TOLEDO ZOO VISITS COY!

All students throughout Coy were fortunate to get a visit from the Toledo Zoo today. Zoo visitors discussed the progress of our urban prairie to the front, right side of our building. Students were very excited to learn and explore it!
Calling All Super Families!

Next week, October 7th-11th, we will be celebrating the Right to Read at Coy Elementary School!

Throughout the week students will have many opportunities to help ignite the superpower of Reading! Students will have time set aside each day to read, as well as have SUPER guest readers come in and read aloud to each classroom throughout the week.

**Tuesday, October 8th: Bring your favorite stuffed animal to school**
Students can bring their favorite stuffed animal to school and read to it. The stuffed animal must be able to fit in your child’s backpack.

**Wednesday, October 9th: Family Literacy Night**
You are invited to join us for a SUPER night full of fun literacy activities, as well as shop at the Scholastic Book Fair! Special guests include Imagination Station, Coy Reads, and the Oregon Library, just to name a few!

**Thursday, October 10th: Dress to Impress**
We will have a local author and Claire’s Day Founder, Julie Rubini, visit Coy and speak with students about everyday heroes such as police officers, firefighters, and nurses, as well as local heroes and the heroes in students’ own lives. Students can dress to impress our special visitor!

**Friday, October 11th: Superhero Look-Alike Day**
Are you a Batman fan? Or more of a web-slinger like Spiderman? Is Wonder Woman your favorite? Students can dress to represent their favorite superhero or make up their own outfit. Feel free to get creative! Costumes should be school appropriate. No weapons or costume accessories please.

We are looking forward to celebrating the Right to Read with our Coy students and families! We hope that you can join in on the fun!

Thank you so much for your support in your child’s education!

Dear Parents and Families,

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

**Book Fair dates:** Tue, Oct 8th-Thur, Oct 10th
**Shopping hours:** 9:30am-3:15pm
**Special activities:** Family Reading Night Wed, Oct 9th 6:00pm-8:00pm

Two NEW shopping options! Book Fair eWallet is a safe and convenient digital payment option for your student to shop the Fair cash-free. If you’re not able to attend the Fair, try our new online shopping. We’ve partnered with the Scholastic Store to offer over 6,000 products that ship direct to home (with free shipping on book-only orders of $25 or more)! Visit our homepage to get started: [https://www.scholastic.com/ofprograms](https://www.scholastic.com/ofprograms)

We hope to see you and your family at our Book Fair! Remember, all purchases benefit our school.

Sincerely,

Mrs. Molnar
Principal
We will have our annual fall festival on Friday, November 1st. The fall festival occurs throughout the school day. Clothes Bin® have partnered to collect and recycle old clothing, shoes and textiles!

So, please do not throw them away!

Just place the items in the green recycling bin in our parking lot.

Every pound of recycled items supports our school!

Below is a list of items that can be placed in our bin:

Clothing: pants, jeans, skirts, dresses, suits, shorts, shirts, tees, tanks
Footwear: shoes, boots, heels, sneakers, sandals, socks, tights
Undergarments: bras, underwear, slips, camisoles
Accessories: hats, belts, ties, scarves, headbands
Handbags: wallets, totes, luggage, backpacks, briefcases
Linens: towels, sheets, comforters, blankets, tablecloths

As you clean out the old and bring in the new, you can help the environment and Coy Elementary School too!
Dear Parents,

We are excited to tell you about a very special program we are coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle -- an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around Coy Elementary School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house--even non-Crayola brand! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don’t throw out that used marker—**ColorCycle it!**

Sincerely,

Coy Elementary School Student Council

BGSU Saturday Children’s Art Program

Today more than ever, the arts are needed by our young people as a forum for safe expression, communication, exploration, imagination, and cultural and historical understanding.

The School of Art at Bowling Green State University is proud to offer youth art classes each semester for children ages 5-19.

Young people will develop their creative abilities, increase their artistic skills and learn about art of the past and present. All classes involve hands-on participation.

Classes: Classes meet for 10 Saturdays each semester from 10:00-11:30am.

• For Fall of 2019, classes will be meeting September 21st - November 23rd.

• For Spring of 2020, classes will be meeting February 22nd - May 9th.
  (No classes on March 29th or April 11th)

Fee per semester: $79, plus $10 material fee (tuition support maybe available each semester for families in financial need)

Class descriptions, registrations and waiver forms can be located on the BGSU School website. Go to http://www.bgsu.edu/arts-and-sciences/school-of-art/community-engagement/saturday-art-program.html or by E-mailing Shari Densel, Director of the BGSU Saturday Children’s Art Program at sdenesl@bgsu.edu

Children interested in these classes will need to be preregistered by mailing, faxing or emailing the forms as indicated on them. Class sizes will remain low so pre-registration is required. If you have any questions, please don’t hesitate to email.
