

Eisenhower Fly-er

October 8, 2023

Message from the Principal

Youth to Youth is starting this week! Please see information below. We know that being involved in extra-curricular activities allow students to feel connected to others and are an important part of the school experience.

Last week we started Fitness Club and we had a very good turn-out. It is not too late to join! Our next Fitness Club is October 25th.

You will be able to access the dates and information throughout the year at the bottom of this Fly-er as I will include the links to the information in the list of links.

Have a great week!

Sincerely,

Tim Holcombe

Cartoonist Duane Abel Visits Ike

Thank you to our EPSSO group for sponsoring our yearly assemblies! These assemblies allow our students the opportunity to explore new ideas, be challenged, and have fun.

Duane Abel has been a cartoonist professionally for 28 years and has a strip called ZED which he referenced as he shared with students that they can follow their passions, but to study their craft and put in effort, while not being discouraged.

While each of us knows these things, the application is the hard part. Mr. Abel used his enthusiasm and experience to share with students that they can achieve what they put their minds to.

Thank you, again, EPSSO! We were also very pleased with the interaction of our students. The way they behaved and interacted in that large setting was excellent and we will continue to teach and

reinforce how individual audience members should act in public settings. It was a great time and all involved played a role!

Connections is About Making Connections!

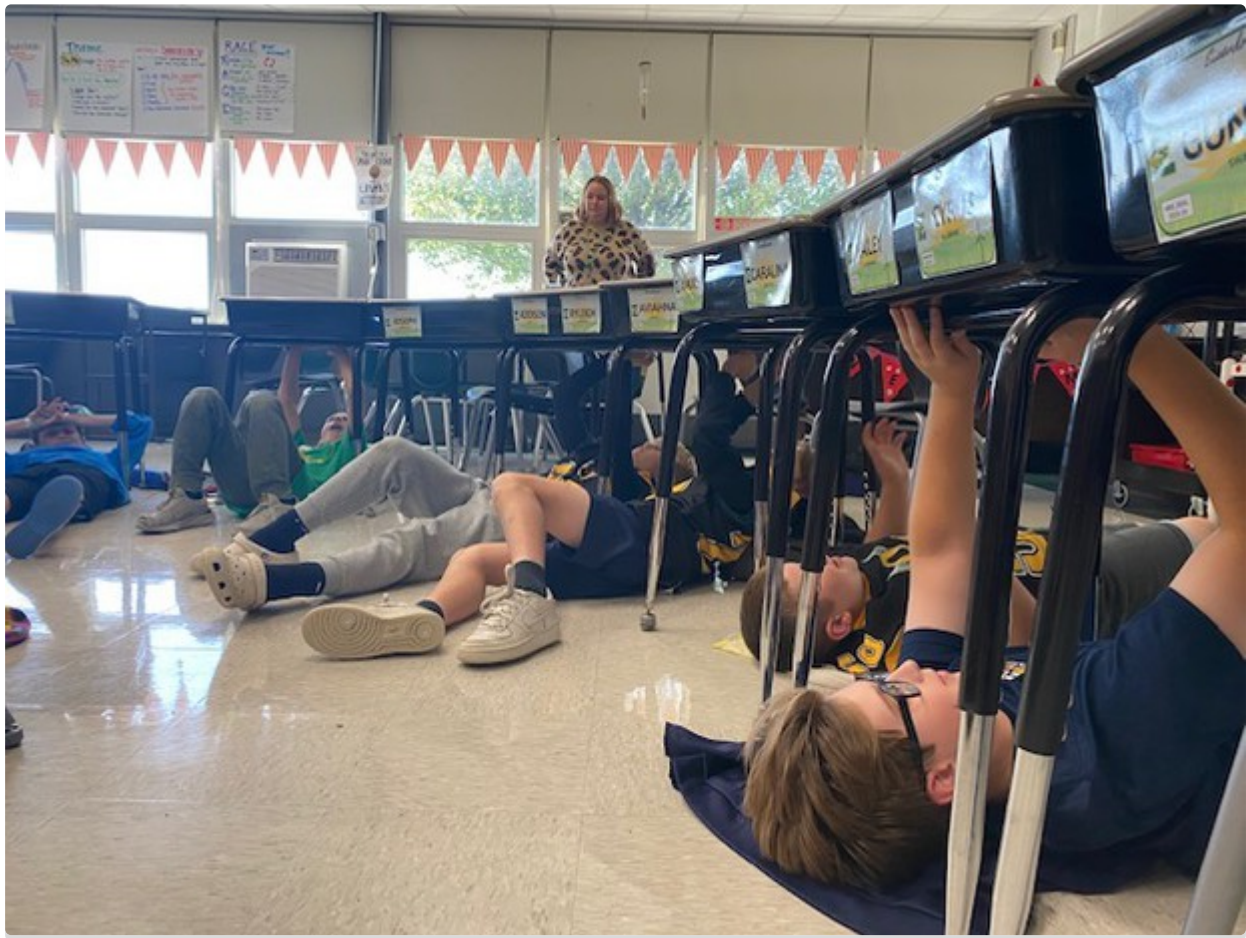

As you know, your student attends a Connections class on Mondays and Tuesdays and another class on Thursdays and Fridays.

