designated forms available in the main office. The principal and/or school nurse must receive copies of this form.
2. Parents/Guardians must bring medicine to school in the original container. Each medication must be current and carry a prescription label with the child's name, drug identity, dosage instructions, doctor's name, and prescription date.
3. The actual arrangements of the dispensing of medication will be determined by the building principal.
4. Prescription medications are to be clearly identified and are required to be in the original container.

Non- Prescription Medication (Over the Counter): requires that the Parent/Guardian Request for Medication by School Personnel form be completed by the parent/guardian. Name of medication, the dose to be given, and when it is to be given must be included. Parnt/guardians are required to bring the medicine to the school office in the original store container labeled with the child's name. No medicine will be given without having this permission form on file in your child's school. Medicine will be given according to directions on this permission form. We need physician authorization to five medication dosages higher than those recommended by the manufacturer. Please check the expiration date on the item as we cannot give medications that are expired. For safety reasons, a separate form is required for each child and each medication.

C. EMERGENCY DRILLS

Each elementary school will hold monthly fire drills. Tornado drills will be held monthly during tornado season. A district wide emergency plan has been implemented for each school building and two lock-down drills per year are conducted.

In the event of an actual emergency, the school will be placed on a lockdown. Students will not be permitted to be signed in or out during this time.

D. EMERGENCY DELAYS & CLOSINGS

Announcements are given via local radio and TV stations for bad weather. Delays are for one or two hours. If school is closed for a full day or for early dismissal because of weather or emergency, all after school or evening activities, including those sponsored by the Oregon Recreation Department, are automatically canceled.

Parents need to have a workable plan in case children are sent home early due to weather conditions or other emergencies. The plan should ensure one or more of the following:

- Can you child get into your house if it is locked? Is a key available? Does he/she have a neighbor or friend where he/she can go or call including approval given by the person in advance?

In case of early closing, we will send your child home on his/her regular bus.

To set this up, complete the following steps:

1. Go to the district website: www.oregoncityschools.org
2. Click on Calendar of Events
3. Click on My DynaCal (Listed under Calendar Views on the left)
4. Create a My DynaCal account by entering your e-mail address and a password (anything you want it to be)
5. Add a New Calendar
6. Name Calendar and Check "School Closings and Delays" and click Save
7. Click Yes for Text Alerts if you want a text message (If you prefer an e-mail, simply click Yes for Email Alerts and confirm)
8. Enter your phone number and choose your cell phone provider and click Save

As soon as school is delayed/closed, DynaCal will immediately send you a text message or e-mail.

E. INFORMATION SHARING SYSTEM

The Information Sharing Network is a collaborative effort among the Lucas County Juvenile Court, local law enforcement agencies, and schools to share relevant information related to juvenile offenders. Information about students who are charged and/or arrested through juvenile court is provided to the schools, School Resource Officers, and local police agencies.

The purpose of this information sharing is to inform those individuals who have regular contact with the student about crisis situations the student may be facing in order to provide early intervention and support services. The reports are not placed in the student's cumulative file; rather, they are provided to a specific, designated official at each school and treated in a confidential manner.

All court information that is shared has been deemed public information by the Lucas County Juvenile Court and Administrative Judge James Ray. In his ruling dated January 8, 1993, case No. JC92-16401, pursuant to Ohio

Revised Code 2151.01, 2151.40, and 2151.54, it was “ORDERED that all school districts, police departments, public and private agencies, social service agencies, societies and organizations within Lucas County, Ohio, which have as their objective the protection or aid of children, may release any and all information regarding any minor which is not otherwise confidential under federal or state law, which may prevent delinquency and/or serve the best interest of the youth.”

The bottom line is that schools and law enforcement will be informed when youth are charged or arrested in Lucas County for the purpose of total community involvement in preventing further delinquency. For more information on this program, contact your school office or the Lucas County Community Prevention Partnership at 866-3611.

F. CHILD ABUSE REPORTING

Incidents of actual child abuse must be reported as required by law. Each case is then investigated by the Lucas County Children’s Services Board. Any parent having personal or family difficulties, causing children to be physically or mentally abused or harmed, should request and obtain assistance.

