Way to go....4th Grade Sewing Club & Mrs. Kujawa!

The 4th grade sewing club lead by Mrs. Kujawa made hand sewn pillows for the Landings and donated them last week. A special thank you goes out to Denise Schaefer for her assistance with the club and the Oregon Schools Foundation for supplying sewing machines and materials to complete such a great project!

OCS STEM Academy – Coy Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn basic block programming, going beyond just building things with Lego bricks.

Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all sessions.

We are now registering students for our spring session. Space is limited to 20 fourth grade students. The fun begins immediately after school from 3:30 - 5:00 p.m., and a snack and drink will be provided. The specific dates for this session are:

Monday, March 18
Monday, March 25
Monday, April 1 - no meeting
Tuesday, April 9
Monday, April 15
Monday, April 22
Monday, April 29
Monday, May 6

If your child is interested in learning about science and programming Lego models, please complete the online registration at <https://bit.ly/OCSSTEM4> no later than **Friday, March 8**. You can also access the registration form by scanning the QR code on the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation!

Thank you,

Mrs. Julie Kujawa
