

Eisenhower Fly-er

April 29, 2023

Message from the Principal

We are so thankful for all the effort from students and teachers and support of parents and families as we enter our final week of Ohio State Testing! We are excited about the effort on the ELA and Math tests and are looking forward to the 5th grade Science tests this week. Again, thank you for the support you give to your students!

This week is Teacher Appreciation Week. We are very thankful for our staff and their work ethic here at Ike. If you would like to recognize a teacher here at Ike, feel free to fill out an OCS Shining Stars form. The link is below. Thank you!

Please be sure to see the bottom of the Fly-er (in "Other News") where we have information on up-coming events, including JH Volleyball tryouts and 6th Grade In-view testing results.

Please see information on our Youth2Youth and Fitness Club upcoming after-school field trip.

Have a great week!

Sincerely,

Tim Holcombe

Eisenhower 5th Grade Science Night Blends Fun and Preparation!

Eisenhower's 5th Grade Science Night was a great success! Over 80 students participated in this event which was designed to help students prepare for the upcoming state science test.

Similar to Math Night the week before, students were put on teams and rotated through six different science stations and one gym activity. Each of the science stations focused on a different state standard.

In Mrs. Meterko's room, students brushed up on their knowledge of Ecosystems. Mr. Haar worked with the students on Earth's Rotation and Revolution while Mrs. Wilkins covered the Solar System.

The students reviewed Light with Mrs. Gau while Mrs. Gargac and Mrs. Cover focused on Sound. Finally, Mrs. Gernheuser covered key concepts related to Force and Motion. An intense game of "Sharks and Minnows" was supervised by Miss Koopman in the gymnasium.

At the end of the night, everyone came together in the cafeteria to enjoy pizza and social time with friends and teachers. Thank you to our parents who supported the evening by arranging schedules and providing rides for their children! We are thankful that so many students had the opportunity to participate in this event!
