Message from the Principal

With great anticipation, we began the second quarter on Friday. We have mentioned before that our building is designed to be a transitional experience from elementary school to the Junior High. One of those transitions involves changing classes at the quarter. Students will change their Specials classes and their Connections classes for 2nd quarter. Specials changes can be found on your student's schedule and the Connections changes can be found on a sticker in the front of his/her agenda (they will be handed out tomorrow). We have had many good memories and great learning opportunities during the first quarter! We are excited to be able to offer your student different opportunities each quarter!

Another transitional portion of our building is found in the area of classroom parties. At the Intermediate School, we do not have Halloween parties and we do not dress up for Halloween at school. However, we do have a celebration one day each quarter during Connections. We ask that snacks are not sent in. Our teachers plan fun activities for our celebration days.

It is the time of the year when the weather changes and many are in need of coats, hats, and shoes. The Old Newsboys is very generous to us each year through their donation of those items. If your Eisenhower student is in need of these items, please contact Mr. Holcombe via e-mail (tholcombe@oregoncs.org) or via telephone (419.836.8498, ext. 2002). If you are aware of other families and/or students in need, please contact Mr. Holcombe.

Have a great week!

Sincerely,

Tim Holcombe
The tracking of camp payments is underway and is a huge task. Once money is collected, it is documented and then the information is passed on to the office. At that point, Power School must be up-dated. This is a process.

Power School should be up-dated by the end of the school day on Wednesday of this week. Please wait until Wednesday afternoon before contacting Eisenhower on the posting of the payment. Thank you!

Eisenhower Grading Philosophy

We believe that the purpose of grading is to describe how well our students have achieved learning goals. Students at Eisenhower will receive feedback from their teachers in several ways. Here are some things that you should expect to see.

Academic Practice

Practice is one of the primary ways that we can get better at any skill. We believe that practicing newly taught academic skills as well as reviewing skills to remain sharp is an important part of what makes our students better. Students will be assigned academic practice and will receive consequences if it is not completed. However, we also understand that in practice we may make mistakes and need feedback to get better. Students will receive feedback on academic practice to indicate the next steps in their learning using the following scale.

- **Got it** – I have met the expectations for this assignment, I understand it well and I am ready for my next challenge.
- **Almost** – I can mostly do it by myself, but I sometimes get stuck.
- **I’m just starting to learn this**, and I don’t really understand it yet.

Formative and Summative Assessments

These activities and assignments help everyone to understand how well students are achieving their learning goals. They will be graded using the following scale.
Youth to Youth Promotes Positive Choices During Red Ribbon Week

This coming week is Red Ribbon Week at Eisenhower Intermediate School. Our Youth to Youth group has been working hard the last several weeks to prepare for Red Ribbon Week!

To promote their theme and get students to focus on “positive peer pressure” choices, Youth to Youth members will be in the cafeteria each day with options for students to get involved. Youth to Youth members came up with a “Spirit day” theme for each day of the week to promote ways in which students can join/team up with each other to promote healthy choices. We encourage everyone to participate!

This year’s Spirit Day themes are:

- **Monday** - Mix & Match Day
- **Tuesday** - Team Jersey Day
- **Wednesday** - Super Hero Day
- **Thursday** - Travel Group Theme Day (Each travel group picks their own and dress to show their unity)
- **Friday** - Dress for Success

---

Summative assessments will weigh the most heavily in a student’s grade, at 90%, because they come after much instruction and practice.

**Habits of Success**

Students will be evaluated on behaviors and attitudes that are critical to learning, such as using time effectively or submitting quality assignments. Feedback will be given on these habits one time each quarter using the following scale.

- 3 – consistently meets expectations
- 2 - sometimes meets expectations
- 1 – needs improvement

If you have any questions, feel free to contact our Curriculum Coach, Tabatha Nadolny, at tnadolny@oregoncs.org or at 419.836.8498. Thank you!
Parent/Teacher Conferences on November 6th, 7th, and 8th

We will have day conferences on November 6th from 7:15—2:45. Our first night conference will be on November 7th from 4:00—7:00 and our 2nd night conference will be on November 8th from 5:00—8:00. Invitations will be going out Monday, October 22nd to the parents of all students whose teachers would like the opportunity to discuss success plans. Conferences will be open for everyone on October 30th.

Conferences will be scheduled for 15 minutes. You will have the opportunity to meet with all of your child’s teachers at once if that is desirable. We will ask that all conferences stick to the scheduled time. We want to be available to you so if you do not schedule a conference time, are not able to get one, or do not have enough time during your conference, please let us know and we will work to find a time to meet with you. Again, communication is extremely important to us.

Ike's Book Fair Needs Some Volunteers!

Hello to all of our new Eisenhower parents! It’s about that time of year to have our annual book fair for our eagles! In order to make this book fair a success, we are in need of parent volunteers.

The fair will be held October 25th–November 2nd and will take place during the school day, from 7:50 a.m. to 2:35 p.m.

The volunteers will work during a chosen shift(s), not for the entire school day! If you are interested in helping out in any way, please contact Mrs. Cullen, 6th grade Language Arts teacher, at mcullen@oregoncs.org

All interested parents will be contacted with a schedule and you can choose shifts at that later time.

Thank you in advance for helping to make our book fair a success!!