G. BULLYING

Harassment, intimidation, bullying behavior, dating violence and/or hazing by any student or school personnel in the District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. Harassment, intimidation, bullying behavior, dating violence and/or hazing means any intentional written, verbal, graphic or physical acts, including electronically transmitted acts, either overt or covert, by a student or group of students toward other students/school personnel with the intent to haze, harass, intimidate, injure, threaten, ridicule or humiliate. The behavior both (1) causes mental or physical harm to the other student; and (2) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environmental environment for the other student. Such behaviors are prohibited on or immediately adjacent to school grounds; at any school-sponsored activity; in any District publication; through the use of any District-owned or operated communication tools, including but not limited to District e-mail accounts and/or computers; on school-provided transportation or at any official school bus stop.

Harassment, intimidation, bullying behavior, dating violence and/or hazing can include many different behaviors, Examples of conduct that could constitute prohibited behaviors include, but are not limited to:

1. physical violence and/or attacks;
2. threats, taunts and intimidation through words and/or gestures;
3. extortion, damage or stealing of money and/or possessions;
4. exclusion from the peer group or spreading rumors;
5. repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other web-based/online sites (also known as “cyber bullying”), such as the following:
 - a. posting slurs on web sites, social networking sites, blogs or personal online journals;
 - b. sending abusive or threatening e-mails, web site postings or comments and instant messages;
 - c. using camera phones to take embarrassing photographs or videos of students and/or distributing or posting the photos or videos online
 - d. using web sites, social networking sites, blogs or personal online journals, e-mails or instant messages to circulate gossip and rumors to other students.
6. excluding other from an online group by falsely reporting them for inappropriate language to Internet service providers.

In evaluating whether conduct constitutes harassment, intimidation, bullying behavior, dating violence and/or hazing, special attention is paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim and the motivation, either admitted or appropriately inferred.

Complaints

1. Formal Complaints

Students, parents or guardians may file reports regarding suspected harassment, intimidation, bullying and/or hazing. The reports should be written. Such written reports must be reasonable specific including person(s) involved; number of times and places of the alleged conduct; the target of suspected harassment, intimidation, bullying and/or hazing; and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator. They are promptly forwarded to the building principal/designee for review and action.

2. Informal Complaints

Students, parents or guardians and school personnel may make informal complaints of conduct that they consider to be harassment, intimidation, bullying and/or hazing by verbal report to a teacher, school administrator or other school personnel. Such informal complaints must be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, bullying and/or hazing, including person(s) involved, number of times and places of the alleged conduct, the target of the prohibited behavior(s), and the names of any potential student or staff witness. The school staff member or administrator who received the informal complaint promptly documents the complaint in writing, including the above information. This written report by the school staff member and/or administrator is promptly forwarded to the building principal/designee for review and action.

3. Anonymous Complaints

Students who make informal complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The anonymous complaint is reviewed and reasonable action is taken to address the situation, to the extent such action (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation, bullying and/or hazing.

H. SEXUAL HARASSMENT

Students are expected to conduct themselves at all times as to provide an atmosphere free from sexual harassment. Sexual harassment includes among other things: unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature including epithets, derogatory comments, slurs, or suggestive jokes. Violation of this policy may result in removal of students from class, suspension, expulsion and/or referral to law enforcement.

I. CUSTODY

Whenever there is a custody issue, the school will abide by the most current copy of the legal documents in the child's file in the office. It is important that we know who the custodial parent is and what the visitation rights are. Because of this, the office must be provided by the parent with the most current copies of legal documentation.

J. BUILDING SECURITY

The Oregon City Schools uses surveillance cameras in our buildings and on our grounds to promote order, safety and security of students, staff and property.

SECTION VI: CAFETERIA SERVICES & PROCEDURES

A. CAFETERIA SERVICES

Breakfast is served daily in our cafeteria and the cost is \$1.25. If your child receives a free lunch, then he/she is entitled to a free breakfast. If your child receives lunch at a reduced cost, then he/she will receive a reduced price of .30 for breakfast. If your child eats breakfast at school he/she should arrive no earlier than 8:45 A.M.

Students may choose to buy or pack their lunch daily. If your child decides to pack his/her lunch, any type of carbonated drink such as pop is not allowable.

Elementary lunches cost \$2.50. Milk cost .50. The reduced price for a lunch is .40. Breakfasts, lunches, and snacks may be purchased weekly or monthly. This can be done by sending cash or check (made out to Oregon City Schools) in the proper amount at the beginning of each week or month. Students should take this check to the cafeteria before school begins in the morning. Children are issued a scan card for the cafeteria at the beginning of the school year. Should a student deliberately destroy the scan card, there will be a \$5.00 charge to replace it.

