Message from the Principal

We hope you had a great Spring Break and that your children enjoyed their first week back to school.

This weekend saw tremendous performances by the Oregon Jr. Limelighters as they presented Seussical Jr. The performance sounded great, looked great and was full of personality and talent. We are so proud of all the performers and their directors. We are looking forward to sharing pictures and more information with you next week in our Fly-er.

The performances this weekend were excellent. Off this excitement, we look forward to the many great events we have ahead of us this school year!

Have a great week!

Sincerely,

Tim Holcombe

5th Grade Math and Science Nights Coming Soon!

The 5th grade Math and Science teams are super excited to announce "Science Night" on April 18th and "Math Night" on April 25th from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing!

We will have lots of great activities and games to review key content areas! These events will be free to the students and will include snacks, prizes, and pizza! Look for invitations to come home at the beginning of April… and get these events marked on your calendar!
Attendance Policy

Last year the state of Ohio initiated a new attendance policy based on the number of hours missed. In the past, there were a certain number of days per quarter that could be parent excused. Now, state law has changed and there are only a certain number of excused absences. Those reasons are:

*Legitimate/excused reasons to be absent from school are:
1) Personal illness with doctor’s note stating that the child is unable to attend school on given day(s)
2) Medical Excuse
3) Death in the family
4) Religious Observations
5) Quarantine
6) Court Subpoena
7) Family Vacation (up to 5 days that must be pre-approved)

Please know that the rest of the policy is also listed in the Student/Parent Handbook (found at the front of your student’s agenda and found on our website).

Please note that when we receive a doctor’s note, we can only excuse the specific dates listed on the note. We cannot accept parent handwriting with reasons for missing additional days.

If you have any specific questions concerning the attendance policy, please feel free to contact Mr. Holcombe at 419.836.8498.

Music Lives at Ike

Below are photos of students exploring their musical talents by playing instruments and writing their own music in Mrs. Reinhart’s Music class.
YMCA Offerings

Below you will find information on some upcoming YMCA programs. Please be sure to see the link below to summer camp opportunities.
