Message from the Principal

Our school year is in full swing and our students are settling into routines and procedures. Routines and procedures establish expectations and consistency that lead to student success and positive feelings about the ability to accomplish.

One routine we participate in daily is reciting the Eisenhower Pledge. The Pledge is a set of beliefs we want each of our Eisenhower community members to embody in order to make our school a healthy, nurturing, and high achieving place to be. Our pledge is:

I am an Eisenhower Eagle with many gifts. Today I will bring:
- Effort and a strong work ethic
- Attitude that my actions matter
- Generous spirit of respect
- Love of learning and love of others
- Excellence to all I do
- Spirit of pride in myself and our school

Because "We" are Ike and "We" do it right!

Mr. Walt Ralph was the driving force behind our pledge and is strongly involved in helping with the formation of our building culture. We are excited about what he brings to our students, staff and Eisenhower community. Mr. Ralph created a form outlining our guidance program here at Ike and it is attached below.

Another person that is involved daily in the formation of our building culture is Mrs. Nadolny, our Curriculum Coach. Mrs. Nadolny works daily on building initiatives related to curriculum and achievement. She works individually with teachers and with teams to develop policy and create strong curriculum protocols. She has been crucial to the development of the 5/6 curriculum and philosophy here at Ike.

I am thankful for our staff here at Eisenhower and will continue to share their caring and achievements with you as we highlight the caring and achievements of the students they serve!
Meet the Counselor(s)

Mr. Ralph has worked with young people in the Oregon City Schools district since 1993 as a teacher, coach and counselor. He remains committed to the vision that school can and should be a place where every student feels respected and cared for in ways that allow them to fully realize their unique individual gifts.

- Eisenhower is also pleased to include Miggy (our trained therapy dog) as a trusted confidant and unconditional friend to our Eagle family. Miggy likes to live by the principle that there is no such thing as a bad day as long as you have friends; and that there can always be friends around if your heart stays open to others.

- Counselors at Eisenhower work together with teachers, families, and school/community leaders to promote healthy habits and values to set students on a path for a lifetime of success and happiness.

Sincerely,

Tim Holcombe

Many representatives from Oregon Police Department and from Officer Shaw’s family were present. Seven other officers were also recipients of awards at the ceremony.

Congratulations, Officer Shaw!
Other News

- We are collecting Box Tops for Education again this year. If you are willing to save those and donate them, we would be very appreciative. We will have several turn-ins throughout the year.
- You can pay for lunch through Power School or your child can bring a check to the cafeteria in the morning as soon as he/she arrives at school.
- If you have any outstanding fee or would like to add money to your student's lunch account, you can do so at any time with EZ Pay.
- If you are not receiving this Fly-er to your preferred e-mail address, please go into InfoSnap and update your information.
- We allow students who have a dress code violation to pick some clothes from the nurse's closet so they can get back to class. This occasionally save a trip by parents. We also use these clothes for students who have emergencies. We are in the need for girls' clothes (sizes 10–16) and boys' clothes (sizes 14–16) and larger shorts. We can also use smaller numbers of other sizes. If you have some to donate, please send them into the office. Thank you!
- Birthday celebrations occur daily on the morning announcements and students are called to the office for a birthday greeting and pencil. This is how we celebrate at the Intermediate School. We try very hard to make it equal and meaningful. This is certainly a transition from treats, singing, etc. that may occur in other settings. However, it is a good, solid transition to the Jr. High. We will continue to explain policies and how they fit into our mission of transition throughout the year.