The cafeteria sells snacks which can only be purchased after the child has eaten his/her lunch. There are no substitutions for milk unless a doctor's note is on file with the school nurse indicating that the child cannot have milk and must have a substitute.

Parents may use the optional EZ pay system and students will be served a balanced lunch if they forget their money but are still responsible for the payment. Chronic abuse may result in the students having to eat a sack lunch that may include peanut butter or lunch meat. Students with financial hardships are encouraged to apply for Free and Reduced Lunches. A form must be completed for the family and turned in to one of the schools their children attend. The student will receive a letter from the office notifying of the eligibility determination. This program is available through out the school year.

If there is a financial need, a Free and Reduced Lunch Application can be filled out to see if the student is eligible. A form must be completed for the family and turned in to one of the schools their children attend. The student will receive a letter from the office notifying of the eligibility determination.

B. CAFETERIA PROCEDURES

Our Cafeteria serves over 450 students each day. Therefore, organization and good behavior are vital to our operation. Students are encouraged to talk in restaurant voices with neighbors at their table.

1. Seating is assigned by class in the cafeteria.
2. Pop is not permitted.

3. Students should not share their food with anyone.
4. Students are permitted to use the restroom during lunch. They must obtain a pass from a cafeteria monitor before leaving the cafeteria.
5. Students will be dismissed by table to get their lunch and throw their trash away. Students wanting to leave their seat other than the times listed above are to raise their hand.

SECTION VII: EDUCATIONAL SERVICES

A. STUDENT SERVICES

The Oregon City Schools offer many student services. Several specialists are employed to work with our students.

Guidance Counselor: A guidance counselor is available for each elementary building. The purpose of the program is to help each individual student achieve his/her maximum growth mentally, emotionally, and socially.

School Nurse: Our school nurse conducts various screenings throughout the school year. The screenings include vision and hearing. The nurse also maintains immunization records.

Title 1: This program provides instruction to small groups of students who have demonstrated a need for additional skill development in reading and/or math.

The following specialists provide services to those students who qualify and are identified by the school using state requirements:

Specific Learning Disabilities: This program is designed to serve the student who has difficulty achieving success in the regular classroom and requires an adjusted curriculum. The adjusted curriculum is created with the input of the specialist and parents. An Individual Education Plan is then created for each student.

Gifted & Talented: This program provides a one day per week pull out setting. Students qualifying for the program are given the opportunity to work in academic areas that go beyond the typical classroom setting.

Psychologist: Each building is served by a school psychologist. The psychologist evaluates any student who has been referred for possible academic, social, or behavioral difficulties.

Severe Behavior/Emotionally Disturbed: This program is designed to help children better internalize behavioral controls, while at the same time have their educational needs met.

Speech Therapy: Speech-Language Therapy services are provided for students whose speech, expressive language and/or comprehension is affecting their performance in their specific academic curriculum.

English as a Second Language (ESL): This program is for students whose first language or primary home language is something other than English. ESL pullout assistance helps students with speaking, listening, reading or writing skills depending on what their individual needs are.

B. MUSIC

All students in grades kindergarten through four are taught music by certified specialists. All fourth grade students have song flute/recorder lessons and are required to purchase or provide a flute and song book.

C. PHYSICAL EDUCATION

All students are taught physical education by certified specialists. Children must wear tennis shoes in physical education classes. A signed note of explanation from a parent and/or physician must be provided to the physical education instructor in any instance when a child is not to actively participate.

D. LIBRARY SERVICES

Each school has a library open to students supervised by a regular library staff member. Each class has a weekly library period. Children can also use the library during other available time. Normally books are checked out for two weeks. A fine will be charged for overdue books. Lost or damaged books must be paid for.

SECTION VIII: MISCELLANEOUS

A. GUM CHEWING

The chewing of gum in school is not permitted for sanitary and safety reasons.

B. LOST & FOUND

Lost and found items will be placed in a box in the school office until they are claimed. If your child cannot find an item of clothing or other valuables, please have him/her check the lost and found location at that time. Please MARK and LABEL all of your child's belongings.

All lost and found items that are not claimed by the end of the school year will be donated to a charity organization.

C. PARTIES / INVITATIONS

In order to foster a positive, focused learning environment and to insure no hurt feelings, invitations for extracurricular activities/parties are not permitted to be distributed throughout the school day.
