OCS STEM ACADEMY INFO. - 4TH GRADE

OCS STEM Academy – Coy Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn some basic programming in this session, going beyond just building with the Lego bricks. **Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all seven sessions.**

We are now registering students for our winter session. Students can apply to participate in this session even if they participated in the fall session. First priority will be given to students who have not participated yet this year. The winter session will be limited to 24 fourth grade students and begins on Wednesday, January 23. The session will be held immediately after school from 3:30 - 5:00 p.m. The specific dates for this session are:

Wednesday, January 23
Wednesday, January 30
Wednesday, February 6
Wednesday, February 13
Wednesday, February 20
Wednesday, February 27
Wednesday, March 6

Check out highlights from our fall session at https://tinyurl.com/yd637s44! If your child is interested in programming Lego models, please complete the online registration at https://tinyurl.com/STEM4S2 no later than **Wednesday, January 16**. You can also access the registration form by scanning the QR to the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation! We will not be needing any parent volunteers for this session.

Thank you,

Mr. Luke Soltesz
Coy Advisor
