Message from the Principal

We are very excited about all the events and learning opportunities we have in store for your student during our 4th quarter.

Last week we had Parent/Teacher Conferences. Communication is very important to us. Please let us know if there is ever a time you would like to meet to conference.

Please look for our Honor Roll and Principal's List in next week's Fly-er.

Have a great week!

Sincerely,

Tim Holcombe

5th Grade Math and Science Nights Coming Soon!

The 5th grade Math and Science teams are super excited to announce "Science Night" on April 18th and "Math Night" on April 25th from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing!

We will have lots of great activities and games to review key content areas! These events will be free to the students and will include snacks, prizes, and pizza! Look for invitations to come home at the beginning of April… and get these events marked on your calendar!
