Message from the Principal

Our Ohio State Test testing season begins this week! We are excited as we have been preparing diligently throughout the year to learn the skills students will have the chance to demonstrate on the test. We ask that you are sure to have your students to school on time on Tuesday and Wednesday, having had a good night's sleep.

We encourage all of our students to simply do their best. We know that will be good enough. Please reassure your student that taking time, working through the problems, and trying will be enough! Thank you for all of your support as we begin this season of the year. Have a great week!

Sincerely,

Tim Holcombe

Rock, Paper, Scissoring Our Way to State Testing!

Next week will begin our State Testing! We speak often of character traits that will lead us to success. On Friday, we spoke about effort, grit, and perseverance in relation to testing! We also applied those qualities to a good old game of Rock, Paper, Scissors!

Students were given a set of beads and between classes in the afternoon, they challenged each other, and teachers, for the beads. The competition was fun and hopefully reinforced that trying your best with effort, grit, and determination is fun!

Thank you very much to Mrs. Deal for organizing the fun!
