Eisenhower Fly-er

March 3, 2019

Message from the Principal

We hope this Fly-er finds you doing well!

Below you find some information on up-coming events. One of those is our Spring Parent/Teacher Conferences. That day is an excellent day to communicate with teachers and information about how that process works is below. However, we want to have open communication each day. Please feel free to contact us at any point that you would like to have a conference or a conversation.

As you know, Spring Break begins at the end of the day on Thursday and school commences again on March 18th. Our next Fly-er will be sent home on March 24th.

We are also very excited about the Oregon Jr. Limelighters’ version of Seussical that will be performed March 22, 23, and 24. Below is information as well as an order form, which can be sent back to the Eisenhower Nest (office).

Have a terrific week and a great time with your sons/daughters over break!

Have a great week!

Sincerely,

Tim Holcombe

Our next Parent/Teacher Conference date is Friday, March 29th from 8:00–3:15.

Teachers will identify students for whom they would like to schedule conferences and invitations will be mailed March 11th.

We hope that even if you do not get an invitation, that you are interested in a conference. If so, Friday, March 22nd will mark the beginning of the
A few important points when checking a student's grades:

Student grades are determined by two categories of marks in PowerSchool. In PowerSchool, you will notice assignments marked as formative or summative assessments. Formative assessments monitor student progress for the purpose of assisting teachers in guiding student learning. Formative assessments are assessments FOR learning that are used to guide the path to learning and do not weight heavily in the final grade. These assessments should be help teachers and students intervene before the final summative assessments.

Summative assessments are measurements taken to see if students have met the requirements of the standard which allow teachers to communicate a student’s progress on the content standards. Summative assessments weigh the most on the final grade, because they come after a lot of practice and guidance. When a student does not perform well on a summative assessment, they have the opportunity for a retest to demonstrate mastery of the content.

If you have any questions about the grading policy, please check our handbook or contact Mrs. Nadolny at 419.836.8498 or tnadolny@oregoncs.org.

OREGON CITY SCHOOLS JUNIOR LIMELIGHTERS PRESENT SEUSSICAL JR.

Forty-eight very talented fifth, sixth, seventh, and eighth graders have joined together to form The Oregon City Schools Junior Limelighters. They have been hard at work since December putting together their rendition of Seussical Jr.

Seussical Jr. is based on the Broadway hit - Seussical the Musical. One of the most performed shows in America, Seussical is a fantastical, magical, musical extravaganza! Our favorite Dr. Seuss characters, including Horton the Elephant, The Cat in the Hat, Gertrude McFuzz, lazy Mayzie and a little boy with a big imagination – Jojo will be brought to life on stage. The colorful characters transport us from the Jungle of Nool to the Circus McGurkus to the invisible world of the Whos.

The story centers around Horton the Elephant, who finds himself faced with a double challenge - not only must he protect his tiny friend Jojo (and all the invisible Whos) from a world of naysayers and dangers, but he must guard an abandoned egg, left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never
loses faith in him. She is the only one who recognizes "his kind and powerful heart." Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.
