

Eisenhower Fly-er

April 10, 2023

Message from the Principal

Good morning! We hope this Fly-er finds you well and finds you having had an excellent Spring Break and Easter!

The week before Spring Break, our Student Council sponsored a sucker pull in which they raised \$678 for the Ronald McDonald House! The generosity of our students and families is remarkable. Thank you to all who participated!

State Testing is nearing! The dates for testing are:

- April 18 and 19 for 5th/6th Grades Language Arts
- April 25 and 26 for 5th/6th Grades Math
- May 3 and 4 for 5th Grade Science

Please try to avoid any absences on those days. We will be testing in the mornings.

It is essential that students have headphones for the testing. Please double check with your student to ensure he/she has a pair at school that is working well. Thank you!

More information will be forthcoming concerning testing.

Have a great week!

Sincerely,

Tim Holcombe

Pi Day!

The sixth grade students of Eisenhower Intermediate were given the challenge to memorize as many digits of Pi as possible. On March 7th, any student who could recite the first 50 digits of Pi qualified for the finals. There were 10 students who made it past the first round. On Tuesday, March 14th, the students got their opportunity to recite as many digits of Pi as they could.

All of the students did a great job, with the top three students earning certificates as well as the top student earning a plaque. The top student was Alivia Sancho who recited 170 digits of Pi, Josh Wagner came in second with 151 digits of Pi, and Bella LeGare came in third with 102 digits of Pi. We would like to congratulate these students for their outstanding performance as well as all of the other participants for their efforts!

Math Night and Science Night

The 5th grade math and science teams are super excited to announce "5th Grade Math Night" on April 20 and "5th Grade Science Night" on April 27 from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing! We will have lots of great activities and games to review key content areas! These events are free and will include snacks, prizes, and pizza! Look for invitations to come home right after break....and get these events marked on your calendar!

Magic Gives Back Coming to Oregon!

We are excited to have our Magic Gives Back Kick-off this week on Thursday!

Your student will bring home information on how to purchase tickets. This will also be a fundraising opportunity for our EPSSO group.

Please look for the information on Thursday after school and we hope to see you at the show at Clay High School on May 12th!

Eagle Way Rewards for Week of March 27 - 31

Congratulations to the following students who earned Talon Tickets the week of March 27th for working hard or treating people right! Each of these individuals was then chosen in a raffle as the weekly recipients. Great job to all students who earned Talon Tickets!

Celebrate Our Staff

Last week we introduced introduced the OCS Shining Stars - a community staff recognition program. We had many submissions. Thank you so very much for supporting our staff in all the ways you do!

Below is a link to the form which you can fill out to help us celebrate our staff by telling us about how they make a difference. Submissions are shared with staff members and their supervisors.

Below is the link. The link will remain at the bottom of the weekly newsletter for your reference throughout the year.
