Message from the Principal

It is difficult to believe that we are already at the end of the first quarter. Thursday will mark the end of the first quarter of the 2018—2019 school year. In this first quarter, our fifth graders have been exposed to many firsts: using lockers, transitioning between classes, a demerit system, more freedom during lunch, and transitioning between classes by themselves. Many of our sixth graders see four to five teachers this year, which is a transition to what they will have next year. In addition, our sixth graders are refining procedures they learned last year. These firsts are challenging, but those challenges are being met with perseverance and learning.

With all the firsts and all the challenges faced so far this year, I am very pleased with the progress of our students and the efforts of our staff. One concept that rises to the top of items students struggle with while transitioning is organization. Having responsibility to keep their lockers organized and keep their papers organized, as the number of assignments increase, is something students will need to understand the importance of. If you ever would like to work with your child on organizing his/her locker, beginning in November, the side doors of our building are generally unlocked until 8:00 in the evening. In addition, we will do an end of the quarter clean in the next week.

Organizing assignments and notebooks is something that the majority of our students still need your assistance with. Checking the daily homework folder will help and talking to your student about how he/she organizes will help. Many times the good habits students learn now can carry them for years and set a great basis for success.

Please be sure to be checking the Parent Portal on PowerSchool. If you no longer can locate your password, please send an e-mail to parentportal@oregoncs.org and state your name, your student’s name and the fact that you need a new password. Final grades will be posted on October 30th.

Thank you for a great first quarter!
Correction: Parent/Teacher Conferences on November 6th, 7th, and 8th

Last week the dates listed were not correct. Our apologies! See the corrected article below.

Communication on a regular basis is essential. One method we use to communicate is Parent/Teacher Conferences. The way we will handle Parent/Teacher Conferences this year will be different than the way they were done in elementary and are transitional in nature.

We will have day conferences on November 6th from 7:15—2:45. Our first night conference will be on November 7th from 4:00—7:00 and our second night conference will be on November 8th from 5:00—8:00. Invitations will be going out Monday, October 22nd to the parents of all students whose teachers would like the opportunity to discuss success plans. Conferences will be open for everyone on October 30th.

Conferences will be scheduled for 15 minutes. You will have the opportunity to meet with all of your child’s teachers at once if that is desirable. We will ask that all conferences stick to the scheduled time. We want to be available to you so if you do not schedule a conference time, are not able to get one, or do not have enough time during your conference, please let us know and we will work to find a time to meet with you. Again, communication is extremely important to us.

Sincerely,

Tim Holcombe
Would you... could you... be on the stage?

Connections Connections

Thank you to Mrs. Cooney for her excellent presentation to EPSSO last Tuesday night about our RTI process and our Connections period.

Our Connections period is a vital piece of our daily schedule. It provides time for intervention and also allows an opportunity for students to be exposed to a variety of activities. Band is also scheduled at this time. Students rotate on green day and yellow day schedule. Green days are Mondays and Tuesdays, Yellow days are Thursdays and Fridays and we rotate on Wednesdays.

Every quarter we will change the Connections schedule. Some students will remain in intervention while others will rotate through a variety of clubs and activities.
We are very excited about Connections and will continue to provide more information on what this time looks like for students. Our goal is that every student will gain from the opportunities afforded them during this time.

One of our Fifth grade Connections clubs is called Number Crunchers and is taught by Mrs. Neuman. Below, students participate in a variety of activities to strengthen math skills. The activities target a wide variety of problem solving, logic and reasoning, spatial sense, and skill-based work.

Ms. Stevens, our PE instructor, teacher Movers and Shakers during Connections. In Movers and Shakers, students are exposed to activities they may not normally experience in PE and, at times, experiences from PE are enhanced. Below, students use chrome books to measure success in various fitness challenges.

Please ask your son/daughter about his/her Connections class.

