Message from the Principal

Our school year is in full swing and our students are settling into routines and procedures. Routines and procedures establish expectations and consistency that lead to student success and positive feelings about the ability to accomplish.

One routine we participate in daily is reciting the Eisenhower Pledge. The Pledge is a set of beliefs we want each of our Eisenhower community members to embody in order to make our school a healthy, nurturing, and high achieving place to be. Our pledge is:

I am an Eisenhower Eagle with many gifts. Today I will bring:
- Effort and a strong work ethic
- Attitude that my actions matter
- Generous spirit of respect
- Love of learning and love of others
- Excellence to all I do
- Spirit of pride in myself and our school

Because "We" are Ike and "We" do it right!

Mr. Walt Ralph was the driving force behind our pledge and is strongly involved in helping with the formation of our building culture. We are excited about what he brings to our students, staff and Eisenhower community. Mr. Ralph created a form outlining our guidance program here at Ike and it is attached below.

Another person that is involved daily in the formation of our building culture is Mrs. Nadolny, our Curriculum Coach. Mrs. Nadolny works daily on building initiatives related to curriculum and achievement. She works individually with teachers and with teams to develop policy and create strong curriculum protocols. She has been crucial to the development of the 5/6 curriculum and philosophy here at Ike.

I am thankful for our staff here at Eisenhower and will continue to share their caring and achievements with you as we highlight the caring and achievements of the students they serve!
Dolly Parton's Imagination Library

Dolly Parton's Imagination Library is now available to Oregon/Jerusalem Township families. This program mails a FREE, age appropriate book, every month to children from birth to five years of age. Dolly Parton's Imagination Library is supported through corporate sponsors, Toledo Refining Company and Mercy Health, as well as the Women's Initiative of United Way. Click [here](#) to register your child for the program.

Ike's First Movie Matinee of the Year!

Please see the link to the entire form for our first Movie Matinee and the front page below.

Your son/daughter should bring home the forms to which you can link to below sometime this week. The registration form is due Tuesday the 17th.

These events are designed to bring our students together and give them an opportunity to connect after school hours and enjoy time more time together. We hope to see your student at the Movie Matinee!

Eisenhower News and Notes:

- We are collecting Box Tops for Education again this year. If you are willing to save those and donate them, we would be very appreciative. We will have several turn-ins throughout the year.
- You can pay for lunch through Power School or your child can bring a check to the cafeteria in the morning as soon as he/she arrives at school.
- If you have any outstanding fee or would like to add money to your student’s lunch account, you can do so at any time with EZ Pay.
- If you are not receiving this Flyer to your preferred e-mail address, please go into InfoSnap and update your information.
- Birthday celebrations occur daily on the morning announcements and students are called to the office for a birthday greeting and pencil. This is how we celebrate at the Intermediate School. We try very hard to make it equal and meaningful. This is certainly a transition from treats, singing,

#### NUTRITION BITES:
- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also lends to help kids stay alert
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folic acid.
