OCS STEM Academy – Coy Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn basic block programming, going beyond just building things with Lego bricks.

Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all sessions.

We are now registering students for our winter session. Space is limited to 20 fourth grade students. The fun begins immediately after school from 3:30 - 5:00 p.m., and a snack and drink will be provided. The specific dates for this session are:

Monday, January 8

No meeting on January 15

Monday, January 22

Monday, January 29

Monday, February 5

Monday, February 12

No meeting on February 19

If your child is interested in learning about science and programming Lego models, please complete the online registration at <https://bit.ly/OCSSTEM4> no later than **Friday, January 5**. You can also access the registration form by scanning the QR code on the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation!

PGA Kazooby Fundrasier Dec 1-Jan 10 - (similar concept to Entertainment Books)

Coy Families,

Thank you so much for your support with the Coy Read-A-Thon. We brought in around \$6,000 which is great, however, it is less than last year and less than what we were hoping for this year. The Coy PGA added back in a second field trip for the students this year in hopes of a successful single fundraiser. We however need to cover that field trip and other exciting things for the students this year. So, with that said we are going to try a new fundraiser to our area!

Coy students will be asked to participate in selling the **KaZooby Coupon App**, very similar to the Entertainment Books, just in an app form. We only have a sales window of **December 1st - January 10th**. Currently, the app has local deals for restaurants, retail and entertainment! They are expanding and adding more locations daily!

These apps are sold for \$25 and the Coy PGA will receive \$12.50 from each one sold and YOU could save hundreds of dollars over the next year!

If interested in participating, reviewing or purchasing, you can sign your student(s) up (with the child's name as the seller) through the QR code below.

Once your student account is created, click "Share your link" and this will copy a link (connected to your child) which you can send to family/friends. When they purchase through that link, your student will receive credit.

If you would like to purchase multiples and gift them (Perfect Christmas gift for family members!) you can do so! You will purchase the amount you would like and receive an email within 24 hours to provide the phone number(s) that you would like linked to that account.

This is a great opportunity for Coy as a whole as this is an untapped market for these!

- If a student sells 10 of the apps, they will receive an extra tab on their app with additional freebies and perks just for the student!
- If the school as a whole sells 350 apps, a pizza party will be provided for the entire school!

You will have access to the app for one year from the date of your purchase.

Please let us know if you have or know of any businesses that would be interested in adding a coupon into the app! We are hoping to continue to grow the opportunities and they are continuing to add local businesses daily!

If you have any questions, please do not hesitate to reach out to:
Rick from Kazooby at (419) 708-7834 or rick@kazooby.com
and he will get back to you with an answer as quickly as possible!

The Coy PGA truly appreciates your help and participation in this fundraiser!

Thank you,
Coy PGA
