Below is important information about lunch for Soaring Fest and important information on the Muddy Eagle. Have a great week!

New Muddy Eagle Information

Below is some information we want you to have about the Muddy Eagle! Some of the information pertains to the adult as a participant and the rest is information to benefit your child. We are excited about Friday and hope your child is as well!
Muddy Eagle Additional Information

Have a Muddy Good Time!

If you are running:
- Please meet your student on the blacktop 20 minutes prior to the race.
- You will check in at the corner of the building closest to the tennis courts at the registration table.
- There is a tent in which you can change before and after the race.
- We recommend that you put your items back in your vehicle before the run.

Hair Coloring:
If your student earned the hair coloring, please color your child's hair prior to school as they will not be able to do so in the restrooms before the race. Be sure they wear their wristband to school as it signifies that they qualify to allow for the hair coloring.

Muddy Eagle T-shirts:
Since many students will get very muddy, we do not recommend wearing the new Muddy Eagle t-shirt during the race. In previous years, they have been stained. We recommend wearing old tennis shoes and older t-shirts and shorts.

Early Dismissal:
If you are signing your student out, please go to the side parking lot door. Students will be called from the gym and brought to you for individual dismissal.

- Plastic bag that includes:
  - Either a change of clothes for after the race (socks, underwear, shorts, t-shirt, shoes) or race clothes.

  - Please be sure to have students wear old shoes that can be caked with mud.

Post-Race: Students will be washed off with outside water and then be guided to pick up their bags and go into the locker rooms to change. Students can go home after the race but need to be signed out in the Gym. To make this process faster, please fill the attached form if you want to take your child home after the race.

Running Parents: Park on the south side of the school and register at table in the back of the school 20 mins. before you run. Bring a change of clothes and towel. We have a tent for you to change and you can use the outside Porta-potty. Parents cannot go in the school building. If you are picking up your child, please check in at the registration table for instructions.

Spectators: Please park on the south side of the building and stay outside of the orange fence. Parents are not permitted to go into the school building.
