UPCOMING TESTING DATES

Please make sure to read over the upcoming testing dates carefully. You will want to avoid scheduling any time off for appointments from school during testing days as your child will have to make-up any testing missed. It is much better for your child to be tested in their normal, everyday environment instead of a make-up situation. We appreciate your cooperation with our required testing protocols.

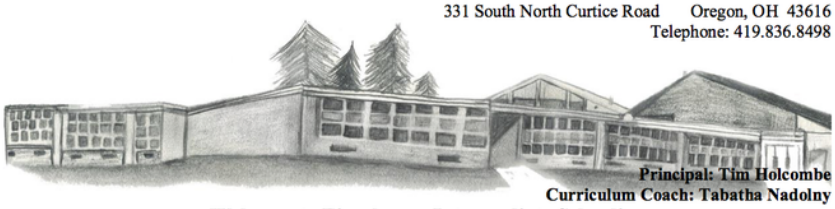
Upcoming Testing Dates:
April
24-25 4th Grade OST - Math Test
May
1-2 3rd Grade OST - Math Test

ATTENTION 3RD GRADE PARENTS!

Calling all third grade parents...we are looking for volunteers to help set-up the Fourth Grade Farewell Dance on April 25th at 3:45. This is not a huge time commitment especially if we have plenty of help. If interested in helping, please contact the office at 419-693-0624 and we will add you to our volunteer list.

TAKE NOTE 4TH GRADE PARENTS...

EISENHOWER INTERMEDIATE SCHOOL
331 South North Curtice Road Oregon, OH 43616
Telephone: 419.836.8498



Principal: Tim Holcombe
Curriculum Coach: Tabatha Nadolny

Welcome to Eisenhower Intermediate School!

Dear Parents/Guardians of Incoming Eisenhower 5th Graders:

It is with great excitement that we welcome you to Eisenhower Intermediate School! Over the past six school years, we have worked to develop a brand new Intermediate School with new procedures, policies and traditions. In addition, our staff has worked to create a welcoming, nurturing yet challenging and positive environment.

We are now looking forward to including your child and your family in the Eisenhower experience. This process will begin on May 6th when 4th grade students throughout the district will come to Eisenhower for a visit. A presentation will be held from 10:00—11:00 in the auditorium. Students will be bussed from their elementary schools to Eisenhower. The visits will include information for students concerning what they can look forward to as an EIS student. Mr. Ralph, our guidance counselor, and Mr. Holcombe will speak and students will be given a tour of the building.

We are also looking forward to sharing information with parents as we prepare to work together in transitioning your students from elementary education to secondary education. We will hold a parent meeting for parents of incoming 5th graders on Monday, May 6th from 6:00—7:00 in the Eisenhower auditorium. We value this time to share our vision of the intermediate school experience and answer as many questions as possible through our presentation. We hope to see you there!

IMPORTANT VIP DAY INFORMATION!

Our 65th VIP Day (formerly Dad's Day), Friday, May 17th, is fast approaching. Please review the specifics below so that you understand how the day will flow.

VIP Day Quick Facts:

-Dad's Day was converted to VIP Day to ensure all student involvement as everyone has a very important person in their life. A variety of field events and carnival type activities have been included in our day to make it fun for all.

-We will have a bus shuttle from the Wal-Mart parking lot to Coy. It will begin running at 8:45.

-VIPs will arrive 15 minutes before their child's scheduled start time. If you arrive earlier than the scheduled start time, we ask that you wait in our gym until released. Once released, VIPs will go to their child's classroom for the instructions for the day and to get lunch tickets. The Toledo Refining Company is sponsoring our VIP lunches again this year. Students are expected to pay for or pack their lunch for the day.

ATTENTION 4TH GRADE PARENTS....

Attention Parents of 4th - 7th Grade Students:

Does your child like to build, solve problems, and create solutions? Would your child like to be a member of a team that learns about science, technology, engineering and math? If you answered YES, they may be interested in becoming a member of the OCS STEM Academy.

Members of the OCS STEM Academy will work in teams to create robots built from Legos that will be programmed to perform specific tasks to accomplish a goal. No prior programming experience is necessary. In December, our combined Ike/Fassett teams will compete with other area teams. Last year we were able to send five teams to a regional competition at Toledo Tech Academy, three of which advanced to the district competition in Sylvania. It's a great experience for our students, and we are very happy to be able to offer this opportunity to your child.

Information is available from your child's teacher (elementaries) or the school office (Ike and Fassett) starting Friday, April 12 or can be found online at http://tinyurl.com/welovebots. Registration are due no later than Friday, May 3.