**Eisenhower Loves Luckies!**

Luckies Barn and Grill, at 3310 Navarre Avenue, is generously helping support our sixth graders’ and cabin leaders’ trip to Camp Michindoh. Luckies is donating a portion of their proceeds to the camp fund when customers present the advertisement in the link below with any order, all day (11 AM to 1:00 AM), October 15, 2018. The proceeds help defray and maintain the cost of camp for students over time. If you weren’t sure what you were cooking Monday, you now have one less meal to make! Come join your Eisenhower friends and family for a great time, and a great meal! Please give the advertisement below to your server so that it can be attached to your bill. (Two ads have been provided – share one with a friend!)
Youth to Youth is a Great Opportunity for Eisenhower Students!

Youth to Youth was founded in 1982 in Columbus, Ohio, as a community-based drug prevention and youth leadership program focusing primarily on middle school and high school students. The goal of its many projects is harnessing the powerful influence of peer pressure -- making it a positive force that encourages young people to make positive life choices.

The Youth to Youth program at Eisenhower Intermediate School will meet a minimum of once a month after school until 3:30. To better prepare for Red Ribbon Week, we will meet multiple times in October. We hope to incorporate community-building activities as well as community service through outreach into the program.

Ms. Stevens and Mrs. Walters have included meeting dates below. Permission slips are available in the office. We hope your child can participate in Youth to Youth this year!
Box Tops

Our fall Box Tops collection drive is going very well. At the last update, Mrs. Massell's class had just taken the lead. However, other class have taken up the challenge and the lead has had many changes.

Mr. Haar, Miss Ovall, and Miss Kidd’s classes stepped up and are within 6 box tops from each other. Mrs. Nowak and Mrs. Cooney’s classes have been battling and are within 30 box tops of each other, but Mrs. Neuman's class has not quit. They had 9 different students participate and has taken the lead from the 6th graders by 25 box tops.

Keep collecting Box Tops and bring them to your traveling group teacher. The top traveling group at Eisenhower will get Fleitz's
Ike's Book Fair Needs Some Volunteers!

Hello to all of our new Eisenhower parents! It's about that time of year to have our annual book fair for our eagles! In order to make this book fair a success, we are in need of parent volunteers.

The fair will be held October 25th–November 2nd and will take place during the school day, from 7:50 a.m. to 2:35 p.m.

The volunteers will work during a chosen shift(s), not for the entire school day! If you are interested in helping out in any way, please contact Mrs. Cullen, 6th grade Language Arts teacher, at mcullen@oregoncs.org

All interested parents will be contacted with a schedule and you can choose shifts at that later time.

Thank you in advance for helping to make our book fair a success!!

Haunted Hallways

Are you ready for a scary good time!

Clay High School will be hosting its annual Haunted Hallways event on October 22nd!

Please see all the details on the flier below.

There will be a couple of changes to Haunted Hallways this year. They are:
- The first hour will not be as scary – it will still be visually scary but toned down
- The 2nd hour will be actively scary
- The cost will be 3 canned goods or $3
- The Limelighters are also adding an escape room for an additional 2 canned goods or $2

Hope to scare you there...we mean see you there!
Please Sign Up to be a Donor at the Ike Blood Drive!

This past Thursday, Mr. Roe from the American Red Cross presented to our students on the extreme need for blood donors.

If you are able to donate at our blood drive, which will be held on November 8th from 3–8, please sign up on-line! The information is below. Thank you for considering this opportunity!
Officer Shaw presents a Halloween Costume Party every year for our 5th graders. Below is the flier. Please note that it is next Saturday, October 20th from 6:00–9:00 at Clay High School. Please send The $10 in an envelop this week labeled “DARE Dance”.

There are times throughout the year when we will have two-hour delays. Our lunch periods shrink to 30 minutes on two-hour delays, and depending on the menu, serving time can be tight. There are times when we will not open the Snack Shack on those days. This would mean that students who pack lunches would need to bring a drink on those days and not rely on the Snack Shack.

Please remember that morning drop-off should not be prior to 7:15 and all students must be picked up by 2:40. Thank you for adhering to these times as our supervision is limited to these times.

EPSSO has a Facebook page and does a great job of posting information. If you would like to follow them on Facebook, they can be found under Eisenhower Intermediate School. A lot of questions on events, etc. have been successfully addressed through the page. EPSSO tries to keep the page up-dated on current events, but also feel free to contact the school with any questions.
