Eisenhower Fly-er

April 22, 2018

Message from the Principal

This week we begin our 5th Grade Ohio State Tests in Science. We are proud of the effort our students gave during their Language Arts tests! As always, we will share with students that our expectation is only that they do their best and that their best is all anyone can ask. There has been a lot of hard work this year mastering grade level expectations and these tests are another way to demonstrate learning. Our Ohio State Tests in Math for both 5th and 6th grade will be next week. Thank you!

Last week we had a great turn-out for our 5th grade Science Night. We are very excited about 5th Grade Math night this Thursday!

We are blessed to have the opportunity to work with you this year to influence your student. We will work hard to make sure some memorable opportunities are available for your child as we close our fifth year of Eisenhower Intermediate School.

Have a great week!

Sincerely,
Tim Holcombe

Parent Pick-up Expectations

Morning drop-off seems to be going very well as our parents are pulling forward to drop off students so other parents can safely drop off their students in the drop off zone. It is difficult and unsafe when everyone feels they must drop off directly in front of the door.

Afternoon pick-up has recently become dangerous due to a few adults who occasionally lose patience with the process. Please follow these guidelines to ensure the safety of our students:

- Please drive slowly and stay in a single file line on the pick-up lane.
Please never try to pick up your student in the second lane, which is for leaving the pick-up area.
If you do not want to wait in the line, please park in the parking lot and cross the pick-up lane to get your child. No student can cross the pick-up lane unless escorted by an adult.
Please be sure to pull as far forward as possible to allow as many cars as possible into the pick-up zone.

Thank you very much for following these procedures for the safety of our students!

Science Night Entertains and Informs!

Our first, "Eisenhower 5th Grade Science Night" was a huge success! Over 135 students participated in this event which was designed to help students get prepared for upcoming state testing.

Over the course of the evening, students rotated in groups through 6 different science stations and 1 gym activity. Each of the science stations focused on a different state standard. In Miss Ammanniti's room, students participated in a “Find someone who...” activity. Students were given a card with information about a specific organism and had to go around the room finding other organisms that fit the categories given on their page. Mr. Haar worked with the students on Earth's rotation and Earth's revolution while Mrs. Wilkins played a trivia game involving the planets and the solar system.

Mrs. Gau engaged the students in a game of Bingo to review key vocabulary terms related to light. In Mrs. Gargac's room, the students watched a short cartoon called, What is Sound? The Dr. Binoc Show to review sound energy concepts and then experimented changing pitch on a guitar, ukulele, banjo and bells. The students also tested volume and created echoes on a karaoke machine. Finally, Mr. Meyer had the students calculate speed by rolling basketballs a set distance, timing them, and then calculating the speed of the moving balls by using the formula speed= distance ÷ time. The activity in the gym was supervised by Mrs. Meterko and Mrs. Materni who kept the students moving through an intense game of sharks and minnows and a couple rounds of freeze tag.

The end of the night brought a pizza party and an atmosphere of great enthusiasm and excitement! The students’ enjoyment of the night was evident through the many smiles and laughs that were shared.

We are thrilled that so many students were able to participate in this event! Thank you to our parents who supported the evening by providing rides for their children! We are very proud of our Eisenhower Eagles and know that they will give their best on the state tests!
Got Talent?
Then be part of the

End of Year Talent Show

AUDITIONS
TUESDAY, MAY 8th
WEDNESDAY, MAY 9th
SIGN UP FOR A TIME OUTSIDE ROOM 401
Clay Volleyball

Below is some information on a parent meeting that will take place for current 6th graders. In addition, there is more volleyball information in the office for both 5th and 6th graders. If interested, please pick up forms in the office.
Clay Eagles Volleyball will be holding a Parent Meeting for 6th grade (incoming 7th graders) thru 12th grade on Tuesday, April 24th at 7pm (*time change*) in the library at Clay High School. Players are welcome to attend. We will be discussing upcoming season information, summer workouts, youth camps and fundraising. Please help spread the word. We are looking forward to seeing everyone there.

GO EAGLES!!!

ClayEagle VOLLEYBALL CAMP

June 25th Backrow(DS) 10-12pm
This position will break down the skills needed to pass and play defense efficiently. Players will receive multiple contacts and learn to use their platforms efficiently, reading hitters/servers, and better body positioning on the court.

June 26th Hitting 10-12pm:
This position is for players who are or desire to be a hitter. We will focus on arm swing mechanics, blocking, and being efficient attacking out of system.

June 27th Setting 10-12pm:
This position will focus on specific skills for setters, or players who desire to become a setter. Specific skills like footwork, hand position, and transitioning will be taught.

Camp Dates/Time:
10-12pm
June 25th, 26th, 27th
Grades: Incoming 7th-9th

Prices:
$25.00 per session
Due: June 1, 2018

The 2018 Oregon Safety Town needs volunteers! This opportunity is open for current 6th graders only. Students that are interested should stop by the office and pick up a postcard, fill it out and return it to the office by Friday, April 27th. Space is limited and not all applicants are selected. Students, you should act quickly if you’re interested. Safety Town will be two weeks and we need volunteers for each week. The dates are:

Monday, June 4 - Friday, June 8 from 7:30 until noon daily.

And

Monday, June 11 - 15 from 7:30 until noon daily.

Graduation will be held at 10:30 on both Fridays.

There will be a mandatory teen training and separate parent/guardian meeting on Wednesday, May 23rd at 4:00 p.m. at Starr Elementary.
Up-coming Events

April
23 Library outreach at lunch
