The Play That Goes Wrong

This weekend, the Clay High School Limelighters present the hilarious comedy *The Play That Goes Wrong High School Edition* on January 26 and 27, at 7:30 pm and January 28, at 3:00 pm.

This 1920s whodunit tells the story of the opening night of the Cornley Drama Society's newest production, *The Murder at Haversham Manor*, where things are quickly going from bad to utterly disastrous. This play-within-a-play includes everything you never wanted in a show – an unconscious leading lady, a corpse that can't play dead, and actors that trip over everything (including their lines). Part Monty Python, part Sherlock Holmes, this Olivier Award-winning comedy takes the old saying "the show must go on" to a whole new level that will surely leave audiences aching with laughter.

All seating is reserved and may be purchased at www.claylimelighters.org. Ticket prices are \$12 for Adults and \$10 for Seniors and Students. Concessions will be available at all performances. *The Play That Goes Wrong* is presented by special arrangement with Broadway Licensing, LLC.
