Testing Begins This Week!

This week we will have our Ohio State Tests in Language Arts for both 5th and 6th grades. This is an exciting and important time of the year. It is exciting because we have been in training for years for this moment. Each grade level is focused on preparing our students for the benchmarks set by the state for each grade level. This test gives students an opportunity to show what they know.

We will continually share with our students that there is no need to worry about the tests, but instead, do their very best. This is all any of us can ask. We have all done our best to prepare and are excited to see the results.

We ask that you stress with your student that it is important to give his or her best. Again, we all should be happy if that is that effort given, regardless of results. We also ask that you stress the importance of proper sleep and nutrition each day and continue to stress those things on testing weeks.

Our testing schedule will be:
Tuesday, April 16 -- 5th/6th English/Language Arts
Wednesday, April 17 -- 5th/6th ELA

Message from the Principal

It is the time of year to show what we know...Ohio State Testing time! Below are dates and some suggestions for testing. Please take a moment to look at that information.

This week, we will have 5th Grade Science Night in preparation for next week's Ohio State Science Tests. We hope your child can attend! More information is below.

Have a great week!

Sincerely,
Tim Holcombe
Wednesday, April 24 -- 5th Science  
Thursday, April 25 -- 5th Science  

Tuesday, April 30 -- 5th/6th Math  
Wednesday, May 1 -- 5th/6th Math  

Thank you very much for your support and emphasis on best effort!

OCS STEM Academy

Attention Parents of 4th - 7th Grade Students:

Does your child like to build, solve problems, and create solutions? Would your child like to be a member of a team that learns about science, technology, engineering and math? If you answered YES, they may be interested in becoming a member of the OCS STEM Academy.

Members of the OCS STEM Academy will work in teams to create robots built from Legos that will be programmed to perform specific tasks to accomplish a goal. No prior programming experience is necessary.

In December, our combined Ike/Fassett teams will compete with other area teams. Last year we were able to send five teams to a regional competition at Toledo Tech Academy, three of which advanced to the district competition in Sylvania. It’s a great experience for our students, and we are very happy to be able to offer this opportunity to your child.

Information is available from your child’s teacher (elementaries) or the school office (Ike and Fassett) starting Friday, April 12 or can be found online at [http://tinyurl.com/welovebots](http://tinyurl.com/welovebots). Registration are due no later than Friday, May 3.

5th Grade Math and Science Nights Coming Soon!

The 5th grade Math and Science teams are super excited to announce “Science Night” on April 18th and “Math Night” on April 25th from 2:40-6:00. The purpose of these nights is to have some fun together as we get pumped up for state testing!

We will have lots of great activities and games to review key content areas! These events will be free to the students and will include snacks, prizes, and pizza! Look for invitations to come home at the beginning of April....and get these events marked on your calendar!

Congratulations, Mrs. Lucas!

Congratulations to Mrs. Lucas for being named the OCS/Keller award for the 3rd quarter. The OCS/Keller award is presented each quarter to an elementary teacher, to an Intermediate/Jr. High teacher and to a Clay teacher. In addition a support staff member from the district is chosen.
Mrs. Lucas was recognized as the district support staff award winner for the quarter. Mrs. Lucas was recognized for her dedication to students, her teamwork and the excellent attitude she brings to Eisenhower daily. Congratulations, Mrs. Lucas!

6th Annual Hoedown Delivers Fun and Camaraderie!

On Friday, April 12th, we hosted our 6th annual Hoedown after school. We had another phenomenal turnout this year with over 300 students attending! Students were treated to a games station in the cafeteria, a photo booth and snack station in the main hallway and a square dance station in the gym. The games station contained barrel racing, steer lassoing, barnyard bowling and horse shoes!

We are very thankful to the staff at Camp Michindoh who has a band that calls square dances at camp. With their leadership, square dancing was a great hit!

We are very thankful to Mrs. Madson for coordinating the event and for our teachers and parents for chaperoning and making this event run so smoothly. Thank you to all our parents who provided this opportunity for your children. Thank you, also, for your patience at pick-up time. The changes we have made have facilitated a much smoother pick-up, but we realize that it is the patience and going with the flow by those picking students up that make that process work. Thank you!
Other News

- Please ask your student about his/her OLSAT/Stanford reports. They were sent home on Friday afternoon. If you have any questions about the results, please feel free to call Ike and speak with our Curriculum Coach, Tabatha Nadolny.
- It is essential that medication is not sent with your student to school. Medication is not to be on the busses and cannot be on your child at school. Please call Nurse Batch if you have any questions on how best to get medication to her. Thank you for adhering to this essential policy!
- 6th grade parents, if you are interested in camp pictures, please see the link below.
