*READ-A-THON PACKETS AND MONEY DUE OCTOBER 14TH!

THIRD GRADE OST FAST APPROACHING!

Third grade students will be taking the online Ohio State Reading Test on October 25-26. Please plan ahead and avoid scheduling appointments or time away from school on these days. Each testing session will be 90 minutes. You will want to make sure that your third grade student is well rested, well fed and prompt to school on October 25th and 26th in order to perform their best on the test. Should your child be late on either testing day, he/she will have to wait in the office until after the testing session is complete and take a make-up test at a later time. You may want to check out the 3rd grade sample test questions through the following ODE link- https://education.ohio.gov/Topics/Testing/Ohios-State-Test-in-ELA-Math-Science-SocialStudies/Sample-test-items-and-practice-tests. Each third grader must

pass the Ohio State Reading Test in order to be promoted to fourth grade. Students will take the test again in April. Please encourage your child to do his/her best on the test!

Attention Parents or Guardians of 4th Grade Students

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn basic block programming, going beyond just building things with Lego bricks.

Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all sessions.

We are now registering students for our fall session. Space is limited to 20 fourth grade students. The fun begins immediately after school from 3:30 - 5:00 p.m., and a snack and drink will be provided. The specific dates for this session vary per building. See the flyer that recently came home with your child.

If your child is interested in programming Lego models, please complete the online registration at https://bit.ly/OCSSTEMFALL2022 **no later than Friday, OCTOBER 14**. You can also access the registration form by scanning the QR code to the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation!

Happy Fall Everyone,

Just some friendly reminders as we begin to move into colder weather.

Please make sure to dress your students appropriately for the weather changes. Sending extra layers like fall jackets and sweatshirts for them to add or remove throughout the day especially for when they go out for recess or for other outdoor activities.

As flu season approaches, students that vomit or run a fever 100.4 or greater should remain home until they are fever free without the aid of medication and have not vomited 2 times or more in the last 24 hours.

Additionally COVID guidelines have changed since last year, please make sure that you are reaching out to school with any and all questions regarding any positive COVID testing or

symptoms. This will help ensure that your student is given the appropriate exclusion dates and when the student can return to school following the exclusion period.

Please feel free to contact me via email at asagrero@oregoncs.org or by phone 419-693-0624 regarding your student or any questions or concerns you may have.
