First Grade Tree Seedling Distribution

Earth Day this year is Monday, April 22nd. Over the past 30 years, our first graders have taken home tree seedlings to plant in honor of Earth Day. We are fortunate to work with community volunteer, Colleen Barron, who distributed the seedlings to our first graders today. Seedlings are provided graciously by the Toledo Lucas County Soil and Water Conservation District. Happy (early) Earth Day!
UPCOMING TESTING DATES

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

Upcoming Testing Dates:

24-25 4th Grade OST - Math Test

IMPORTANT VIP DAY INFORMATION!

Our 65th VIP Day (formerly Dad's Day), Friday, May 17th, is fast approaching. Please review the specifics below so that you understand how the day will flow.

**VIP Day Quick Facts:**
- Dad's Day was converted to VIP Day to ensure all student involvement as everyone has a very important person in their life. A variety of field events and carnival type activities have been included in our day to make it fun for all.
- We will have a bus shuttle from the Wal-Mart parking lot to Coy. It will begin running at 8:45.
- VIPs will arrive 15 minutes before their child's scheduled start time. If you arrive earlier than the scheduled start time, we ask that you wait in our gym until released. Once released, VIPs will go to their child's classroom for the instructions for the day and to get lunch tickets. The Toledo Refining Company is sponsoring our VIP lunches again this year. Students are expected to pay for or pack their lunch for the day.
- The day has been shortened so that parents that have more than one child could be part of multiple grade level activities. Designated grade level times are as follows:

Attention Parents of 4th - 7th Grade Students:

Does your child like to build, solve problems, and create solutions? Would your child like to be a member of a team that learns about science, technology, engineering and math? If you answered YES, they may be interested in becoming a member of the OCS STEM Academy.

Members of the OCS STEM Academy will work in teams to create robots built from Legos that will be programmed to perform specific tasks to accomplish a goal. No prior programming experience is necessary. In December, our combined Ike/Fassett teams will compete with other area teams. Last year we were able to send five teams to a regional competition at Toledo Tech Academy, three of which advanced to the district competition in Sylvania. It's a great experience for our students, and we are very happy to be able to offer this opportunity to your child.

Information is available from your child’s teacher (elementaries) or the school office (Ike and Fassett) starting Friday, April 12 or can be found online at http://tinyurl.com/welovebots. Registration are due no later than Friday, May 3.
