Message from the Principal

We hope this message finds you doing well and finds your student adjusting well to our new school year. As we continue through this year, please continue to ask your student about his/her daily routines. It is entirely natural to begin giving your student more responsibility to ensure his/her work is completed, etc. However, students in the 5th and 6th grade still need your guidance and reinforcement when it comes to study habits. As you know, they also need consistent focus and guidance on organization. These are things we work on daily at school and appreciate your continued emphasis on completion of work with excellent effort and organization.

To reinforce this with your child, there are several things you can do nightly that will be very helpful to your student.

- Check his/her agenda book to see what assignments have been assigned.
- Cross reference his/her homework folder with the agenda. Both should be brought home nightly and the homework folder should contain both completed work and work yet to be completed.
- Sign your student’s agenda.

All of your help is much appreciated and needed!

I am eagerly looking forward to our first EPSSO meeting Monday night at 6:00 in the Don Charlton Media Center. The first half of the meeting will focus on our philosophies here at Eisenhower. We have many founding ideas that I would like to share. This portion of the meeting will be about 30 minutes. The second half of the meeting will focus on goals for the year for EPSSO and on the development of committees. We will conclude the meeting at 7:00. We are looking forward to your attendance!

One of the highlights of the year for 6th graders is our annual Camp Michindoh trip. Please note that a link to camp information can be found below. As part of our preparation for camp, we offer a Car
Wash fundraising opportunity for students. We are planning for the car wash to take place on the 14th. If there is a need, due to weather, to cancel the car wash, you will receive a Fly-er message. We want this to be a good, and safe, experience.

Have a great week!

Sincerely,

Tim Holcombe

The votes are in! The best thing about sixth grade is

Outdoor Education

As you may already know, a highlight of your child's sixth grade year is the outdoor education program at Camp Michindoh. Eisenhower sixth graders will be attending camp this year during one of two different weeks. The first week will be December 2nd, 2019 through December 6th, 2019 and the second week will be December 9th, 2019 through December 13th, 2019. More information will be coming home with more specifics on the week your child will be going. There are always many questions about camp, but the foremost on everyone's mind is always cost. We feel Camp Michindoh offers an excellent program and quality facilities at a very reasonable price compared to other outdoor education programs. The camp fee for this year is $205. We want to make you aware of this fee early in the year so that you can plan your budget accordingly because the final camp payment is due October 18th, 2019.

The fundraiser that will help with paying for camp is the car wash.

It will take place on September 14th. The proceeds are used exclusively for Camp Michindoh. Your participation in this fundraiser is both encouraged and appreciated.

Sincerely,

The Sixth Grade Teaching Team
5th Grade Band Sign-up Time!

We are very fortunate in the Oregon City Schools to have an excellent music and performing arts program! The band program that leads students to be proud members of the Clay High School Band begins in the 5th grade.

Mr. Brian Gyuras is now in the process of assembling aspiring members of the Band. Below is a link to some excellent information about the process.

Please be sure to sign up prior to September 10th. Please contact Mr. Gyuras at bgyuras@oregoncs.org if you have any questions. We look forward to the fantastic music instruction that is ahead for our students!

Band Sign-Up

Ike's First Movie Matinee of the Year!

Please see the link to the entire form for our first Movie Matinee and the front page below.

Your son/daughter should bring home the forms to which you can link to below sometime this week. The registration form is due Tuesday the 17th.

These events are designed to bring our students together and give them an opportunity to connect after school hours and enjoy time more time together. We hope to see your student at the Movie Matinee!
At Eisenhower it is our belief that school is about learning and each of our students learn at his/her own rate. Mastery of the intended learning does not always occur at the time of the test. We wish to encourage students to continue to grow toward mastery by allowing students the opportunity to retest.

Students who may not have mastered the concept initially will be given the chance to work towards mastery. Students wishing to retest will be asked to complete the "Request to Retest" contract. Teachers will work with students to reteach and students must work to relearn before the retest can take place. Additionally, we will ask that parents sign the contract prior to the retest. The contract we will use is attached to this e-mail.
We understand that parents play a vital role in the education of their students and we appreciate your support!

Logan Roberts was diagnosed with Stage 4 Ewing’s Sarcoma Cancer in December 2018 at the age of 15. Ewing’s Sarcoma attacks the bone and tissue of the body. When diagnosed, Logan was a Sophomore at Clay High School. Since then, he has undergone over 28 radiation treatments, countless chemo treatments and even surgery in hopes of removing the cancer. Logan had a tumor and two ribs removed. He missed half of his Sophomore year and will miss half of his Junior year. Logan will be taking classes online to graduate with his class of 2021. His wish is to go to Hawaii with his family and best friend.

## August-May 2019-2020

**OTHER DAILY SELECTIONS:**

- ENTREES  
  - Assorted Cereals  
  - Whole Grain Breakfast Bars  
  - Vitamin Enriched WG Pastries  
  - Yogurt  
  - Milk Choice

## NUTRITION BITES:

- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also tends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folic acid.
