CONGRATULATIONS FEBRUARY LIBRARY SUPER SLEUTH!

Congratulations to Jacob Stine, Library Super Sleuth for the month of February! Fourth graders have the opportunity to check out the new Super Sleuth question and word of the
week each Monday in the reference section of the library. Answering the questions correctly qualifies them to be the Library Super Sleuth of the month. Keep up the great work fourth grade!

ASK YOUR K-2 GRADE STUDENT ABOUT JA FOR A DAY!
BE AWARE OF UPCOMING TESTING DATES

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

Upcoming Testing Dates:
March
7 2nd Grade OLSAT Testing
Dear Parent(s),

In the near future, your child will be taking nationally normed, standardized tests to determine cognitive and achievement scores. The scores will be compared to students of the same age in the nation not just in Ohio which will be very beneficial. These tests are part of the State of Ohio’s rules and regulations and the information from these tests will help to guide the Oregon City School system in your child’s educational programming.

- The MAP (Measure of Academic Progress) test is used to measure what students know and informs what they’re ready to learn next. This will be given at the 2nd grade level.

- The OLSAT (Otis-Lennon School Ability Test) is used to determine the student’s cognitive ability (aptitude to learn) and will be given to 2nd, 3rd and 6th graders.

- The STANFORD (Stanford Achievement Test) is used to determine how the student is doing (#tile ranking) on typical grade level material in reading, math, science and social studies. This test will be given to 4th and 6th graders.

It is very important that your child do his or her best on these assessments so that all educational program opportunities will be offered depending on your child’s scores. Be sure your child eats a good breakfast and gets a good night's sleep.

If you have any questions, please feel free to contact me at the phone and/or email above.

Thank you!

Tamara Hughes
District Testing Coordinator

Note: The Oregon City School District adheres to Title VI, Title IX, ADA, and Section 504; thus, does not discriminate in educational programs and employment practices on the basis of race, color, national origin, age, sex or handicap.
