August, 2023

Dear Parents/Guardians and Students.

It is my pleasure to welcome you to our educational family, and to extend the opportunity to join us in the cooperative effort aimed at meeting the needs of our students. Cooperation and teamwork between school and home are essential in meeting the goals of academic achievement and positive social interactions.

We believe that all children can learn. The Jerusalem staff provides a structured environment in which teachers are free to teach and students have the maximum opportunity to learn. Our goal is to reach the highest individual level of academic achievement and social growth for each child.

The purpose of this handbook is to help students and parents become better acquainted with the policies and procedures of Jerusalem Elementary School and Oregon City Schools. We ask that you familiarize yourself with the handbook and should any questions arise, please contact the school office for clarification.

We can all be successful when we work as a team of parents, guardians, students, and staff.

Sincerely,

Jeff Straka, Principal

DROP-OFF / PICK-UP POLICIES

No vehicles will be permitted in the rear of the building during drop-off or pick-up.

Morning Drop-Off Routine:

Please see the following important information involving the morning drop-off routine for students.

- Please drive slowly.
- Please drop off your student(s) at or close to the entrance.
- Please stay in the car drop-off line, until your child(ren) exits the vehicle.
- Do not drive around other vehicles, to move ahead in line, or to exit the lot.
- Please have any and all children in your vehicle exit on the building/driver side of the vehicle.
- Only students eating breakfast at school should enter the building at 8:40am. All other students should remain in their vehicles until 8:45am.
- Do not park in the parking line. It is preferred that students are dropped off at the
 entrance rather than walked into the building. If you need to enter the building for
 an appointment, you must park your vehicle in a parking space.
- Thank you for following these procedures, as we all work together to make the arrival process safe for students, parents, and staff.

Parent Pick-up Expectations (subject to change):

For your student's safety: Students must be picked up at the main entrance in the lobby. Please remember to have the adult that is picking up your child(ren) have one of your assigned "pick-up cards" (these can be signed out in the office). If they do not have a card, they will be asked to check your child(ren) out through the main office and must show an ID and be on the Emergency list (or on the note your student brings in for pick-up). Thank you for your help in keeping our students safe!

SCHOOL-WIDE MANAGEMENT PLAN

The most important ingredients for success are a positive attitude and appropriate school behavior. Above all students are expected to be **RESPECTFUL**, **RESPONSIBLE**, **and READY** in their everyday actions. Students at Jerusalem Elementary are to behave with respect for themselves, respect for others, and respect for their surroundings. Every student deserves a quality educational experience and no student has the right to prevent a teacher from teaching or students from learning. Students are expected to behave at all times in a manner that will bring credit to themselves, their school, family and community. It is important for students to recognize that they are responsible for their behavior on the way to and from school, during school hours, on the bus, and at all school events.

PBIS

Jerusalem Elementary has adopted a school wide discipline system called PBIS (Positive Behavior Interventions and Supports). "PBIS is a way for schools to encourage good behavior. With PBIS, kids learn about behavior, just as they learn other subjects like math or science. The key to PBIS is prevention, not punishment." PBIS is a proactive approach when dealing with student discipline. It focuses on building a positive climate through consistency and communication. The goal of PBIS is to limit classroom disruptions, and increase classroom instruction.

MATRIX (Jerusalem Elementary Flight Plan)

The PBIS "Matrix" is a set of school-wide guidelines detailing expected behaviors in all common areas of the building. The "Matrix" outlines the behaviors and expectations needed for all students to be **RESPECTFUL**, **RESPONSIBLE**, and **READY**. The "Matrix" also includes the Voice Level expected in all of the common areas of the building. A "Voice Meter" which is located throughout the building details the Voice Level expected by all of the students.

Minor/Major Offense Chart

Student consequences are determined using an "Offense Chart". This chart categorizes behaviors into two types (Major and Minor). The classroom teacher typically handles minor offenses, and the Principal or his/her designee will typically handle major offenses. Consequences are detailed in the "Offense Chart".

POSITIVE SUPPORTS FOR STUDENT SUCCESS

Recognizing students' positive traits and achievements stimulates them to succeed. To that end the following awards/recognitions are given on a monthly, quarterly, or annual basis.

Fuel/Dojo Points: Students may receive "Fuel/Dojo Points" for going above and beyond the expected behavior. These points can be redeemed at the "Jet Shop" for rewards occasionally throughout the school year.

Citizenship Awards: Students may be eligible to receive additional recognition throughout the year for being Respectful, Responsible, and Ready.

JERUSALEM PARENTS GROUP

The Jerusalem Parents' Group exists for the purpose of promoting the welfare of children attending Jerusalem School. The members sponsor educational opportunities and family activities for the Jerusalem community. The group also provides equipment and support for the staff. All Jerusalem parents and guardians are urged to attend the group's meetings and become active participants.

2022-2023 JERUSALEM PARENTS GROUP OFFICERS:
