MACKEY/SCHELL PHOTOGRAPHY PRINTED IN THE USA

MACKEY/SCHELL PHOTOGRAPHY PRINTED IN THE USA NEW 2013 edition

I've enjoyed talking to our students the past couple of weeks about coping skills and problem solving. Check with your student(s) to see what they learned this month from my lessons and maybe even practice with them. It would also set a good example if you are able to share with your student what coping

skills you use as an adult!

For parent pick-up, please remember to bring your green paper everyday. There are some days where I have meetings at the end of the day or have doctors appointments to run to and have to have a sub step in for me. When I am out, the process will flow so much quicker and easier if everyone has that green sheet. Please let me know at parent pick-up or call Kori in the office if you need a replacement or one made for another person who picks your child up. Thanks for understanding and being patient with us at the end of the day!
