Message from the Principal

Above is our new logo which highlights the two qualities we stress each day at Eisenhower. We speak regularly to our students about how Respect (Treat People Right) and Responsibility (Work Hard) are two characteristics, which when applied daily, can lead to a successful life!
Parent/Teacher Conferences on November 7th

Communication on a regular basis is essential. One method we use to communicate is Parent/Teacher Conferences. The way we will handle Parent/Teacher Conferences this year will be different than the way they were done in elementary and are transitional in nature.

We will have conferences November 7th from 7:10—2:35 and 4:00—7:00. We will also have a second evening conference on November 9th from 5:00—8:00. Invitations will be going out October 12th and 13th to the parents of all students whose teachers would like the opportunity to discuss success plans. Conferences will be open for everyone on October 26th.

Conferences will be scheduled for 15 minutes. You will have the opportunity to meet with all of your child’s teachers at once if that is desirable. We will ask that all conferences stick to the scheduled time. We want to be available to you so if you do not schedule a conference time, are not able to get one, or do not have enough time during your conference, please let us know and we will work to find a time to meet with you. Again, communication is extremely important to us.

More information will be forthcoming!

5th Grade Band Parent Letter

Parents and Guardians,

I look forward meeting you at the band informational meeting on Tuesday and Wednesday October 9th and 10th from 5:00 - 7:30 PM. You only need to come to one of these nights. If you already have an instrument for your student and want it checked out to make sure it is of good quality for your student, feel free to bring it to that meeting. If you are in need of an instrument, representatives from Rettig Music and Dr. Dave’s will be in attendance letting you know how to get an instrument for your student.

If you are going to purchase an instrument for your student, I would be happy to give you feedback before your purchase. Please be aware of instrument shaped objects that you can purchase online. Some of these instruments can be of good quality if they are purchased from the correct website. However, there are many inferior instruments that cannot be repaired or fixed if they are damaged. There are many instruments that look good and are fun colors, however these instruments in my experience do not last long and will cost more money in the future.
Ike's Book Fair is Right Around the Corner!

Our annual book fair will be taking place October 25th through November 2nd and we are excited! The fair will take place during the school day, from 7:50 a.m. to 2:35 p.m.

If you would be available to help staff the Book Fair, please contact Mrs. Cullen at mcullen@oregoncs.org.

Thank you in advance for helping to make our book fair a success!!

EPSSO Meeting This Tuesday!

Our next meeting of the Eisenhower Parents and Staff for Students Organization is Tuesday, October 9th at 6:00 in the Eisenhower Library! Next month our Executive Board will meet.

Our “Eisenhower Spotlight” will be on the RTI process and our Connections period. In an effort to be respectful of your time, the meeting will be held to one hour. We hope to see you there!

At our first meeting, our “Eisenhower Spotlight" was on the Foundations of Eisenhower Intermediate School. They are:
1. Eisenhower is a transitional building.
2. We will schedule for success.
3. Connections will provide something for everyone.
4. Show you care.
5. We will have an academic and social/emotional focus.

We also did a walk through the hallways to see how the items on the hallway walls support our mission here at Eisenhower.

Throughout the year I will share with you how the structure of our building and how our procedures tie into these foundations. We will continue to focus on the foundations above as decisions are made.

We hope to see you on Tuesday night!
