Message from the Principal

This week we will take our 5th and 6th Grade Ohio State Tests in Math. Please continue to encourage your student to do his or her best, have him/her get plenty of sleep and have a good breakfast. We are very proud of the effort shown from our students, teachers and families. Thank you!

This week we have an opportunity to celebrate over 40 sixth graders who will be honored at The Oregon City Schools President’s Education Awards Program. This program will honor students who have accumulated a 3.5 grade point average throughout fifth grade and the first three quarters of sixth grade. In addition, students had to have a minimum composite score on the 5th grade Ohio State Tests. This Friday a ceremony will be held at St. Michaels Hall for the recipients. We are excited about continuing this program, which had been a staple of fifth grade before reconfiguration. Next week I hope to share the recipients as well as information and pictures from the ceremony.

Have a great week!

Sincerely,

Tim Holcombe
4th Annual Math Night a Success!

Over 135 students participated in our 4th annual "Eisenhower 5th Grade Math Night" last Thursday!

Similar to our Science Night the week before, students were put on teams and rotated through seven different stations. Six of our stations focused on different state math standards, and one station provided movement and activity in the gym.

In Miss Ammanniti's room, students reviewed how to multiply and divide by powers of 10. Mr. Haar worked with the students on multiplying and dividing fractions while Mrs. Wilkins covered adding and subtracting fractions. In Mrs. Gau's room, students applied their knowledge of place value as they compared and rounded decimal numbers while Mrs. Neuman reviewed decimal operations. Finally, Mr. Meyer challenged students to solve volume problems through an interactive computer game. The
Year-end Activities

Below is the May calendar, as of now. I will up-date you with any changes weekly as they occur.

We will celebrate our students who have achieved all year Honor Roll or all-year Principal’s List with our Honors Breakfast on May 17th. We are expecting over 325 students in the for our celebration. We are excited to celebrate the achievement of the honorees!

At Eisenhower, we have our Honors Breakfast for our students, but do not have a traditional Honors Assembly at the end of the year. Space in the auditorium is limited as we have a large student body (nearly 600 students) and we want to continue with our celebration philosophy.

All 5th grade students will participate in DARE graduation on Monday, May 20th at 8:30 am in the Eisenhower Auditorium. Parents are welcome to attend!

We do value parents in the building and would also like to invite parents to our Soaring Festival on May 23rd. Soaring Festival is Eisenhower’s version of a field day. We will have games and inflatables. More information will be forthcoming. Our plan is to send home an order form if you would like to buy a sack lunch for that day. We will have a lunchtime for students to eat with their parents and participate in games, etc. We will also need parent volunteers for the many activities that are being planned for that day. If you would like to be at Ike for longer than lunchtime, you will have the opportunity to supervise some of the day’s activities. We hope you will take us up on this opportunity. More information will be forthcoming.

Our talent show will be on May 24th. Auditions forms are now available outside of Mrs. Cooney’s room. Please feel free to attend if your child is performing, but please note that seating will be very limited for this performance.
If you have any questions about our end-of-the-year schedule, please feel free to give Mr. Holcombe a call at 419.836.8498.

The Music Man

The Clay High School Limelighters will close their 2018-19 season with the classic musical, The Music Man on May 3 and 4, at 7:30 PM and May 5, at 3:00 PM. One of American theatre's most enduring musicals, Meredith Wilson's love letter to small town America remains a perennial favorite, with such classic Broadway standards as "(Ya Got) Trouble", "Shipoopi", and "Seventy Six Trombones."

The Music Man story begins when Harold Hill, a con man salesman, comes to River City, Iowa, looking to pull off one of his money-making schemes: convincing the townspeople that they need to establish a Boys' Band to get themselves out of trouble. "Professor Hill" slowly begins winning over the townspeople, much to the frustration of the town's mayor, but his plans get sidetracked when he encounters Marian Paroo, the town's stubborn librarian and piano teacher.

Marian wants nothing to do with Harold, even as he promises to help her shy, younger brother Winthrop come out of his shell. In spite of that, she begins to fall in love with him as he inadvertently enriches the town with a love of music. Harold, in turn, falls for Marian. Will he risk being caught to win her over?

The Music Man is presented through special arrangement with Music Theatre International.
2019 Meet Kimi!

DONATE your unwanted DENIM!
The items can be in good condition or in terrible condition, either way, they will be recycled!

New in 2019
Kimi Floyd asked to carry on Erek’s denim recycling work while he’s away at college. She’s in 5th grade and is an avid recycler. Welcome Kimi!

DENIM QUALITIES
- Denim must have been worn by a human (no doll or pet clothes)
- The denim can be any brand name.
- The denim can be any size, shape or color.

Introducing
Kimi Floyd!
Carrying on Denim Recycling.
