Attached to this letter you should find:

- A 6th grade supply list

Please note that 6th grade offers an excellent opportunity for your student. Sixth graders attend Camp Michindoh for a week which is a highlight for the majority of our students. The cost will be roughly \$220. We ask that you plan on sending your child as many excellent memories are made and much growth occurs. Please save throughout the summer for this awesome opportunity for your students. Payment will be due early in October. There will be a parent meeting on September 1st from 6:00—7:00 in the auditorium to discuss additional camp details.

We ask that you check our website often as additional information will be posted. You can access the Eisenhower website through the district website – www.oregoncityschools.org. Supply lists can be found on the district website under Family Resources → District Resources → Handbooks and Supply Lists.

Your student will not need to purchase locks for the 2021—2022 school year as we do not anticipate using them on lockers or in the locker room. More information will be forthcoming on those procedures.

If you have any questions, our summer hours will be 7:00 -- 2:00 and you can reach us at 419-836-8498.

FREQUENTLY ASKED QUESTIONS

- **How are Cabin Leaders selected?** The cabin leaders are selected by a school representative and all screening is done by the school.
- **How are cabins assigned?** Cabins are assigned by the teachers and they typically make sure that your child is with at least one of their friends.
- **Do girls and boys stay in the same area?** No. The cabins are spaced out with a small grass area between them and we try our best to make sure that space is always respected.
- **Is there security that patrols the area at night?** There are 10 resident families that live in different areas of the camp. If someone comes onto the grounds who is not recognized by any of those families, the men go and check out who they are and take appropriate action. The Outdoor Education School staff also live on the grounds and help maintain security on the grounds.
- **What kind of down time do the campers have?** We fill their day and allow for very little down time. After supper is the only time that the campers have some time just to hang out in their cabins or play a game as a small group. The general rule is that if the camper is not with an adult, they are in the wrong place.
- **What types of meals are served?** Our meals are served with 6th graders in mind. The teachers have been given a list of example meals served which they can share with you. There is cereal at every breakfast and a fruit and salad bar at lunch and dinner.
- **What if my child does not like what is being served or is a vegetarian?** If your child does not like what we are eating we will find something for them such as peanut butter and jelly. If your child is a vegetarian, please make sure that the teachers let us know and we will be sure to have vegetarian options for them.
- **What is the best way to label their belongings?** The best thing to do is to write on the tag of clothing with a permanent marker. For other items such as a camera or flashlight, please write your child's name with a permanent marker on an area that is visible. If they pack their sleeping bag/blankets in a plastic garbage bag, make sure that it is clearly labeled and/or decorated so they can locate it easily. Pack an extra garbage bag for them to put their sleeping bag/blankets into for the trip home since the first one usually gets torn on the first day.
- **What does a typical day look like?** The campers wake up around 6:30 a.m. and get ready for the day. They also have to clean their cabins before flag raising at 7:30 a.m. They eat breakfast and then go to two classes before lunch. After lunch at 11:45 a.m. they go to two more classes. After the second class in the afternoon, the campers have afternoon activity time where they pick from a variety of activities lead by the staff. Dinner is served at 5:15 p.m. followed by an evening program. Evening programs may include a campfire, relay races, night hikes, skit night, and a square dance. They go back to the cabins at 9:00 p.m. to get ready for bed and lights out is at 10:00 p.m. The Michindoh staff roam the cabin area around that time to make sure that everything is dark and quiet for the night.
- **What types of classes will they be going to?** The classes are not typical school classes. Teachers pick the classes from a variety of science-based and team-building class options. Some of the most commonly picked classes are reptiles and amphibians, aquatic life, Journey through Time (a team building class), ecosystems, outdoor living skills, wild mammals, and birds.
- **When will my child go to camp?** November 29th – December 3rd
- **What is the cost?** \$215 by the turn-in date and \$235 by late date

If you have any further questions, please ask your child's teacher or your school principal. If they do not know the answer they can contact us at Michindoh, or you may contact us at (517) 523-3616 ext 240. We are looking forward to having your child spend a week with us at camp!