Students can choose Band and/or Choir during that time. Others are assigned extra help (Response to Intervention) in ELA or Math. All others are divided among classes our teachers develop and teach.

The goal of Connections is to give students something that they do not get in the regular curriculum and to allow them to connect to both ideas and to each other.

One class that is taught is Book Club. In the picture below, Fifth graders in Book Club are making connections to a character in their book by imitating Italian artist Michelangelo. Students are simulating the challenges he faced painting the ceiling of the Sistine Chapel as they draw and color pictures taped to the bottom of their desks.

We hope your student is enjoying their experiences in Connections this year!

Parent/Teacher Conferences on November 6th and 7th!

Communication on a regular basis is essential. One method we use to communicate is Parent/Teacher Conferences. The way we will handle Parent/Teacher Conferences this year will be different than the way they were done in elementary and are transitional in nature.

We will have conferences November 6th from 5:00--8:00. We will also have conferences during the day on November 7th from 8:00--3:15 and in the evening from 4--7.

Conferences will be scheduled for 15 minutes. You will have the opportunity to meet with all of your child's teachers at once if that is desirable. We will ask that all conferences stick to the scheduled time. We want to be available to you so if you do not schedule a conference time, are not able to get one, or do not have enough time during your conference, please let us know and we will work to find a time to meet with you. Again, communication is extremely important to us.

Please mark your calendar with these dates as we will be opening up the scheduling of times for meetings soon. More information forthcoming next week.

Youth to Youth Is Around the Other Corner!

YOUTH TO YOUTH was founded in 1982 in Columbus, Ohio, as a community-based drug prevention and youth leadership program focusing primarily on middle school and high school students. The goal of its many projects is harnessing the powerful influence of peer pressure-- making it a positive force that encourages young people to make positive life choices.

The Youth to Youth program at Eisenhower Intermediate School will meet a minimum of once a month after school until 3:30. To better prepare for & promote Red Ribbon Week, we will meet the twice in October starting on October 11th, 2023. We hope to incorporate community building activities as well as community service through outreach into the program.

Ms. Lisa Stevens and Mrs. Deanna Neuman are the advisors for Youth to Youth this year. We hope that your child can participate in Youth to Youth. Please sign the permission slip and have your son/daughter return the slip to the main office PRIOR to attending on their first meeting! If they cannot make the first meeting, they are still welcome to join at any time this year.

The proposed schedule for this year's meetings on the bottom of the form which is linked below.

Please detach the bottom portion and keep the top portion as your copy of our schedule!

Other News

- **We still have backpacks with school supplies for the year. We are thankful to the Jerusalem Township Volunteer Fire Department for their donation! If your student is in need, please contact Mr. Holcombe asap at tholcombe@oregoncs.org. Thank you!**
- There are many volunteer opportunities throughout the year at Ike. We are so thankful for those who volunteered to help us at Open House and we have had volunteers for Movie Matinee. There will also soon be a call for volunteers for our Halloween event.
- **We have a current volunteer opportunity. We are looking for 1-2 people would would be willing to come in weekly for a couple of hours to make copies for classrooms. This would be a great support. If you are interested, please email Mrs. Quigg, our school secretary, at jquigg@oregoncs.org. Thank you!**
- If you are in need of assistance for Thanksgiving and/or Christmas, please see the information below.
- Please note the wrestling opportunities listed below.
- There are times throughout the year when we will have two-hour delays. Our lunch periods shrink to 28 minutes on two-hour delays, and depending on the menu, serving time can be tight. There are times when we will not open the Snack Shack on those days. This would mean that students who pack lunches would need to bring a drink on those days and not rely on the Snack Shack.
- EPSSO has a Facebook page and does a great job of posting information. If you would like to follow them on Facebook, they can be found under Eisenhower Intermediate School. A lot of questions on events, etc. have been successfully addressed through the page. EPSSO tries to keep the page up-dated on current events, but also feel free to contact the school with any questions. The site is intended to be informative. Please direct concerns and frustrations to Mr. Holcombe at 419.836.8498 as the page is not intended for those items.
- Please note that the front doors at Ike are locked at 3:00 pm. Please use the side doors if you are entering the building after 3:00. Thank you!

- Please remember that the final Camp Payment of \$220 is due on November 1st. If it is not paid in full at that point, the deadline for the late payment of \$240 is December 1st. Please contact Mr. Holcombe with any questions. Camp Payment link is at the bottom of this Fly-er.
