Message from the Principal

As we leave September, we want to continue to keep focus on the strong start we have had and keep focus on why we will continue strong. Relationships and strong work ethic are what will lead to a great school year. We are focusing daily on both!

I am so very pleased with the parental help and support we have had in the form of volunteers. However, I am also very excited about the other important forms of support...the most important forms. Those show up when you reinforce the concepts we are working with your children on and when we are able to support the concepts you are working on at home. Some of those include:

**Strong work ethic**
- Completing all work each day to the best of your ability
- Working through reasons why doing work is hard without allowing excuses to be made
- Finding that the goal of learning is often related to struggle and work ethic

**Taking responsibility for actions**
- Working to focus on what “I” did before even entertaining what another did
- Realizing that we are not “bad” because we make mistakes, but instead own our actions, make amends and try not to do the same thing again

**Attendance**
- realizing that learning is best accomplished in an environment of other learners and that it is possible to attend and learn even at times we don’t feel the best

Thank you for supporting us in these things and we will work to continue to reinforce the character building concepts you are instilling at home. We certainly understand that there are things that are taught at home that may not show up here from time to time and that there are things taught here that may not show up at home from time to time. However, in supporting each other, all of our
Sixth Graders Wash Their Way to Camp

The sixth grade students had a busy day on Saturday, September 14th. Approximately 50 students and their parents combined to make one great car-washing machine. In six hours the group washed 103 cars!

The car wash provides students with two meaningful opportunities. First, the car wash is an opportunity for students to learn the importance of working for something that they want, instead of having it handed to them. Second, the money earned enables students to participate in one of the great sixth grade traditions... a trip to camp! This year Eisenhower sixth graders are attending camp the first two weeks of December.

Mr. Holcombe, the students, and the sixth grade staff of Eisenhower realize that we are truly fortunate to live in a community in which so many organizations and people are willing to support us. We would like to thank all the people who were kind enough to bring their car(s) through the car wash. You all play a significant role in helping send our students to camp!

Thanks again!

Sincerely,

The Sixth Grade Teachers

What is Eagle Time?

This year we have added a class at the end of the day called Eagle Time. Eagle Time is time set aside each day for students to get organized, review important information, and get connected with their Eagle Time teacher and classmates. There are mini-lessons and activities each day, and each day has a theme:

- “Mindset Mondays”- lessons on growth mindset
- “Tell-Me-Something Good” Tuesdays- lessons are focused on our “Eagle Way” expectations and positive behavior acknowledgment
- “We Are One” Wednesdays- activities to build classroom community
- “Thinking” Thursdays- time to practice essential skills such as communication and teamwork
Fridays are to finish up and recap lessons from that week.

We are excited with the possibilities that lie ahead for our students with this concept and we look forward to sharing more about this time with you throughout the year!

Ike Singers to Begin Monday, September 30th!

It is that time of the year when we start our after school choir club. This year the name will be Ike Singers and we are very excited to welcome Mrs. Gibson, Choir teacher from Fassett, to Eisenhower as our Ike Singers director. Welcome, Mrs. Gibson!

If your child is interested, he/she should plan on staying after school on the 30th and have a ride at 3:30. Ike Singers will meet on Mondays.

We are looking forward to a great year! We look forward to another year of excellent participation and great singing and learning!
Ike First Movie Matinee of the Year a Success!

We had an excellent first Movie Matinee with over 220 students in attendance! Thank you to all the parent volunteers and teacher volunteers who helped provide an excellent afternoon for our students as they watched *Secret Life of Pets 2* on Thursday the 19th. Teachers from 5A and 6A put a lot of work into making the afternoon such a success. Thank you to Mrs. Walters for her coordination of the event. Congratulations to Sean Beavers who was the winner of the movie!

These types of events are times for students to get to know others that they are not in class with every day. Our next Movie Matinee is November 14th. We will remind you as we get closer, but we hope to have even a greater turnout at our next event.

Eisenhower News and Notes:

- Each week we will share some fliers with some information that may benefit your student. Please see them below.
- Thank you for encouraging your child to wear his/her Eisenhower t-shirt and/or other Ike gear on our Spirit Days! Our next one is October 4th.
- Please remember that the final Camp Payment of $205 is due on October 18th. If it is not paid in full at that point, the deadline for the late payment of $225 is November 22nd. Students will not be able to attend camp if the payment is not received by November 22nd. Please contact Mr. Holcombe with any questions.
- We would like to have some electronic games for the cafeteria for days we stay inside. We are hoping to have some educational games donated. We are particularly interested in Scrabble Flash. If you have some you could donate, please send them into the Nest. Thank you!
- We are collecting Box Tops for Education again this year. If you are willing to save those and donate them, we would be very appreciative. We will have several turn-ins throughout the year.
- You can pay for lunch through Power School or your child can bring a check to the cafeteria in the morning as soon as he/she arrives at school.
- If you have any outstanding fee or would like to add money to your student's lunch account, you can do so at any time with EZ Pay.

#### NUTRITION BITES:

- Dairy provides 74% of the vitamin D in young children’s diets
- More than half of whole grains are eaten at breakfast
- Kids who eat breakfast tend to perform better in school and have fewer disciplinary problems. Breakfast also helps kids stay alert.
- Starting every day the whole grain way gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school.
- A full cup of fruit is available every day, providing nutrients that are important for kids’ health, such as potassium, dietary fiber, vitamin C, and folic acid.
