March 2024

Throughout the next few months, we will begin the process of planning for next year. This includes assessing our master schedule, the effectiveness of our curricular programs, establishing our staffing needs, and, of course, creating class lists for the 2024-2025 school year.

This process of creating class lists requires time and careful consideration. Initially, your child's teacher will review his/her current class list. During this stage, your child's teacher will indicate the academic and behavioral needs of individual students. This information along with the overall composition of the class is considered in order to make the best possible classroom assignment for each student.

If you feel that a particular learning situation may be more appropriate for your child, you are asked to provide a description of the suggested classroom setting to the building principal so that it can be taken into consideration. Specific teacher requests will not be honored. **Parent letters with specific information that may help place a child in the most appropriate setting need to be submitted to the building principal by the end of April.**

Class balance is extremely important for the success of all our students. Rosters are composed with consideration to each individual's learning style, peer relationships, gender ratio, disciplinary concerns, and the academic needs of all our students. We appreciate you placing trust in the professionals who work with your children on a daily basis in the learning environment.

Sincerely,

Hal D. Gregory
Superintendent

3rd & 4th Grade Ohio State Testing Coming Soon!

Be aware of 3rd & 4th Grade Upcoming Ohio State Testing Coming Soon!

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will

have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

Music Opportunity!

Dear 2nd, 3rd and 4th Grade families,

2nd, 3rd, and 4th grade students have an exciting musical opportunity starting soon! During recess twice a week, interested students will be able to participate in a music ensemble.

4th Grade will meet during recess (12:35-1) on Mondays and Wednesdays

3rd Grade will meet during recess (12:30-12:55) on Tuesdays and Thursdays

2nd Grade and Miss Shannons's students will meet during recess (11:55-12:20) on Wednesdays and Fridays

Due to the amount of instruments and noise created by said instruments, I can only offer this for 15 4th graders, 20 3rd graders, and 10 2nd graders. Both groups will run from April 9th through May 20th. In order to participate, both the student and an adult will need to sign a contract and return it to Miss Allgeier or fill out the online form using the link or QR code by March 25th. If there are more students than numbers allow there will be a random lottery. We will be performing at the Ram Way Assembly on May 21st and the performance will be livestreamed.

If you have any questions, as always, feel free to email me at allgeier@oregoncs.org.

Best,

Miss Allgeier

Happy Friday!!

Your students have been learning more about coping skills this week along with how their body might feel during different types of strong emotions. They've also been learning different feeling words like frustrated, nervous, discouraged, among others. We talked about how it's important to use words other than mad or sad to describe how we are feeling to others so that they can be better in helping us through our emotions. I have many different Coping Skills sheets with different ideas of how to calm down by using different coping skills. If you're interested in using this at home, please reach out and I will send a copy of it home with your student.

On another note, I have started an informal "Shoe Tying Club" amongst our Kindergarten students. After realizing many shoes nowadays are velcro or slip-on, many of our students aren't practicing the skill of shoe tying. Shoe tying is very good for their fine motor skills as well as problem solving skills. Students have been encouraged by myself and their teachers to practice on their adult or sibling(s) shoes at home and some of our classrooms have fake shoes they can practice on while at school. I have a little certificate, a sucker, and a pencil if they show me they can tie their shoes. I have also hung a piece of paper outside the three Kindergarten classrooms where I display their name as they join the club. It has been interesting to see some of our older students see this piece of paper hung up and talk about how they don't know how to tie their shoes either! Kindergarten students will have until the end of the school year to join this fun, informal club I've created :D

Thanks for reading and have a great weekend!

Mrs. Wilson

We have recently had an increased complaint of upset stomachs. Please review the school district handbook on protocols, page 20.

Students are to stay home with a fever of 100.4 or greater. They may return to school after being fever free for 24 hours without the aid of medicine.

Vomiting and diarrhea: excluded from school 24 hours after last occurrence.

Friendly reminder, any medicine given at school needs to have proper paperwork completed.

Have a wonderful weekend!

The flyer is a colorful graphic with a lightbulb containing a brain at the top left. The background is a gradient of green, yellow, and pink. The text is arranged in a central, rounded rectangular shape. At the top, it says 'OREGON CITY SCHOOLS' in bold black letters. Below that, it says 'IN PARTNERSHIP WITH THE EASTERN YMCA HEALTHY KIDS DAY!' in smaller black letters. Then, 'IS HOSTING' in a smaller font, followed by 'PROJECT: WELLNESS 2.0' in large, bold, white letters. Below this, it says 'All K-4 OCS students and families are welcome!' in white. A larger white text block says 'A time for students and families to enrich their mind, body and soul with activities and resources!'. The date and time are 'Tuesday April 30th 5:30 - 7:30 PM' in bold red and black. The location is 'at the YMCA 2960 Pickle Road Oregon, Ohio' in black. To the right, a list of activities is shown in red: 'BOUNCE HOUSE', 'BEHAVIOR TIPS', 'COUNSELING', 'GAMES & CRAFTS', 'MINDFULNESS', and 'PRIZES'. Below the list, it says 'AND SO MUCH MORE!' in black. At the bottom, it says 'Contact info: wwasserman@oregoncs.org' in black. A smaller lightbulb with a brain is at the bottom right.
