November 12, 2023

## Message from the Principal

Thank you very much for all of those who attended conferences this past week. We believe some very good communication occurred. If you did not need a conference, I am confident it is because you are communicating daily with your son/daughter, checking the Parent Portal on PowerSchool and checking the agenda daily. All of these things will lead to success for your child. When a student moves into the middle grades (in our case Intermediate School), it is easy to see him or her as independent, but children still need us as parents to guide their organization and demonstrate an interest in their daily pursuits.

If you did not schedule a conference, but determine at some point that you would like to speak with your child's teachers, please contact us. We are certainly available throughout the year and want to continue to build relationships that will help your child reach his or her potential.

We are excited about what your children are doing here and I am very excited and proud of the effort they and their teachers are exerting each day. We realize that your contribution at home is also an indispensable key to success. Thank you!

Thank you to EPSSO for sponsoring a Spirit Sale. Please see the order material below and have all payments in by November 17th if you are interested. Thank you!

Please see the information below on our canned food drive that will be kicking off this week! Any help you can provide will be very much appreciated within our community!

Have a great week!

Sincerely,

Tim Holcombe

# Canned Food Drive

Starting this week, Wednesday November 15th, and going until Tuesday, November 21<sup>st</sup>, Student Council will be collecting canned goods and other non-perishable items for the Oregon Community Health and Welfare Holiday Canned Food Drive.

Please consider bringing in or sending in canned goods. Our goal for our IKE community is to collect and donate 1,500 canned goods and non-perishable items, and with your help, we can reach it!

Before you donate, please double check the expiration date, as we cannot take cans already expired. Thank you for all of your help in.

This year, we are looking to give larger incentives. For every two cans students bring in, they will receive a ticket to enter into a drawing for a prize below: pack of pens, stickers, over-sized pencils, \$25 Visa card, drone, Squishmallow, mystery prize, or an ice cream party for their Eagle Time Class. Please consider donating to the cause.

## Thank you, Vet's!

On Friday, November 10th, we hosted our annual Veterans' Breakfast and Veterans' Day Assembly! It was a great morning which featured good food and good conversation with 51 veterans!

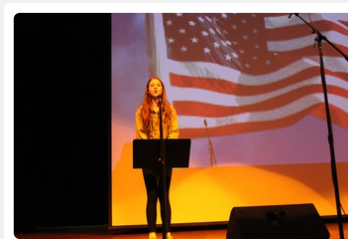

Our assembly opened by our Boy Scouts and Girl Scouts led us in the Pledge of Allegiance, 6th grader Kinley Berl sang an excellent rendition of the Star Spangled Banner, Keith Carr gave a keynote address, and our 5th and 6th grade Choirs, led by Mr. Sneed, gave a fantastic performance of the Armed Forces Medley.

We are very thankful to our Veterans for their service! We were very pleased to take the opportunity to share with our students the importance of having a heart of service in our daily lives and what that provides for all of us.

Thank you to Mrs. Meterko, Mrs. Wilkins, and Mrs. Angst for leading the way with planning the breakfast and assembly, to Mrs. Madson for the awesome decorations, to Mr. Sneed for leading the Choir, and to all the teachers who helped set up and prepare food. It was a group effort and one that provided great opportunities for those in our Eisenhower community. Thank you, all!

Storytelling is a great way to promote literacy and build familiar bonds. Parents, share with your children what weekend mornings were like when you were their age. What traditions did you and your family uphold? Ask your child to retell your family memories.	Be word collectors! Collect 10 new or interesting vocabulary words as you hear or read them this week. Write them down and post them where you will see them this week. Try to use them in sentences out loud together.	Our days get busy, and sometimes we forget to say "thank you" to the people who make our lives so very special. For each person in your family, make a list in words and/or pictures of three reasons you are thankful for them. Hang your lists up for everyone to see.	Play "mystery object." One person thinks of an object, and the other has to guess what they are thinking. They may ask each other questions starting with "who", "what", "when", "where" or "why" to determine the answer. Practice pausing after each question. Pausing to think teaches children the give and take of conversation.
Parent, ask your child what he or she is reading at school. Encourage him or her to share details including the characters, setting, conflict, and message of the book or story. Discuss books or stories you remember reading from your childhood and what you learned from them.	Read (or create) a picture book, graphic novel or comic book together. Picture books help children develop critical thinking skills as their brains take in the picture and the text and make connections between the two.	Start a story together as a family. One person starts the story and tells one to three sentences. Then the next person takes over and adds the next one to three sentences. See how everyone weaves their own interests and imagination into the plot.	Fun with Family History. Did Great Grandpa fight in a World War? Was your grandma born in a different country? Write or talk about an important event in your family's history. Knowing where you came from is important to gaining a strong sense of identity.
Discuss: Imagine that you were going on vacation, instead of school or work. Where would you go? How long would you stay? What is the weather like and what will you do? What should you pack? This is a great way to practice giving descriptions and making smart decisions.	Share stories about what your school days were like and compare your experience with everyone in your family. We think you'll find the learning process and in-school gadgets have changed quite a bit over the years.	Together, write a letter, email, or text to a faraway friend or family member. Talk about what you might say or which fond memories you may share with the recipient.	Unplug! Set aside time when all screens are off. Everyone grab a book and read! Discuss what each person is reading.
