ART TO REMEMBER
In celebration of Veteran’s Day, we will once again be creating a brick “Wall of Honor.” Please complete the paper brick that came home with your student and send it back so that we can add it our wall. If you have more than one loved one who served or who is serving in the military, please have your child stop by the office to get additional bricks.
FALL FESTIVAL - NOVEMBER 1ST

We will have our annual fall festival on Friday, November 1st. The fall festival occurs throughout the school day. Students will participate in a variety of activities including a pumpkin run, a sing-a-long, harvest BINGO and a hayride. Classroom parties will occur simultaneously throughout the day. Classroom teachers will notify parents when the classroom parties will occur. We will be looking for a few volunteers to help facilitate the activities during the day. The PGA collected a list of volunteers at the start of the school year. We will work to line-up volunteers from those that signed up to help. If you want to help and you are uncertain if you signed the volunteer form, please contact the school office and we can add you to our list.

COY COLLECTS...

COY ELEMENTARY SCHOOL and Clothes Bin® have partnered to collect and recycle old clothing, shoes and textiles!

So, please do not throw them away!

Just place the items in the green recycling bin in our parking lot.

Every pound of recycled items supports our school!

Below is a list of items that can be placed in our bin:

Clothing: pants, jeans, skirts, dresses, suits, shorts, shirts, tees, tanks
Footwear: shoes, boots, heels, sneakers, sandals, socks, tights
Undergarments: bras, underwear, slips, camisoles
Accessories: hats, belts, ties, scarves, headbands
Handbags: wallets, totes, luggage, backpacks, briefcases
Linens: towels, sheets, comforters, blankets, tablecloths

As you clean out the old and bring in the new, you can help the environment and Coy Elementary School too!
Dear Parents,

We are excited to tell you about a very special program we are coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around Coy Elementary School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house—even non-Crayola brand! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don’t throw out that used marker—ColorCycle it!

Sincerely,
Coy Elementary School Student Council

BGSU Saturday Children’s Art Program

Today more than ever, the arts are needed by our young people as a forum for safe expression, communication, exploration, imagination, and cultural and historical understanding.

The School of Art at Bowling Green State University is proud to offer youth art classes each semester for children ages 5-19.

Young people will develop their creative abilities, increase their artistic skills and learn about art of the past and present. All classes involve hands-on participation.

Classes: Classes meet for 10 Saturdays each semester from 10:00-11:30am.

• For Fall of 2019, classes will be meeting September 21st - November 23rd.

• For Spring of 2020, classes will be meeting February 22nd - May 9th.
  (no classes on March 21st or April 11th)

Fee per semester: $79, plus $10 material fee. Tuition support may be available each semester for families in financial need.

Class descriptions, registrations and waiver forms can be located on the BGSU School website. Go to http://www.bgsu.edu/arts-and-sciences/school-of-art/community-engagement/saturday-art-program.html or by e-mailing Shari Densel, Director of the BGSU Saturday Children’s Art Program at sdenzel@bgsu.edu

Children interested in these classes will need to be preregistered by mailing, faxing or emailing the forms as indicated on them. Class sizes will remain low so pre-registration is required. If you have any questions, please don’t hesitate to email.
