Message from the Principal

Last week was a great week with our Presidential Awards ceremony, our Math Ohio State Tests and the opportunity for another week together. Our students and staff did an excellent job with the three weeks of testing and with all the preparation that went into those tests! Great job!

We have many things planned for the next several weeks and are hoping your student has an excellent May. Information will be coming home soon concerning our Soaring Fest which will be held on May 23rd.

Have a great week!

Sincerely,

Tim Holcombe

Congratulations to our Presidential Academic Awards Recipients!

In 1983, President Reagan began a national program called the Presidential Academic Awards. The award was to recognize academic excellence and had several criteria. Oregon City Schools began participating that year and it was determined that the award would be given during the last year of a building. For 36 years 5th or 6th grade students have received the award in Oregon. With the creation of the Intermediate School five years ago, it was determined that the award would be moved to the 6th grade.

Friday, May 3rd saw our fifth Presidential Academic Awards ceremony as Eisenhower Intermediate. Forty seven students received the award for their achievement of a 3.5 G.P.A or better over the first seven quarters of Intermediate School and a composite score of 1475 or better on the 5th grade Reading and Math Ohio State Tests.

Students were transported to St. Michael's Centre on Navarre where they enjoyed a meal prepared by Michael Armstrong and Michael's Catering. Following the meal parents and grandparents joined their students for the presentation. Mr. Holcombe and Superintendent Hal Gregory welcomed students and families to this prestigious event. Mr. Holcombe shared a historical perspective of the award. Next, Judge Lou Kovacs gave an excellent speech encouraging students to continue using their gifts. Mrs.
Tabatha Nadolny, our Curriculum Coach, introduced teachers in attendance and they presented awards to students. Miss Stanton took photos of each recipient after they received their award. We are excited to have the Presidential Academic Awards as a part of our yearly traditions!

Congratulations to our 2018—2019 award recipients! They are: Danya Abdulhak, Alexis Batch, Kara Bolinger, Layla Cathers, Addison Csehi, Bryce Cullen, Anya Dow, Anthony Espino, Karina Espinosa, Grace Fortier, Remi Galyas, Joseph Gernert, Molly Grehl, Michael Haar, Troy Hazuda, Mason Heintschel, Breylyn Jackson, Ian Jadlocki, Lindsey Jones, Julia Joyce, Jessica Joyce, Raymond Jurski, Natalie Karrick, Elizabeth Kent, Makenna Langford, Sullivan Lants, Logan Lohner, Cameron Madson, Mya Mahmoud, Jerzee Martin, Lukas Mason, Christiana McCourt, Joshua Medina, Karley Montague, Anabelle Nagy, Jacob Neary, Briana Nowak, Riley Rayburn, Claire Remusat Wukotich, Gabrielle Rivera, Sutton Row, Aubrey Scarberry, Joseph Schmidlin, Gabriel Shannon, Sharon Snow, Jacob Titgemeyer, and Jacob Weseman.

Students who attended will be given a picture from the awards ceremony this week.

Denim Collection Comes Back to Oregon!

Erek Hansen was inspired by an article he read in his National Geographic for Kids magazine in April 2009, when he was 8 years old. Over the last nine summers (2009-2017), Erek has collected unwanted denim to recycle by holding live recycling drives, placing drop boxes in retail stores and hosting corporate drives. He also advocates the importance of recycling by speaking at schools and various events. What started off as a child trying to keep unwanted denim out of the landfill has turned into a popular anticipated local recycling method for the Northwest Ohio region.

This year, 6th grader Kimiko Floyd is going to carry on this great work! We ask that you send in used denim between now and May 17th!

There is more information in the flier below. Thank you for any willingness you may have in participating!
In ELA, we are reading the book, “The Wishing Tree.” The Wishing Tree in the book collects many wishes from those in the community, so our Eisenhower community created a couple of wishing trees of our own. Students wrote their special wishes and enjoyed hanging them on our tree.
