Message from the Principal

A new version of the Oregon City Schools website was unveiled. Please be sure to check it out at www.oregoncityschools.org.

This Thursday will be our Parent/Teacher Conferences. More information is below.

Have a great week!

Sincerely,
Tim Holcombe

5th Annual Hoedown Delivers Fun and Camaraderie!

On Friday, March 23rd we hosted our 5th annual Hoedown after school. We had another phenomenal turnout this year with over 360 students attending! Students were treated to a games station in the cafeteria, a photo booth and snack station in the main hallway and a square dance station in the gym. The games station contained barrel racing, steer lassoing, barnyard bowling and horse shoes!

We are very thankful to the staff at Camp Michindoh who has a band that calls square dances at camp. With their leadership, square dancing was a great hit!

We are very thankful to Mrs. Madson for coordinating the event and for our teachers and parents for chaperoning and making this event run so smoothly. Thank you to all our parents who provided this opportunity for your children. Thank you, also, for your patience at pick-up time. The changes we have made have facilitated a much smoother pick-up, but we realize that is the patience and going with the flow by those picking students up that make that process work. Thank you!
Parent/Teacher Conferences Just Around the Corner

Our next Parent/Teacher Conference date is Thursday, March 29th from 8:00--3:15.

If you would like to schedule a conference, please contact Mrs. Schinharl via phone at 419.836.8498, ext. 2403 or via e-mail at kschinharl@oregoncs.org.

5th Grade Science and Math Nights to be Exciting and Beneficial!

The 5th grade Math and Science teams are pleased to announce "Science Night" on April 19 and "Math Night" on April 26 from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing!

We will have lots of great activities and games to review key content areas; we will also go over test taking strategies and hints. These events will be free to the students and will include snacks, prizes, and pizza! Look for invitations to come home at the beginning of April....and get these events marked on your calendar!
MARCO'S CARDS ON SALE!

Great news! Marco's “Pizza” Cards are for sale from March 5, 2018 until May 4, 2018! There are several great attributes of these cards. First, the cost of each card is only ten dollars, even though if every coupon is used it is worth over $70 in savings! The next great detail about the cards is that they are good for not only pizza, but fresh baked subs too.

Yet another wonderful point about the cards is that they have no expiration date! And, quite possibly the best quality of the cards is that every card sold helps fund a fifth grade student's trip to Camp Michindoh next year! If you are interested in one of these cards ask a fifth grader to bring one home to you! If you are interested in having your 5th grader sell cards, please have him/her see Miss Ovall, or Mrs. Walters, either before or after school to purchase cards.

Miss Ovall and Mrs. Walters will sell cards Monday, Wednesday, Thursday, and Friday mornings between 7:20 and 7:45 in the front hall. Miss Ovall and Mrs. Walters will also be available from 2:40 – 3:00 each afternoon. If you would prefer to handle the cards or money yourself instead of giving money to your student, you may bring it in during either of those times.

Because students cannot be left unattended, Miss Ovall and Mrs. Walters will not be able to fill orders during school hours. (The office staff also will not distribute cards during school hours.) If necessary, other arrangements can be made by calling 419-836-8498, ext. 2041, or by emailing jovall@oregoncs.org, in advance.
Nature of Maumee Bay
Lake Erie Center
Science Programs for Kids

Camps feature laboratory exercises, art, and outdoor activities at the University of Toledo’s Lake Erie Center in Oregon

Four options for Summer 2018

» Week long, day camps for entering 4th & 5th graders
