Message from the Principal

Last week was a great week with our Presidential Awards ceremony, our Math Ohio State Tests and the opportunity for another week together. Our students and staff did an excellent job with the three weeks of testing and with all the preparation that went into those tests! Great job!

The Muddy Eagle is coming soon! Next Saturday, May 12th, we will set up the course and could definitely use adult volunteers. We will begin at 10:00 am and will hopefully be completed for the day around 2:00 or 3:00. Depending on the number of volunteers, we may be finished much sooner. We will begin driving the stakes and set up the obstacles. Thank you, in advance, for any help you may be able to give!

Have a great week!

Sincerely,
Tim Holcombe

Congratulations to our Presidential Academic Awards Recipients!

In 1983, President Reagan began a national program called the Presidential Academic Awards. The award was to recognize academic excellence and had several criteria. Oregon City Schools began participating that year and it was determined that the award would be given during the last year of a building. For 35 years 5th or 6th grade students have received the award in Oregon. With the creation of the Intermediate School five years ago, it was determined that the award would be moved to the 6th grade.

Friday, May 4th saw our fourth Presidential Academic Awards ceremony as Eisenhower Intermediate. Fifty-Four students received the award for their achievement of a 3.5 G.P.A or better over the first seven quarters of Intermediate School and a composite score of 1475 or better on the 5th grade Reading and Math Ohio State Tests.

Students were transported to St. Michael's Centre on Navarre where they enjoyed a meal prepared by Michael Armstrong and Michael's Catering. Following the meal parents and grandparents joined their students for the presentation. Mr. Holcombe and Superintendent
Hal Gregory welcomed students and families to this prestigious event. Mr. Don Charlton, who spent 21 years as the Wynn Elementary principal, has spent the last 15 years presenting a history of the award. He has retired from this event, but passed along a historical perspective for Mr. Holcombe to share. Next, Judge Lou Kovacs gave an excellent speech on the importance of failing and growing from it. Mrs. Tabatha Nadolny, our Curriculum Coach, introduced teachers in attendance and they presented awards to students as Mrs. Nadolny called the names of the recipients. Miss Stanton took photos of each recipient after they received their award.

We are excited to have the Presidential Academic Awards as a part of our yearly traditions! Congratulations to our 2017—2018 award recipients! They are: Steven Aziz, Olivia Batch, Kassidy Bauer, Christopher Boudreaux, Jaxson Brasiola, Kaelani Chanthakham, Christine Chen, April Church, Hannah Comer, Lily Coughlin, Lillian Dalton, Sagen Dayton, Olivia Dioletti, Katlyn Druckenmiller, Sophia Fouty, Emma Fuller, Brock Fussell, Ava Garcia, Corbin Garnsey, Adam Hansen, Marcus Hinojosa, Ella Hughes, Noah James, Lucas Jeremy, Casey Judy, Molly Judy, Emma Kalmbach, Hannah Karrick, Olivia Karrick, Ethan Kish, Rebekah Kolinski, Samantha Kyle, Madelyn Lesniewicz, Emily Lipper, Jamie Lipper, Adam Major, Marisa Mariano, Samantha Martin, Kelsey Osborne, Evan Rivera, Avery Roach, Lydia Roberts, Donald Robertson, Matthew Rowe, Camron Schlegel, Carsen Schuster, Mouhammed Soumaille, Tristan Swangstu, Derrick Thoman Jr, Savannah Thompson, Isabelle Vriezelaar, Alyson Walendzak, Alex Wang, Camden Williams

AUDITION NOTES:                      PERFORMANCE LENGTH____
ABOUT AUDITIONS:
It is not our intent to stress out students during an audition process. However, auditions are
important because it allows us to see if your child is prepared and serious about performing.
We expect songs and routines to be memorized at auditions. Students should come prepared
with any props that they may need for their performance. (Floor mats are available for
gymnastic and cheer routines) Due to time constraints, we can only accept about 25 acts for the
show. Generally, the acts that are the most prepared are the ones that are selected. We also
strive to have a variety of talent in the show.

IMPORTANT INFORMATION FOR SINGERS:
Talent show participants are required to have either an ACCOMPANIST or KARAOKE music
for their singing performance. Participants are not allowed to sing over a cover song. KARAOKE
versions of songs (music only) can be purchased through iTunes, other online sources, and at
stores that sell CDs. Music must be either on a CD or a jump drive so that it can be
downloaded into our sound system. Do not bring your phone to auditions and attempt to
sing off of a website or app. Students should contact Mrs. Cooney, Ms. Kidd, or Mrs. Angst
IMMEDIATELY if they need help in finding a KARAOKE version of their music. Students will be
charged the purchase price of their music (usually 1-2 dollars) if we have to buy the required
music for them. If the required accompaniment music cannot be found, the student may be
asked to switch to a different song.

Students often try to "buddy up" and sing with friends. This is often very difficult to do for a
beginning singer. Our advice would be to sing solo so that voices aren't competing with each
other. Only the most trained voices know how to harmonize at this age.

DRESS REHEARSAL:
Students that are selected to be in the talent show are required to attend a MANDATORY
dress rehearsal on Monday, May 21st from 2:45-5:30. We will run through the entire show
once. Students may leave after they have performed.

I have read the above information and consent to my child auditioning for the talent show.
