Testing Begins This Week!

This week we will have our Ohio State Tests in Language Arts for both 5th and 6th grades. This is an exciting and important time of the year. It is exciting because we have been in training for years for this moment. Each grade level is focused on preparing our students for the benchmarks set by the state for each grade level. This test gives students an opportunity to show what they know.

We will continually share with our students that there is no need to worry about the tests, but instead, do their very best. This is all any of us can ask. We have all done our best to prepare and are excited to see the results.

We ask that you stress with your student that it is important to give his or her best. Again, we all should be happy if that is that effort given, regardless of results. We also ask that you stress the importance of proper sleep and nutrition each day and continue to stress those things on testing weeks.

Our testing schedule will be:
Tuesday, April 17 -- 5th/6th English/Language Arts
Wednesday, April 18 -- 5th/6th ELA
Tuesday, April 24 -- 5th Science
Wednesday, April 25 -- 5th Science

Tuesday, May 1 -- 5th/6th Math
Wednesday, May 2 -- 5th/6th Math

Thank you very much for your support and emphasis on best effort!

Oregon Safety Town Volunteers Needed

The 2018 Oregon Safety Town needs volunteers! This opportunity is open for current 6th graders only. Students that are interested should stop by the office and pick up a postcard, fill it out and return it to the office by Friday, April 27th. Space is limited and not all applicants are selected. Students, you should act quickly if you’re interested. Safety Town will be two weeks and we need volunteers for each week. The dates are:

Monday, June 4 - Friday, June 8 from 7:30 until noon daily.

And

Monday, June 11 - 15 from 7:30 until noon daily.

Graduation will be held at 10:30 on both Fridays.

There will be a mandatory teen training and separate parent/guardian meeting on Wednesday, May 23rd at 4:00 p.m. at Starr Elementary.

5th Grade Science and Math Nights to be Exciting and Beneficial!

The 5th grade Math and Science teams are pleased to announce "Science Night" on April 19 and "Math Night" on April 26 from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing!

We will have lots of great activities and games to review key content areas; we will also go over test taking strategies and hints. These events will be free to the students and will include snacks, prizes, and pizza! Look for invitations to come home at the beginning of April....and get these events marked on your calendar!
