Outside Recess Expectations

With the weather fluctuating tremendously so far this winter, we have noticed many students underdressed for recess. We introduced the following expectations in order for students to go outside for recess:

- 40–50 degrees/windchill: Students must have a jacket/heavy sweatshirt
- Under 40: students must have a lined coat (unlined fleece and sweatshirts do not qualify). Hats and gloves are recommended

Please note that there are games and activities available in the cafeteria on days when students do not have the proper clothing or the weather does not permit students to go outside.
