Message from the Principal

We truly hope the school year is off to a great start for your child and your family! Students and teachers are already hard at work establishing habits for success for the 2019—2020 school year...and beyond! One of those habits is to be consistent.

One thing we hope to be consistent on is the daily communication that we set up for you and your child about his/her schoolwork. Your child is expected to write down assignments in his/her agenda each day in each subject. He/she should also bring home a Homework Folder each night. That folder should be organized into a "Completed" section and a "To Be Completed" section. Please take time each night to review the assignments and look at your child’s work. Being able to talk about what is being learned in class each day will help cement key concepts in your child’s mind and help you understand what he/she is learning each day. Please sign or initial the agenda each day you check it. There should not be a time when a child should say, “I turned it in already,” in response to your question about where the homework listed in the agenda is. Please contact us if you have questions about his process as we feel this is a process set up for the success of all!

We are hoping to get more information to you soon about how to best view your child’s academic practice on Schoology. Again, our goal is to establish excellent forms of communication with you.

We are off to an exciting start of the year. Thank you for sharing your child with us!

Sincerely,

Tim Holcombe

**PARENT CAMP MEETING**

**AUGUST 29TH**
**6:30-7:30 PM**
**EISENHOWER AUDITORIUM**

The time is rapidly approaching when the sixth grade students and teachers will be heading to Camp Michindoh for the most exciting adventure of the year! However, there is a lot to do between now and then.

In order to help parent(s)/guardian(s) be as informed about camp as possible, the sixth grade teachers will be holding an informational meeting on Thursday, August 29th. This meeting will take place at 6:30 PM, in the Eisenhower auditorium. At the meeting parent(s)/guardian(s) will be given information about everything you need to know for camp, including fundraising, how to pack for camp, and about how students should dress for camp. Additionally, we will address concerns and questions that parent(s)/guardian(s) may have about the week at Michindoh.

The meeting will last approximately an hour. (Students are welcome to attend the August 29th meeting, but are not required to, as there will be an in-school meeting for them with the same information.) This is a great opportunity to get all of your questions about camp answered and all of your concerns laid to rest!

Hope to see you there!

Sincerely,
The Sixth Grade Team

(If you have had a child in sixth grade recently, the information will be the same. Please do not feel obligated to attend.)
