Message from the Principal

It is with great excitement that we welcome you to the 2019–2020 school year at Eisenhower! We have many exciting plans for the school year and are glad to have your child and your family as members of our Eisenhower Community!

Below is some information to get us started for the year. We mailed a welcome letter last week. I hope you received it. If you did not, it is included below.

We are excited to invite you to our Open House on Tuesday, August 13th from 6:00–8:00! We ask that you have re-registered, paid fees and looked at your child's first period teacher (2nd period if your child has Specials first period) before that day.

At Open House we will ask that you go to your child's first period class (2nd period if your child has Specials first period). There you will be able to pick up a schedule that has your child's locker number on it, his/her agenda and other important items. You will then be able to walk the building.

There will be tables set up in the gym if you need to exchange t-shirts, pay fees, turn in free/reduced lunch forms, pick up a schedule because you were not able to access it on-line, etc. We are concerned about long lines which is the reason we are asking for everyone to pay fees, look at schedules, etc. prior to that night.

If you are not able to attend Open House, there will be a table in the main hall of the first day of school at which your student can pick up his/her schedule with the locker assignment listed.

A link to our handbook and to our supply lists is at the bottom of this Fly-er. There are also some other excellent links to information. Our social media links and camp links are currently being up-dated.

We are looking forward to meeting each of you soon! We are very excited to welcome your student and your family to our Eisenhower family!
Parent Schoology Set-up Information

We are very excited to have the opportunity to open up Schoology for parent access. We are hoping this is a tool that will help with our communication from school to home. We will post homework on Schoology and you will be able to view it daily.

There are many other opportunities with Schoology and we will grow together with its use at Eisenhower. The first step for you is to be able to gain access.

At Open House, you will receive a green folder. That folder will have a lot of information for the school year. On the cover of the folder will be a Schoology Code. You will need that code in order to set up your access.

Below is the link to how to set up your account.

6th Grade Camp

In the Summer Welcome Letter below, you will find information about 6th grade camp.

6th grade parents will see "Camp Fee" on your fees for $205. That does not need to be paid until October 18th. However, we want to offer the opportunity to take care of that through EZ Pay.

More information will be forthcoming about camp!

Yearbooks on Sale Now!

An Eisenhower yearbook is an excellent way to reminisce about memories made throughout the school year for years to come!

Our yearbook is on sale now for $25. The price goes up after Christmas Break.
You can order a yearbook by clicking on the link below or by stopping by the yearbook table in the gym at Open House and purchasing there.

There will be many reminders throughout the year, but offering the opportunity to purchase early has worked well for many families in the past. Our yearbook is excellent year after year and we look forward to making the memories that will be captured on the pages of this year's edition!

### OTHER DAILY SELECTIONS:
- **ENTREES**
  - Assorted Cereals
  - Whole Grain Breakfast Bars
  - Vitamin Enriched WG Pastries
  - Yogurt
  - Milk Choice

### NUTRITION BITES:

- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folate (folic acid).
