Principal’s Report

Right To Read Week/Family Literacy Night/Author Visit
The week of Oct. 7-11 has served as the Right To Read Week. The week contained Family Literacy Night as well as the Book Fair. The Coy staff and students thank the PGA for sponsoring an Author visit as well.

Upcoming Dates
October 16th is the end of the 1st Nine Weeks.

October 23-24 is 3rd grade ELA Ohio State Testing. Students must pass this assessment in order to move on to fourth grade. Students take this assessment once in the fall and once in the spring. They will also take an alternate assessment to the ELA OST three times this year. The alternate assessment can also excuse the child from the consequences of the third grade guarantee.

Week of October 28th–Our School Resource Officer, Officer Ted, will be meeting with classes for Halloween safety.
November 1st—Fall Festival. There will be many activities planned for this day including classroom parties. Please look for more information to come home soon on this.

**Old Business**

**Book Fair:** Thank you to those volunteers who helped ‘man’ the book fair each day and helped the children select appropriate level books.

**Trunk or Treat:** The committee has had a couple of meetings to plan the details of the event. We will be selling hot dogs, chips and pop. We’re still looking for more trunks to participate (our goal is 40)....please email coytrunkortreat@yahoo.com

**Fundraiser:** Online orders have been arriving to customers...some were received before the fundraiser was over! At the next PGA meeting we hope to have a profit total. Overall, we were pleased with this company and the products they had to offer.

**School Wide Shirts:** The design has been finalized. Waiting on a few teacher sizes as well as several students. Staff will receive Black t-shirt and students will receive Gray shirts. We plan on ordering a few extra student shirts for a student who moves into the district during the year.

**New Business**

**Spirit Wear:** We are working with Clear Images to design a logo for the Spirit Wear shirt. Order forms will go home in November with the hopes of receiving orders by the holidays.

**Santa Shop:** We will be holding Santa Shop on Friday Dec 6th. All items sold will be $5 and less. We have a few vendors interested and will be finalizing the vendor list soon. There will be 3 stations (craft, edible make and take, shopping) again this year to regulate the amount of children who are shopping. Last year we received positive feedback from staff and parents. Having less vendors was helpful and having the stations provided helped things flow smoothly. Santa Shop is open during the entire school day, with grade levels being assigned specific times to come down to visit and participate in the station rotation. A reading area or Christmas movie is being considered to help provide more choices for the students during the event.

This special event requires a LOT of volunteers. Please consider donating a couple hours of your time. If able to do so, please reach out to the PGA and let us know.

**Staff Dinner:** PGA will again be providing dinner to our teachers during their long Parent/Teacher Conference Day. The staff truly enjoyed Chinese food and have decided on this again as well. Dinner will be provided after school at 3:45.

**Goodies With Grandparents:** The second date seemed to run a lot smoother. We took many of the suggestions from the Sept PGA meeting and felt they were very positive and helped make day #2 more efficient. Many positive comments were received and the Grandparents truly enjoyed having the special grandparent art projects in the hallway and classrooms.

**Fall Festival:** One of the most loved days is quickly approaching....Fall Festival! This event always uses a lot of volunteers.....PLEASE let PGA know if you can help! There will be details coming home soon!
Have a great week!

Dear Parents,

We are excited to tell you about a very special program we are coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle -- an amazing program devised to repurpose used markers rather than sending them to landfills.

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around Coy Elementary School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house— even non-Crayola brand! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don’t throw out that used marker—ColorCycle it!

Sincerely,
Coy Elementary School Student Council

BGSU Saturday Children’s Art Program

Today more than ever, the arts are needed by our young people as a forum for safe expression, communication, exploration, imagination, and cultural and historical understanding.

The School of Art at Bowling Green State University is proud to offer youth art classes each semester for children ages 5-19.

Young people will develop their creative abilities, increase their artistic skills and learn about art of the past and present. All classes involve hands-on participation.

Classes: Classes meet for 10 Saturdays each semester from 10:00-11:30am.

• For Fall of 2019, classes will be meeting September 21st - November 23rd.

• For Spring of 2020, classes will be meeting February 22nd - May 9th.
  (no classes on March 28th or April 11th)

Fee per semester: $79, plus $10 material fee (tuition support maybe available each semester for families in financial need)

Class descriptions, registrations and waiver forms can be located on the BGSU School website. Go to [http://www.bgsu.edu/arts-and-sciences/school-of-art/community-engagement/saturday-art-program.html](http://www.bgsu.edu/arts-and-sciences/school-of-art/community-engagement/saturday-art-program.html) or by E-mailing Shari Densel, Director of the BGSU Saturday Children’s Art Program at sardensel@bgsu.edu

Children interested in these classes will need to be preregistered by mailing, faxing or emailing the forms as indicated on them. Class sizes will remain low so pre-registration is required. If you have any questions, please don’t hesitate to email.
