Coy Weekly Update
3/25/19 - 3/29/19

*NO SCHOOL FRI., MARCH 29 - PARENT/TEACHER CONFERENCES

PARENT/TEACHER CONFERENCES

Parent/teacher conferences are scheduled for next Friday, March 29th from 8:10-3:30. There will be no school for students that day. If you want a conference with your child's teacher and it is not already scheduled, please contact your child's teacher immediately.

KINDNESS ROCK PROJECT

In honor of long-time, former Coy tutor Mr. Smith, we declared this week as our "Kindness Week." As we celebrated throughout the week, Mrs. Shaheen, our school librarian, shared the book Only One You with the students. In addition, students painted two rocks with kind, positive messages on them. One of the rocks will be placed in Mr. Smith's rock garden, out front of the school. The other rock was sent home with your child this week. The expectation is that your child will place the rock somewhere in the community to bring a smile to someone's face and spread kindness!
COY 2ND GRADE LEARNS TO SWIM!

Coy second graders have been chosen to be part of a new “Learn to Swim” program at the Eastern Community Branch YMCA. The program was created in partnership between the Oregon City Schools and the Eastern Community YMCA with financial assistance from the Oregon Schools Foundation. There is no cost to families for this program. During this program, all students are transported to the YMCA during the school day for three swim lessons. The YMCA provides 3 instructors during the swim classes to teach swimming and to ensure the safety of all students. Each second grade class visits the YMCA independent of the other classes. Swim dates are scheduled below:

Mrs. Coy – March 20, 27 & April 3
Mrs. Collins – April 10, 17 & 24
Mrs. McGrady – May 1, 8 & 15

A special thank you goes out to the Eastern YMCA and the Oregon Schools Foundation for this great opportunity!

ACCELERATED READER 3RD QUARTER REWARD FUN!
MESSAGE FROM THE PRINCIPAL....

The discussion has come up about students wearing smart watches to school that allow talking, texting and internet access. According to our OCS Elementary District Handbook, "cell phones and other electronic devices MUST NOT be in the possession of students during the school day." The complete policy is outlined below. Smart watches fall under the guideline of an "electronic device." Please make sure that your child does not wear a smart watch to school. Should your child wear a device as such, he/she will be asked to remove it and place it turned off in their book bag. Note that the school/district assumes no liability for electronic devices that are brought to school if they are broken, lost or stolen. Thank you for your cooperation in abiding by our district policy.

Elementary District Handbook Electronic Device Policy

ELECTRONICS

Cellular phones and other electronic devices (including, but not limited to: iPods and handheld video games, etc.) can be disruptive to the educational process in many ways including, but not limited to: communicating during instruction via text or call, cheating, sexting, eliciting panic, making plans in conflict with established school rules, taking or disseminating or sharing obscene or inappropriate images, etc. For these reasons cell phones and other electronic devices MUST NOT be in the possession of students during the school day. When students enter the building, all electronic devices must be placed in the off position and kept in the student’s book bag for the entire school day through the dismissal bell. Students are to go to the office to make phone calls home. Parents are encouraged to call the school office when needed. The school office staff is excellent at relaying messages from parents to students. Emergency phone calls can always be made in the main office during school hours; therefore cellular phones are not needed during school hours. The principal reserves the right to confiscate any items that are being used or are making noise that are determined to interfere with the learning process.

First Offense

* The student will be given a warning and asked to put the electronic device in their book bag.

Second Offense

* The electronic device will be confiscated and the parent will be called by the principal or designee. It will be required that...
Third Offense

* Consequences will be issued according to the school’s discipline policy.

Teachers may use electronic devices (iPods, iPads, e-readers, cell phones) for educational purposes within their classrooms. The students will be told when it is acceptable to use such devices in the classroom. If a student is found to misuse this policy, they will no longer be permitted to use the device for educational purposes.

Please note that the District assumes no liability for electronic devices that are brought to school if they are broken, lost or stolen. Administrative time will not be used to search for or investigate events surrounding lost or stolen items.

FROM THE SUPERINTENDENT...
March, 2019

Throughout the next few months, we will begin the process of planning for next year. This includes assessing our master schedule, the effectiveness of our curricular programs, establishing our staffing needs, and, of course, creating class lists for 2019-2020 school year.

This process of creating class lists requires time and careful consideration. Initially, your child’s teacher will review his/her current class list. During this stage, your child’s teacher will indicate the academic and behavioral needs of individual students. This information along with the overall composition of the class is considered in order to make the best possible classroom assignment for each student.

