Message from the Principal

Below is some information on checking your student's grades on Power School. With our change to Standards Based Grading, we want our communication to be excellent. Hopefully the tips below will be helpful. We most certainly value your support by working with your child daily on homework and by checking their progress. Thank you!

Please remember that yearbook orders are due by March 1st. Each year we have many requests for yearbooks near the end of the year, but we do not order many extras so it is important to order now if you are interested. The link to purchase is https://goo.gl/8BSE8x. More information is below.

Have a great week!

Sincerely,
Tim Holcombe

Power School Tips to View Marks

When you log-in as a parent to PowerSchool, your landing point is the “Grades and Attendance” tab. This allows you to see your student's grade, standard average, and assignments (when you click on the grade). Did you know that standard information is also available to you? By clicking on the standard tab at the top of the page, you get a list of all to the classes for which your student is enrolled. Please see the first image below.

By dropping down the arrow next to the class, you can see each standard that has been assessed for the quarter and how your student is performing. Please see the second image below.
Eagle Supply Stop To Open!

It is that time of year when we are able to open our school store called The Eagle Supply Stop. Beginning February 21st, students will be able to stop and shop in the main hallway store for all of their classroom supply needs.

Student Council members will operate the store Mondays, Wednesdays, and Fridays before school. Items available in the store range from pencil top erasers to folders and binders. Prices start at five cents and go up to two dollars.
The Eagle Supply Stop is a quick and convenient way for students to equip themselves for the classroom while saving parents time. Student Council is looking forward to serving the students of Ike and making life a little easier for parents.