If you feel that a particular learning situation may be more appropriate for your child, you are asked to provide a description of the suggested classroom setting to the building principal so that it can be taken into consideration. Specific teacher requests will not be honored. Parent letters with specific information that may help place a child in the most appropriate setting need to be submitted to the building principal by the end of April.

Class balance is extremely important for the success of all our students. Rosters are composed with consideration to each individual’s learning style, peer relationships, gender ratio, disciplinary concerns, and the academic needs of all our students. We appreciate you placing trust in the professionals who work with your children on a daily basis in the learning environment.

Sincerely,

Hal D. Gregory
Superintendent
UPCOMING TESTING DATES

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

Upcoming Testing Dates:
April
3-4 4th Grade OST - ELA Testing
10-11 3rd Grade OST - ELA Testing
24-25 4th Grade OST - Math Test
May
1-2 3rd Grade OST - Math Test

LOST & FOUND
The lost and found is full! Please look during parent/teacher conferences to find your child's lost belongings.

4TH GRADE STEM BACK IN ACTION...
OCS STEM Academy – Coy Grade 4

Oregon City Schools STEM (Science, Technology, Engineering, and Math) Academy is offering an opportunity for fourth grade students to participate in after-school STEM activities. Lego Education WeDo 2.0 kits and activities will be used during this session, with students collaborating to complete various projects. Students will learn some basic programming in this session, going beyond just building with the Lego bricks. Requirements for this program include the ability to work well with others, the desire to learn basic programming skills, and the availability to come to all or nearly all seven sessions.

We are now registering students for our spring session. Students can apply to participate in this session even if they participated in the fall and/or winter session. First priority will be given to students who have not participated yet this year. The spring session will be limited to 24 fourth grade students and begins on Wednesday, March 27. The session will be held immediately after school from 3:30 - 5:00 p.m. The specific dates for this session are:

Wednesday, March 27
Wednesday, April 3
Wednesday, April 10
Wednesday, April 17
Wednesday, April 24
Wednesday, May 1
Wednesday, May 8

Check out highlights from our fall session at https://tinyurl.com/yd637x44! If your child is interested in programming Lego models, please complete the online registration at https://tinyurl.com/STEM452 no later than Wednesday, March 30. You can also access the registration form by scanning the QR to the right.

The OCS STEM Academy is an after-school activity; therefore, parents must provide students with reliable, ON-TIME transportation! We will not be needing any parent volunteers for this session.

Thank you,

Mr. Luke Soltesz
Coy Advisor
Dear Parent/Guardian:

Our school/organization is partnering with the American Red Cross to host a blood drive through the Pint-Size Hero program. This program will introduce students to the components of blood and the importance of blood donation. Your student will have the opportunity to show leadership and help save lives by recruiting blood donors for our upcoming blood drive. You can support your student, our school and help save lives by donating blood, recruiting other donors or volunteering at the blood drive.

Each student who recruits one presenting donor will receive an American Red Cross medal!

Date:       Monday, April 8, 2019
Location:   Coy Elementary School Gymnasium
Hours:      3:30 PM - 8:30 PM

Two easy ways to schedule your appointment!

1. Visit redcrossblood.org and use sponsor code: COYPINT
2. Make your appointment on the American Red Cross Blood Donor App. Visit the App Store® or Google Play™ store, or text BLOODAPP to 90999.

Sign up to volunteer your time at the blood drive
If you would like to volunteer your time at the blood drive reception or refreshment area, please return this portion of the letter to school.

Principal’s Report
1) Random Acts of Kindness Week kicked off this week. Activities are taking place to honor Mr. Smith.
   - Children painted two kindness rocks - one for the memorial and one to place somewhere in the community.
   - Mrs. Shaheen read the classes a book about kindness during library.
   - The memorial will be placed somewhere in the front of the school. (Location to be determined).
2) Testing begins at the beginning of the April for the 3rd and 4th grade. 3) Staff appreciation week is approaching fast.

Old Business
1. Carnival
   - Seemed very well attended
   - Prizes were well received
   - Need more volunteers in the future.
2. $5 Book Sale - 449 books sold! The library will receive $561.82 of FREE books!
3. PGA Bylaw Revision Vote - Will be placed on the district website
   - Ryan Ramsey made a motion, Keith Mullens seconded the motion. Motion passed
4. Spring Fundraiser - We are going to rethink the Spring Fundraiser next year. The “stuff” being sold is too similar to what is sold in the fall.

New Business
THE ENERGIZED GUYS PROGRAM
